New Sand For The Hourglass:

Dragons of Wendal Maria Schneider, 2014-10-21 Learning new magic isn't as easy as Zoe expected especially when the mages at Gorgon University seem dead set against teaching. Add in some necessary late night sneaking about and Zoe is almost certain to be kicked out. No one in their right mind would view going to Wendal as a good alternative but that's where Zoe ends up after she accidentally gains the attention of both a dragon and a wolf shifter. To regain her freedom all Zoe has to do is unravel one very large curse that has befallen Lindis the dragon. And then there's the wolf Derrick. He's more than happy to protect Zoe from the dragons but what might he demand in return? Winner of the Reader's Choice Award 2015 Big Al's Books and Pals. If you like authors K M Shea, Shelley Adina, Lindsay Buroker or Layla Lawlor you might like this series. A fantasy adventure with werewolves, dragons, grypons, mages and magic.

Sandbox World Philip H. Young, 2005-12 The author follows a well known literary tradition of combining the genres of lyric and prose, a tradition that reached its peak in the Romantic period but has since fallen into some disfavor. This nowadays unusual combination allows him to circle around his dual theme: anticipating manhood from a boy's perspective or revisiting boyhood from the perspective of middle age in a fresh and productive manner.

Bearing an Hourglass Piers Anthony, 2012-02-14 Like *On a Pale Horse* this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil. When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past. The other seemingly all powerful Incarnates of Immortality: Death, Fate, War and Nature made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell he was resolved to fight on.

The Sands of Time Melanie Tomlin, 2016-10-06 Angels, Corruption, Death. Father Time has been tending the hourglasses in the Halls of Time for what seems like eternity. When the sand in one of the hourglasses changes colour and stops flowing, he doesn't know what to do. This has never happened before. Is it an omen that the end is nigh, or something else entirely?
