A History of Vampires: Legend & Lore Amanda Lewis, 2022-08-08 an exciting fun filled ride of a lifetime Where the first book was more serious the second is filled with sassy women and good humor The first book is an introduction to Jude s world and his family of Immortals but the second book is an action packed adventure filled with time travel and people from myth and legend I was so caught up in the book that I did not want to put it down Ms Lewis writes a story that flows effortlessly from the pages creating a rich and fulfilling reading experience Delene Vrey for Reader s Favorite For a time they remained hidden For a time they remained as legends Until it was not enough to only live Jude the vampire king just wanted to live out his life with his new bride Go on their honeymoon read the paper every Sunday morning over coffee and beignets bury himself in the comfort of his wife s arms Is that too much to ask They say life is what happens while you re making other plans and now Jude is coming to terms with two highly uncomfortable truths the world is nothing as he s known it to be and nothing will ever be the same again Because while he s been on a personal quest to save history an ancient and paranormal war has been simmering beneath his nose to wipe out his family and the vampire kind in general Now like it or not Jude is forced to step into his destiny as leader king and the prophesied Warrior With the help of the People of Wudge along with history s immortal heroes Jude and his family will begin to discover their true purpose and just exactly how nightmares can become reality Continuing where A New Queen left off join our band of immortal misfits as they travel the world in search of the keys to defeat the supernatural army rising to destroy them Part historical fiction part speculative fiction and part paranormal fiction take a deeper dive to discover the stories behind Marie Ludwig the People of Wudge and the Ancient Impieties What if everything you knew about history was a lie What if it was all connected Please note This book picks up directly where Book 1 left off and there is a cliffhanger what also impressed me about this superb creation was its emotional resonance and the level of realism that s interwoven by the presence of real history and powerful characterization There was also a great deal of humor pathos intrigue and mystery not least in the utterly charming dialogue and razor sharp wit which characterized each individually wonderfully and moved the plot along at a suitably action packed pace K C Finn for Reader s Favorite Book 1 A New Queen Book 2 Legend Lore
