R. Kruze, S. H. Marpel, 2018-09-16 You d think that after a couple of thousand years I d be able to find my angel wings when I wanted them Pretty hard to misplace if you think about it at all But when I woke up to go to work this morning they weren t there Not in my closet not hanging on the bedpost and certainly not on my shoulders where they always had been Sure I was always able to appear to humans without them But just because they couldn t see them didn t mean they were gone Of course that wasn t the bad part Along with the wings I d lost all my magic powers So I was basically stuck on

earth like any other human But no I wasn't going to test whether I was still basically immortal I'm not stupid even if maybe forgetful And there was something important I was supposed to remember Something about saving the world but of course this was lost to me right now too Get Your Copy Now
