New Perspectives On The Old Testament:

New Perspectives on the Old Testament Evangelical Theological Society, 1970 Papers presented at the 20th annual meeting of the Evangelical Theological Society Dec 26 28 1968 **New Perspectives on the Old Testament** J. Barton Payne, 1981-01-01 **New Perspectives on Old Testament Prophecy and History** Rannfrid I. Thelle, Terje

Stordalen, Mervyn E.J. Richardson, 2015-05-19 In *New Perspectives on Old Testament Prophecy and History* colleagues students and friends of Hans M Barstad offer essays in honour of his esteemed career in biblical studies Contributions on prophecy include the debate on prophets as historical figures the biblical books of Isaiah Ezekiel Hosea Amos and Micah and issues of methodology and interpretation Essays devoted to history address various historiographic issues as well as specific historical topics such as the monarchy in ancient Israel the relationship of Judah to Edom and the ritual of reading the law In ways that reflect Hans Barstad's innovative insights and methodological critiques this collection of essays probes beyond the oft trodden paths of biblical studies and challenges the status quo within the field **Atonement and the New**

Perspective Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ's work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God's preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place **Neotestamentica et Philonica**

David Edward Aune, Torrey Seland, Jarl Henning Ulrichsen, 2014-04-09 *Neotestamentica et Philonica* is a collection of eighteen essays by an international group of scholars in honor of Peder Borgen They treat aspects of the study of the historical Jesus Paul and his Letters the Gospel of John and Philo of Alexandria These essays represent the cutting edge of New Testament and Philonic scholarship and will be important resources for students of these subject areas **The**

Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was

legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

Romans 4 and the New

Perspective on Paul Gerhard H. Visscher, 2009 In addition to examining Romans IV includes discussion of writings supporting and opposing the New Perspective position Perspectives Old and New on Paul Stephen Westerholm, 2004 Here finally is a much needed review and analysis of the divergent interpretations of Paul With a clear head and winsome sense of humor Stephen Westerholm compares the traditional understanding of Paul to more recent readings drawing on the writings of key figures in the debate both past and present Westerholm first offers a detailed portrait of the Lutheran Paul including the way such theologians as Augustine Luther Calvin and Wesley have traditionally interpreted justification by faith to mean that God declares sinners righteous by his grace apart from works Westerholm then explores how Paul has fared in the twentieth century in which New Perspective readings of Paul see him teaching that Gentiles need not become Jews or observe Jewish law to be God's people The final section of the book looks anew at disputed areas of Paul's theological language and offers compelling discussion on the place of both justification by faith and Mosaic law in divine redemption

Accuracy in Genesis: New Perspectives Affirming the Scriptural Creation Record, Genesis 1-11 , New Perspectives on Healing, Restoration and Reconciliation in John's Gospel Jacobus Kok, 2016-10-05 In New Perspectives on Healing Restoration and Reconciliation in John Jacobus Kok investigates the depth and applicability of Jesus healing narratives in John's gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation *The Letter to the Colossians* Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere

Living in God's Two Kingdoms David VanDrunen, 2010-10-06 Modern movements such as neo Calvinism the New Perspective on Paul and the emerging church have popularized a view of Christianity and culture that calls for the redemption of earthly society and institutions Many Christians have reflexively embraced this view enticed by the socially active and engaged faith it produces Living in God's Two Kingdoms illustrates how a two kingdoms model of Christianity and culture affirms much of what is compelling in these transformationist movements while remaining faithful to the whole counsel of Scripture By focusing on God's response to each kingdom his preservation of the civil society and his redemption of the spiritual kingdom VanDrunen teaches readers how to live faithfully in each sphere Highlighting vital biblical distinctions between honorable and holy tasks VanDrunen's analysis will challenge Christians to be actively and critically engaged in the culture around them while retaining their identities as sojourners and exiles in this world *Is the Gospel*

while others focus upon his thought and still others on his letters A few of them like this book try to integrate all three of them including on occasion material from the book of Acts into a useful portrait of the man and what he said and thought as revealed through his letters from preface **Doing “the Good” in Paul’s Ethical Vision** T. Luke Post, 2023-02-28 Despite the longstanding debate surrounding the relationship between faith and good works in the apostle Paul’s writings no one to date has undertaken a thorough examination of Paul’s use of good terminology in ethical contexts This study seeks to fill this gap by examining Paul’s use of and as these terms appear in his undisputed epistles and in 2 Thessalonians Surveying a wide terrain of exegetical territory T Luke Post makes a compelling case that believers doing good is a primary aim of Paul’s theological social and ethical agenda
