James L. Resseguie

New Testament And Criticism:

The New Testament and Criticism George Eldon Ladd, 1967 One unfortunate consequence of the bitter fundamentalist modernist controversy which raged in the early twenties has been the strongly negative attitude toward Biblical criticism assumed by some of the successors to the fundamentalists of the 1920s Such people according to the author insist that the critical method is basically hostile to the evangelical faith and they have continued to oppose any use of it Others however claiming the same heritage believe that the orthodox interpretation of the Gospel can be defended positively and constructively only with the aid of a sound critical method and the results of critical scholarship The author believes that an evangelical Biblical criticism is not only possible but necessary The central thesis of his book is that the Bible is the Word of God given in the words of men in history and as such its historical origins must be reconstructed as far as possible In this way a richer understanding of the Scriptures can be achieved

New Testament Textual Criticism, Exegesis, and Early Church History Barbara Aland, Joël Delobel, 1994 Peeters 1994

New Testament Textual Criticism David Alan Black, 1994-04 A concise companion to Ellis Brotzman's Old Testament Textual Criticism Introduces students to the process of comparing Greek texts and seeking the original wording

The New Testament in Literary Criticism Leland Ryken, 1984 An anthology edited by the author of How to Read the Bible as Literature It contains interesting readings on the literary interpretation of the four gospels

The New Testament and Criticism George Eldon Ladd, 1967

New Testament Criticism James Alexander M'Clymont, 1913

The Encyclopedia of New Testament Textual Criticism Robert B. Waltz, 2025-01-23 This is the final version of the Encyclopedia of New Testament Textual Criticism a web site that has been updated for several decades This version released January 2025 represents the final revision The goal is to provide as much information about the sources manuscripts versions etc used to reconstruct the original text of the New Testament Note that this version is more recent than the web site and represents a small update

Some Thoughts on the Textual Criticism of the New Testament George Salmon, 1897

Studies in the Theory and Method of New Testament Textual Criticism

Eldon Jay Epp, Gordon D. Fee, 1993 The seventeen studies in this volume provide a presentation and assessment of past and current methods applied to the New Testament text Coauthors Epp and Fee offer an introductory survey of the whole field of New Testament textual criticism followed by sections of essays on these topics definitions of key terms critiques of current theory and method methods of establishing textual relationships studies of the papyri with respect to text critical method and guidelines for the use of patristic evidence From publisher's description

A Plain Introduction to the Criticism of the New Testament for the Use of Biblical Students Frederick Henry Ambrose Scrivener, 1874

Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an

introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible

The New Testament as Canon Robert W. Wall, Eugene E. Lemcio, 1992-01-01 This wide ranging collection of essays provides the reader with a critical introduction to the New Testament as the church's canon The authors conviction is that the Bible belongs first of all to the community of believers rather than to the guild of biblical scholars But that does not make the tools and tasks of modern biblical criticism unimportant Rather they are the constructive means by which the scholar discerns the nature of the ongoing conversation between the church and its biblical canon and helps form the church into a community of worship and witness Whether from a particular

The New Literary Criticism and the New Testament Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular 2 the waning of Formalist New Critical approaches in literary study and 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament

History of New Testament Criticism Frederick Cornwallis Conybeare, 1910

Chapters in Trhe History of New Testament Textual Criticism Bruce Manning Metzger, *The New Testament and Criticism* George Eldon Ladd, 1970-01-01

Notes on New Testament Criticism Edwin Abbott Abbott, 1907

What is New Testament Theology? Hendrikus Boers, 1979 Here is a review of the history of New Testament theology as a discipline from its roots in the Reformation era through subsequent developments from Johann Philipp Gabler to Rudolf Bultmann and beyond Boers encourages the reader to evaluate and understand a variety of theological approaches in keeping with the diverse nature of the New Testament texts

Introduction to New Testament Textual Criticism Jacob Harold Greenlee, 1964 This volume was written in response to the need for a serviceable introduction to New Testament textual criticism for beginning students Its continuing popularity attests to the admirable way in which it has met this need J

Harold Greenlee presents the facts and principles of this important area of Biblical study in a manner that will enable the beginning student to grasp them readily at the same time providing the advanced student and minister with an opportunity for convenient review Chapters include Palaeography The Sources of the New Testament Text Transmission of the Text The Text in Print The Age of the Critical Text The Praxis of Textual Criticism Collation and Classification of Manuscripts

Literary Criticism for New Testament Critics Norman R. Petersen, 2008-09-25 Utilizing Mark and Luke Acts as case studies Norman Petersen moves beyond redaction criticism to show both the necessity and the possibility for literary criticism to be an integral part of the historical critical study of biblical writings

As recognized, adventure as competently as experience roughly lesson, amusement, as capably as covenant can be gotten by just checking out a books **New Testament And Criticism** as a consequence it is not directly done, you could bow to even more around this life, with reference to the world.

We have the funds for you this proper as with ease as simple pretension to acquire those all. We present New Testament And Criticism and numerous ebook collections from fictions to scientific research in any way. among them is this New Testament And Criticism that can be your partner.
