New Rumania From Peoples Democracy To So:

History of the Balkans: Volume 2 Barbara Jelavich, 1983-07-29 This volume concentrates on the Balkan wars and World War II focusing particularly on Bulgaria Greece Montenegro Romania and Serbia since 1945 **Communist Eastern Europe; Analytical Survey of Literature** United States. Department of the Army, 1971 **Romania ,1973 The Socialist Republic of Rumania** Stephen Fischer-Galati, 2019-12-01 Originally published in 1969 Rumania faced the problem shared by other independently minded communist states in the era of the Soviet bloc of pursuing independent policies in foreign and intra bloc relations and in its domestic affairs without provoking the Soviet Union to a military reaction The efforts of the Rumanian leadership in this direction were aided by the fact that there was no politically relevant pro Moscow elite that could take over if Ceausescu and his followers were deposed by force Writing his study during the communist period Professor Fischer Galati concludes that the future of Rumanian integration into the communist party state system hinges on the resolution of differences with the Soviet Union and that no meaningful reconciliation appears likely while the present Rumanian and Russian elites remain in power The author believes however that the Rumanians will continue to pursue their independent course one that could stimulate greater popular support and participation in the country s affairs although it may not lead to a realization of Ceausescu s social nationalist goals *On People's Democracy in Yugoslavia* Edvard Kardelj, 1949 This is a translation of an article by Edward Kardelj published in the July 1949 issue of the Communist theoretical organ of the Communist Party of Yugoslavia The article itself is actually a somewhat expanded speech delivered by Edward Kardelj before the People s assembly in May 1949 verso **History Of The International: World Socialism 1943-1968** Julius Braunthal, 2019-03-20 With this volume the history of the first century of the International reaches its conclusion Originally I had intended that the trilogy would come to a close with the centenary of the founding of the First International in September 1964 But before I could finish writing the third volume the tragedy of the Communist revolution in Czechoslovakia had played itself out The Spring of Prague of 1968 having set in motion a process of change from a Communist dictatorship to a Socialist democracy was followed within a few months by the invasion of the armies of the five Warsaw Pact powers to forestall reformation in Czechoslovakia Both revolution and counter revolution were events of the utmost significance for the history of Socialism the revolution for showing that it was possible for a Communist system of totalitarian dictatorship to be transformed without resort to force and the counter revolution for showing how the regime in the Soviet Union has remained essentially unaltered since Stalin s death The invasion of Czechoslovakia brutally called in question any optimistic perspective of development within the Soviet Union itself **East European Accessions List** Library of Congress. Processing Department, 1954 East European Accessions Index , 1958 Red Army in Romania Constantin Hlihor, 2022-07-01 The Red Army in Romania is the first comprehensive study of the Soviet occupation of Romanian territory in 1940 1941 and its occupation of the country at the end of World War II which lasted until Soviet troops

withdrew from the country in 1958 Based on previously unavailable archival sources it sheds light on the occupation policies of the Red Army and Soviet policy in Eastern Europe generally at the end of World War II The authors both well known historians discuss the geopolitical and historical conditions that allowed the Red Army to occupy Romania They analyze the consequences of the occupation on the country particularly on political life as it led to the establishment of a Communist regime in Romania The Red Army in Romania is a valuable book for students and researchers alike Constantin Hlihor is a professor of history at the University of Bucharest and a researcher at the Center for Euro Atlantic Studies and at the Academy for Military Studies in Bucharest Ioan Scurtu is a professor of history at the University of Bucharest and former director of the Romanian National Archives
