Reading the New Testament for the First Time Ronald J. Allen, 2012-07-09 The purpose of this book is to introduce the New Testament to those who have never read it. Ronald Allen offers a truly elementary guide to the New Testament's world, its story, and its message. *Reading the New Testament for the First Time* walks readers through the New Testament, covering key topics like these: how to find one's way around the New Testament; how and when the New Testament was written; important characters like Jesus, Paul, and the twelve disciples; big ideas found in the New Testament such as love, righteousness, and the realm of God; how to apply the New Testament to our lives today; and much more. Introducing the New Testament Henry Wansbrough, 2015-01-29 *Introducing the New Testament* presents the complex and often challenging texts and history of the New Testament in a clear and informative manner. The book begins with a section that gives readers a clear idea of how to use it most effectively for study and personal research, followed by a chapter which outlines the various manuscript traditions and processes of transmission that resulted in the biblical texts we have before us today. With this groundwork complete, readers are then introduced to all the texts of the New Testament and to major issues and debates such as the Historical Jesus, the Synoptic Problem, and current debates surrounding inspiration. How these texts can be seen in both a historical context and in the context of religious faith. The book features maps, chapter summaries, sample essay questions, chapter bibliographies, and reading lists, and an annotated glossary of key terms. *By the Gift and Power of God* Leo Kappa, 2018-06-12 Although Christian academics such as Dr. Stephen Webb, Margaret Barker, and Richard Mouw classify the Latter Day Saints as Christian, most ordinary believing Christians remain unaware of just how very Christ-centered the LDS Church is, and what a strong position the church holds scripturally and theologically. Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon, the prophet Joseph Smith, the historic Christian apostasy, and the prophecies of God's great and marvelous latter-day work, which is a new dispensation to set things right, namely the restoration we announce to the world. Christians everywhere must be informed about what God has done for them in these times, and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth.
