## **New Testament Way To Revival:**

New Testament Way to Revival Jay Strack, 1989      Firestorms of Revival Bob Griffin, 2006 Learn the ten characteristics of revival and see the move of God change not only your ministry but your community      **Revival: The New Testament Expectation** Jonathan F. Bayes, 2016-01-07 Is it right to pray for revival Why are so many of the Scriptures used to support the idea of praying for revival taken from the Old Testament Has the New Testament nothing to say on the subject Isn't revival an Old Testament concept completely fulfilled in the coming of Jesus Christ These are genuine questions that some people raise and this book seeks to address them The author demonstrates that even though revival is not a New Testament word the reality to which the word points is definitely a New Testament theme He also shows that it is impossible to divide the testaments as the questions above imply because the New Testament constantly draws Old Testament material into its own theology Consequently he concludes prayer for revival today is clearly mandated by the New Testament      The High Cost of Revival John R. Rice, 1946      **Applied New Testament Bible Commentary** Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about      **Biblical Counsel**, 1993      *Revival Answers, True and False Revivals, Genuine or Counterfeit* Mathew Backholer, 2018-02-01 What is true Christian revival and how can we tell the genuine from the false the true from the spurious Drawing from Scripture and Church history this book will sharpen your senses and take you on a journey of discovery Featuring Genuine revivals and moves of God Steps towards a heaven sent revival How God works in revivals and awakenings The Church and community in times of revival The differences between revivals and outpourings Leadership discernment and working with the Holy Spirit The work and ministry of the Holy Spirit in genuine revival Accepting God's dynamics and rejecting the demonic The facts of revival and what the Scriptures declare The pendulum swing and characteristics of revival The Divine the demonic deception and excess How to handle excess and those in the flesh The secrets and the supernatural of revival Physical phenomena and conviction of sin What is genuine spiritual revival and how can we know truth from error fact from fiction With many preachers claiming to have revival some wanting to impart it into your life with many evangelists churches and conferences declaring they will have revival so come and receive a touch or they will impart it into your life what is the truth Revival Answers True and False Revivals answers these questions and many others so we can discern genuine heaven sent revival and not be deceived by a counterfeit

**Inventing the "Great Awakening"** Frank Lambert, 2021-01-12 This book is a history of an astounding transatlantic phenomenon a popular evangelical revival known in America as the first Great Awakening 1735-1745 Beginning in the mid 1730s supporters and opponents of the revival commented on the extraordinary nature of what one observer called the great ado with its extemporaneous outdoor preaching newspaper publicity and rallies of up to 20 000 participants Frank Lambert biographer of Great Awakening leader George Whitefield offers an overview of this important episode and proposes a new explanation of its origins The Great Awakening however dramatic was nevertheless unnamed until after its occurrence and its leaders created no doctrine nor organizational structure that would result in a historical record That lack of documentation has allowed recent scholars to suggest that the movement was invented by nineteenth century historians Some specialists even think that it was wholly constructed by succeeding generations who retroactively linked sporadic happenings to fabricate an alleged historic development Challenging these interpretations Lambert nevertheless demonstrates that the Great Awakening was invented not by historians but by eighteenth century evangelicals who were skillful and enthusiastic religious promoters Reporting a dramatic meeting in one location in order to encourage gatherings in other places these men used commercial strategies and newly popular print media to build a revival one that they also believed to be an extraordinary work of God They saw a special meaning in contemporary events looking for a transatlantic pattern of revival and finding a motive for spiritual rebirth in what they viewed as a moral decline in colonial America and abroad By examining the texts that these preachers skillfully put together Lambert shows how they told and retold their revival account to themselves their followers and their opponents His inquiries depict revivals as cultural productions and yield fresh understandings of how believers spread the word with whatever technical and social methods seem the most effective
