Sociobiology and Conflict V. Falger, 2012-12-06 1 1 THE STUDY OF CONFLICT Polemos Pantoon Pater Heraclitus
Conflict on all levels of organic existence is pervasive persistent ubiquitous Conflict is the universal experience of all life
forms Organisms are bound in multiple conflict configurations and coalitions which have their own dynamic and their own
logic This does not mean however that the more paroxysmal forms of conflict behaviour naked violence and destruction are
also universal Conflict and cooperation are always intertwined Conflicts do however have a propensity to gravitate towards
violence There is as Pettman 1975 pointed out no accepted or agreed list of the social units by which conflicts might be
classified To talk of conflict in intra personal inter personal familial group class ethnic religious intra state or inter state
terms is to assume perhaps erroneously that each kind of social unit having its own range of size structure and institutions
will also have its own modes of interaction and thus its own patterns of conflict with other social units Fink 1968 like and
unlike itself Such an assumption merits scrutiny on its own since despite the plausibility of some sort of analytical link
between the parties to a conflict and the nature of the confrontation that ensues the link should be demonstrated and not
allowed to stand by assertion alone This volume is devoted to one type of analysis of conflict the socio biological one
Sewall Wright and Evolutionary Biology William B. Provine, 1989-04-13 Provine s thorough and thoroughly admirable
examination of Wright s life and influence which is accompanied by a very useful collection of Wright s papers on evolution is
the best we have for any recent figure in evolutionary biology Joe Felsenstein Nature In Sewall Wright and Evolutionary
Biology Provine has produced an intellectual biography which serves to chart in considerable detail both the life and work of
one man and the history of evolutionary theory in the middle half of this century Provine is admirably suited to his task The
resulting book is clearly a labour of love which will be of great interest to those who have a mature interest in the history of
