## New Timothy:

*The New Timothy* William Mumford Baker, 1870      **The National Hay and Grain Reporter**, 1905      **The Making of Dissidents** Victoria Harms, 2024-09-17 Before Hungary's transition from communism to democracy local dissidents and like minded intellectuals activists and academics from the West influenced each other and inspired the fight for human rights and civil liberties in Eastern Europe Hungarian dissidents provided Westerners with a new purpose and legitimized their public interventions in a bipolar world order *The Making of Dissidents* demonstrates how Hungary's Western friends shaped public perceptions and institutionalized their advocacy long before the peaceful revolutions of 1989 But liberalism failed to take root in Hungary and Victoria Harms explores how many former dissidents retreated and Westerners shifted their attention elsewhere during the 1990s paving the way for nationalism and democratic backsliding      **Department Bulletin** United States. Collins, 2013-10-26. The Pastoral Epistles present difficult questions for the modern interpreter including such matters as their authorship, literary characteristics, and social orientations. Raymond Collins carefully leads the reader through the texts of these three documents, attending to the flow of the Pastor's thought and locating it within the Jewish and Hellenistic culture of his day.
