Society P. T. Forsyth, 2009-11-01      **Acts** Ajith Fernando, 2010-12-21 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. Faith and action that inseparable link is a golden thread running through Acts. In 2 000 years one thing hasn't changed: God's heart for lost people. As long as he acts on their behalf, he will call us to play an integral part in his deeds. Acts lifts us up out of the armchair and spurs us to kingdom action, trusting that God will be with us. Ajith Fernando shares perspectives on the book of Acts that reveal its enduring relevance for our twenty-first century lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**Afro-Pentecostalism** Amos Yong, Estrela Y. Alexander, 2011-05-16 In 2006 the contemporary American Pentecostal movement celebrated its 100th birthday. Over that time its African American sector has been markedly influential, not only vis-à-vis other branches of Pentecostalism but also throughout the Christian church. Black Christians have been integrally involved in every aspect of the Pentecostal movement since its inception and have made significant contributions to its founding as well as the evolution of Pentecostal charismatic styles of worship, preaching, music, engagement of social issues, and theology. Yet despite its being one of the fastest growing segments of the Black Church, Afro-Pentecostalism has not received the kind of critical attention it deserves. Afro-Pentecostalism brings together fourteen interdisciplinary scholars to examine different facets of the movement, including its early history, issues of gender relations with other black denominations, intersections with popular culture, and missionary activities, as well as the movement's distinctive theology. Bolstered by editorial introductions to each section, the chapters reflect on the state of the movement, chart its trajectories, discuss pertinent issues, and anticipate future developments. Contributors: Estrela Y. Alexander, Valerie C. Cooper, David D. Daniels III, Louis B. Gallien Jr., Clarence E. Hardy III, Dale T. Irvin, Ogbu U. Kalu, Leonard Lovett, Cecil M. Robeck Jr., Cheryl J. Sanders, Craig Scandrett, Leatherman, William C. Turner Jr., Frederick L. Ware, and Amos Yong.

**The Starfish and the Spirit** Lance Ford, Rob Wegner, Alan Hirsch, 2021-03-30 Imagine an organizational model for church leadership that enables the entire team to unleash their full potential. The joy and vigor coming from a collective strength, intelligence, and skill in the community of leaders not only brings greater potency but better yields for your ministry. What would it be like to see this kind of healthy leadership reproduced into the second, third, and fourth generation on multiple strands? Leveraging

the metaphor Ori Brafman popularized in his NYT best selling book *The Starfish and the Spider* Rob Wegner Lance Ford and Alan Hirsch show How to take a close look at your church s organizational structure and how to adapt instead of simply adopt a certain kind of structural approach How churches can function without a rigid central authority making them nimbler in reacting to external forces How seeding starfish networks inside today s churches will prepare the church of tomorrow to be agile while maintaining the accountability to be effective *The Starfish and the Spirit* is about creating a culture where church leaders view themselves as curators of a community on a mission not the source of certainty for every question and project It s about creating a team of humble leaders in the middle of the church not at the top leaders who naturally reproduce multiple generations of leaders from the middle out

### **The Word and Power Church** Douglas Banister,2009-09-03

You don t have to head overseas to find a war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you re a Word person or a Power person Today though such black and white either or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we cannot afford to settle for less It s time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other
