New Testament Christology The Christology In The Story:

Origins of New Testament Christology Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ This accessible and up to date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus The Christology of the New Testament, 1959-01-01 This book is invigorating to read for it is how biblical theology should be written Professor Cullmann has set a high standard of biblical scholarship in this book and it will be a great resource for students of sacred Scripture Renewing New Testament Christology Leander E. Keck, 2023-10-10 Advocating New Testament Christology as a historically informed theological enterprise readily suggests the book's two part structure the treatment of the four Christologies in Part Two is warranted by the arguments in Part One whose first chapter neither surveys nor summarizes the history of research but instead presents a historically informed argument about the impact of history on Christology The second chapter provides a crisp formal statement of Christology's task as the clue to its nature Christology's logic its reasoning is especially important for it accounts for the way Jesus's religious significance is grounded in his relation to God In Part Two the approach outlined in the second chapter of Part One is applied to two Gospels Matthew and John and two Epistles Romans and Hebrews These four chapters can be read in any sequence because their order is not part of the argument Simply juxtaposing these chapters allows each voice to be heard in its own register Part Two shuns talking of New Testament Christology's unity sometimes a mischievous word without thereby doubting that the New Testament's diverse Christologies also share certain ways of thinking expressed in differing words **New Testament Christology** Frank J. Matera, 1999-01-01 How should we understand the Christ of the New Testament What is the biblical framework that theologians and students must master if their systematic Christology is to be rooted in Scripture In this book Frank Matera answers these questions through a comprehensive study of the Christology found in the New Testament God Crucified Richard Bauckham, 1999 God Crucified presents a new proposal for understanding New Testament Christology in its Jewish context Using the latest scholarly discussion about the nature of Jewish monotheism as his starting point Richard Bauckham builds a convincing argument that the early Christian view of Jesus divinity is fully consistent with the Jewish understanding of God Bauckham

first shows that early Judaism had clear ways of distinguishing God absolutely from all other reality When New Testament Christology is read with this Jewish context in mind it becomes clear that early Christians did not break with Jewish monotheism rather they simply included Jesus within the unique identity of Israel's God In the final part of the book Bauckham shows that God's own identity in turn is also revealed in the life death and exaltation of Jesus Originating as the prestigious 1996 Didsbury Lectures this volume makes a contribution to biblical studies that will be of interest to Jews and Christians alike

New Testament Christology G. E. Gorman, 1988-12-08 The New Testament doctrine of the dual nature of Jesus Christ his historical existence as a man and his simultaneous reality as a god has stimulated a resurgence of christological studies by twentieth century scholars and theologians This bibliography is the first work to provide a thorough critical examination of this important body of modern scholarship Containing more than 1 900 annotated entries it will be an essential reference guide for anyone with an interest in early Christianity Christian doctrine or biblical studies In his introduction Hultgren summarizes trends in New Testament christology as reflected in twentieth century European British and American works Sensitively arranged in subject categories the bibliography begins with nine chapters relating to the foundations of christological studies The remaining forty one chapters are divided into three sections dealing with specific topics the titles given to Christ the treatment of Christ by New Testament writers and primary christological themes Many of the entries include extensive commentary as well as passages quoted from the sources Authors titles and subjects are listed in comprehensive indexes Reflecting both the depth and breadth of Dr Hultgren's scholarly analysis this new bibliography is an appropriate choice for New Testament scholars as well as library reference collections

Christology in the New Testament Prof. David L. Bartlett, 2017-08-15 New Testament writers offer varied and persuasive pictures of Jesus that seek to draw people into faith For David Bartlett New Testament Christology is not so much a set of doctrines as a variety of stories songs and scriptural interpretations that help Christian believers and Christian churches follow the Jesus they read about hear about and praise Early Christians framed and told stories shared teachings testified to encounters found solutions to problems acted out in faith and love and sang songs about and to Jesus Christ the resurrected one who represents and shares God's very self to repair and redeem a broken world Baptized by John the Baptist Embarrassingly crucified Teacher and interpreter of Torah Reformer Messiah Proclaimer and agent of a new Kingdom era Lord above and beyond Caesar's empire And most of all a suffering resurrected savior addressed through poetry songs stories titles and ongoing encounters with the community gathered by and in his name Bartlett takes readers on a quick look journey through the New Testament writers understanding of Jesus and his saving significance In the process he reminds Christians and those who would understand their founding documents that these differing context dependent portraits of Jesus are vehicles of a practical living faith They don't just say something they do something revealing an underlying conviction somehow God was in Jesus Christ reconciling the world to God's very self 2 Corinthians 5:19

Christology in Mark's Gospel: Four Views J. R. Daniel Kirk,Adam Winn,Sandra Huebenthal,L. W. Hurtado,2021-11-09 Gain Insights on Mark s Christology from Today s Leading Scholars The Gospel of Mark widely assumed to be the earliest narrative of Jesus s life and the least explicit in terms of Christology has long served as a worktable for the discovery of Christian origins and developing theologies The past ten years of scholarship have seen an unprecedented shift toward an early high Christology the notion that very early in the history of the Jesus movement his followers worshipped him as God Other studies have challenged this view arguing that Mark s story is incomplete intentionally ambiguous or presents Jesus in entirely human terms Christology in Mark s Gospel Four Views brings together key voices in conversation in order to offer a clear entry point into early Christians understanding of Jesus s identity Sandra Huebenthal Suspended Christology Larry W Hurtado Mark s Presentation of Jesus with rejoinder by Chris Keith J R Daniel Kirk Narrative Christology of a Suffering King and Adam Winn Jesus as the YHWH of Israel in the Gospel of Mark Each author offers a robust presentation of their position followed by lively interaction with the other contributors and one last word rejoinder The significance of this discussion is contextualized by the general editor Anthony Le Donne s introduction and summarized in the conclusion The CriticalPoints Series offers rigorous and nuanced engagement between today s best scholars for advancing the scholarship of tomorrow Like its older sibling the CounterPoints Series it provides a forum for comparison and critique of different positions focusing on critical issues in today s Christian scholarship in biblical studies in theology and in philosophy **Contours of**

Christology in the New Testament Richard N. Longenecker,2005-07-06 Contours of Christology in the New Testament features first class biblical scholars who steep readers in the biblical texts about Jesus These essays focus on the New Testament writers various understandings of Jesus their differing emphases seen as contours in the common landscape of New Testament christology Sweeping in scope the volume begins with a look at early christology and covers the whole of the New Testament from the Gospels to Revelation **God the Son Incarnate** Stephen J. Wellum,2016-11-16 Nothing is more

important than what a person believes about Jesus Christ To understand Christ correctly is to understand the very heart of God Scripture and the gospel To get to the core of this belief this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical biblical and historical perspectives concluding that Jesus Christ is God the Son incarnate both fully divine and fully human Readers will learn to better know love trust and obey Christ unashamed to proclaim him as the only Lord and Savior Part of the Foundations of Evangelical Theology series

Messianic Theology of the New Testament Joshua W. Jipp, 2020-11-12 One of the earliest Christian confessions that Jesus is Messiah and Lord has long been recognized throughout the New Testament Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim and each of its primary compositions is a unique creative expansion of this common thread Having made the same argument about the Pauline epistles in his previous book *Christ Is King* Paul's Royal Ideology Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate crucified and enthroned messiah of God In the second section of this book Jipp moves beyond exegesis toward larger theological questions such as those of Christology soteriology ecclesiology and eschatology revealing the practical value of reading the Bible with an eye to its messianic vision The *Messianic Theology of the New Testament* functions as an excellent introductory text honoring the vigorous pluralism of the New Testament books while still addressing the obvious question what makes these twenty seven different compositions one unified testament *Christology and the New Testament*

Christopher Mark Tuckett, 2001-01-01 In this volume Tuckett allows us to overhear the earliest conversations about Jesus Who was He Who did He think He was How important was He to the development of early Christianity This textbook offers an up to date comprehensive and critical survey of the Question of the Christology of the different New Testament writers It incorporates recent research in Judaism and it takes note of critiques of older approaches to the subject It covers the Christological ideas explicit or implicit in each of the main New Testament writers as well as suggesting Jesus own self understanding Finally the volume also raises hermeneutical Questions concerning the place that any New Testament Christology might have in contemporaneous theological debate Chapters cover the individual Epistles and Gospels offering a historical critical approach that places each writer within the original context Assuming no prior knowledge of the discipline Christology and the New Testament is ideal reading for students in Biblical Studies courses and those who study the development of Christian thought P 4 of cover **The Theology of Paul the Apostle** James D.
