## **New Perspectives On China's Past Chinese Archaeology In The Twentieth Century:**

New perspectives on China's past : Chinese archaeology in the twentieth century. 1. Cultures and civilizations reconsidered Xiaoneng Yang,2004      New Perspectives on China's Past ,2004      **New Perspectives on China's Past** ,2004      *New Perspectives on China's Past: Major archaeological discoveries in twentieth-century China* ,2004      *New Perspectives on China's Past* Xiaoneng Yang,2004      *The Archaeology of Early China* Gideon Shelach-Lavi,2015-01-26 This book covers Chinese archaeology from the first people to the unification of the empire emphasizing cultural variations and interregional contact      Chinese Annals in the Western Observatory Edward Shaughnessy,2019-11-18 Since the beginning of the twentieth century hundreds of thousands of documents of all sorts have been unearthed in China opening whole new fields of study and transforming our modern understanding of ancient China While these discoveries have necessarily taken place in China Western scholars have also contributed to the study of these documents throughout this entire period This book provides a comprehensive survey of the contributions of these Western scholars to the field of Chinese paleography and especially to study of oracle bone inscriptions bronze and stone inscriptions and manuscripts written on bamboo and silk Each of these topics is provided with a comprehensive narrative history of studies by Western scholars as well as an exhaustive bibliography and biographies of important scholars in the field It is also supplied with a list of Chinese translations of these studies as well as a complete index of authors and their works Whether the reader is interested in the history of ancient China ancient Chinese paleographic documents or just in the history of the study of China as it has developed in the West this book provides one of the most complete accounts available to date      *China's Early Empires* Michael Nylan,Michael Loewe,2010-11-04 Shows how recent archaeological discoveries have enriched our perception of the cultural history of China in the Classical era      **Ancient Central China** Rowan K. Flad,Pochan Chen,2013-01-21 Ancient Central China provides an up to date synthesis of archaeological discoveries in the upper and middle Yangzi River region of China including the Three Gorges Dam reservoir zone It focuses on the Late Neolithic late third millennium BC through the end of the Bronze Age late first millennium BC and considers regional and interregional cultural relationships in light of anthropological models of landscape Rowan K Flad and Pochan Chen show that centers and peripheries of political economic and ritual activities were not coincident and that politically peripheral regions such as the Three Gorges were crucial hubs in interregional economic networks particularly related to prehistoric salt production The book provides detailed discussions of recent archaeological discoveries and data from the Chengdu Plain Three Gorges and Hubei to illustrate how these various components of regional landscape were configured across Central China      **The Terracotta Warriors** Edward Burman,2018-08-07 Exciting investigations in northwest China are about to reveal more of the mysteries of the huge mausoleum of the Qin Emperor a portion of which was accidentally discovered in 1974 by farmers who were digging a well The second phase of an international research project began in 2011 and more recently promising new excavations began in

Pit 2 with exciting fresh discoveries already announced The Terracotta Warriors seeks to examine one of China's most famous archaeological discoveries in light of these new findings The book begins with the discovery of the terracotta warriors and then tells the history of the Qin Dynasty and as much as is known about the construction of the third century BCE mausoleum based on the work of the historian Sima Qian 145-90 BCE He wrote that the First Emperor was buried with palaces towers officials valuable artifacts and wondrous objects The new findings and the historical description of the mausoleum suggest that the next discoveries may surpass the size and conception of the original discovery of the terracotta warriors In the second part Edward Burman questions who built the warriors how and what purpose they served Finally he anticipates the ongoing discoveries and describes the new methods of excavation and preservation **Early Chinese**

Gaynor Aaltonen, 2021-04-01 Spanning multiple eras across the entire globe this accessible book provides wonderful introduction to archaeology and the discoveries which have changed our world Piece by painstaking piece archaeology has helped us to rewrite the history of Homo sapiens Gaynor Aaltonen digs deep into major expeditions and the artifacts they uncovered from the forgotten Anasazi empire of the American southwest to the discovery of King Richard III's remains beneath a Leicester car park Topics include Submerged cities from Jamaica's Port Royal to Italy's Bacoli Technological advancements such as carbon dating Native American structures including Montezuma Castle Mayan and Aztec city states This book provides an expansive overview of human history told through the materials we have left behind 30-Second Ancient China Dr Yijie Zhuang, Qin Cao, 2014-09-24 In the West the story of Ancient China is less familiar to us than that of Ancient Egypt or Rome but it is no less absorbing and its rollcall of achievements is easily as impressive 30-Second Ancient China unlocks the secrets of its Bronze Age glories and offers summaries of everything from the lost cities of the Zhou kings and the elaborate oracle bone rituals that were practiced at their courts to the exquisite bronze vessels that gave the age its name and the birth of Confucianism Add topics dealing with everyday life in Ancient China and succinct biographies of some powerful figures from Wu Ding king of the Shang to Sun Tzu author of The Art of War the first ever treatise on military

strategy and 30 Second Ancient China becomes the perfect introduction to one of the great ancient civilizations

**The Routledge Handbook of Archaeology and Globalization** Tamar Hodos, 2016-11-18 This unique collection applies globalization concepts to the discipline of archaeology using a wide range of global case studies from a group of international specialists The volume spans from as early as 10 000 cal BP to the modern era analysing the relationship between material culture complex connectivities between communities and groups and cultural change Each contributor considers globalization ideas explicitly to explore the socio cultural connectivities of the past In considering social practices shared between different historic groups and also the expression of their respective identities the papers in this volume illustrate the potential of globalization thinking to bridge the local and global in material culture analysis The Routledge Handbook of Archaeology and Globalization is the first such volume to take a world archaeology approach on a multi period basis in order to bring together the scope of evidence for the significance of material culture in the processes of globalization This work thus also provides a means to understand how material culture can be used to assess the impact of global engagement in our contemporary world As such it will appeal to archaeologists and historians as well as social science researchers interested in the origins of globalization

[Surviving Nirvana](#) Sonya S. Lee, 2010-03-01 The Buddha's nirvana marks the end of the life of a great spiritual figure and the beginning of Buddhism as a world religion *Surviving Nirvana* is the first book in the English language to examine how this historic moment was represented and received in the visual culture of China of which the nirvana image has been a part for over 1 500 years Mining a selection of well documented and well preserved examples from the sixth to twelfth centuries Sonya Lee offers a reassessment of medieval Chinese Buddhism by focusing on practices of devotion and image making that were inspired by the Buddha's complete extinction The nirvana image comprised of a reclining Buddha and a mourning audience was central to defining the local meanings of the nirvana moment in different times and places The motif's many guises whether on a stone carved stele inside a pagoda crypt or as a painted mural in a cave temple were the product of social interactions religious institutions and artistic practices prevalent in a given historical context They were also cogent responses to the fundamental anxiety about the absence of the Buddha and the prospect of one's salvation By reinventing the nirvana image to address its own needs each community of patrons makers and viewers sought to recast the Buddha's death into an allegory of survival that was charged with local pride and contemporary relevance Thoroughly researched this study engages methods and debates from the fields of art history religion archaeology architecture and East Asian history that are relevant to scholars and students alike The many examples analyzed in the book offer well defined local contexts to discuss broader historical and theoretical issues concerning representation patronage religion and politics family values and vision Sonya S Lee is assistant professor of art history and East Asian languages and cultures at University of Southern California
