Hebron Presbyterian Church : God's Pilgrim People 1796-1996 , Pilgrim People Clifford M. Yeary, Little Rock Scripture Study Staff, 2020-03-03 Come along on four major pilgrimages in Scripture the journey of trust with Abraham and Sarah the journey of freedom with Moses and the Hebrew people the journey of exile and return with Israel and the journey of discipleship with Jesus and his followers God's call sometimes leads and sometimes sends and the destinations can be new and wondrous or even dark and dangerous What makes the journey a pilgrimage is God's abiding companionship Commentary study and reflection questions prayer and access to online lectures are included 4 lessons **A Pilgrim People** Gerald W Schlabach, 2019-10-28 Recent decades have seen a steady trend in Roman Catholic teaching toward a commitment to active nonviolence that could qualify the church as a peace church As a moral theologian specializing in social ethics Schlabach explores how this trend in Catholic social teaching will need to take shape if Catholics are to follow through Globalization he argues is an invitation to recognize what was always supposed to be true in Catholic ecclesiology Christ gives Christians an identity that crosses borders To become a truly catholic global peace church in which peacemaking is church wide and parish deep Catholics should recognize that they have always properly been a diaspora people with an identity that transcends tribe and nation state *Psalms for a Pilgrim People* Jim Cotter, 1998-10 Cotter gracefully merges the beauty and poetry of the original Psalms with the reality of today's world in well crafted contemporary language *A Pilgrim People* John H. Westerhoff, 2005-02-01 As a people whose faith is formed and nourished by the Bible's stories of creation and fall salvation and redemption Christians hunger to order their lives by the church's story and their own Our journey to God leads us through the cycle of the church year from Advent and Christmas to Easter and the season called ordinary time as we tell and retell God's story and make it the story we live by In *A Pilgrim People* John Westerhoff looks at the gospel texts season by season and relates their teachings not only to Christian life and ministry but to the life cycle of childhood adolescence and adulthood In teaching the lessons of the church year Westerhoff starts not with Advent but with Holy Week and Easter which marks the birth of Christian faith and its vision of a dream come true Commenting briefly on each of the gospel readings for each Sunday he moves from Eastertide through Ascension and Pentecost the season after Pentecost Advent Christmas Epiphany and Lent offering useful themes for preaching and education The final chapter incorporates a radical proposal for Christian education to reform the church's organization worship education and outreach **A Pilgrim God for a Pilgrim People** Denis Carroll, 1988 **Practicing Pilgrimage** Brett Webb-Mitchell, 2016-11-09 *Practicing Pilgrimage* On Being and Becoming God's Pilgrim People explores both the theological cultural and spiritual roots of Christian pilgrimage and is a how to book on doing pilgrimage in our suburban backyards city streets rural roads churches retreat centers and our everyday life Brett Webb Mitchell takes the ancient practice of Christian pilgrimage and applies it to our contemporary lives *Pilgrim Paradigm, The* Brouillette, André, 2021 This book aims to explore what pilgrimage has to

teach about God the faithful and the Church thereby challenging and enriching theology **The Pilgrim People** Joseph Papin,1970 **Pilgrim People** Clifford M. Yearly,2010 Pilgrim People is a journey through Scripture that examines how the call of God has led the faithful in both Old and New Testaments to regard themselves as pilgrims Gods call sometimes leads and sometimes sends and the destinations can be new and wondrous or even dark and dangerous But it is not the destination that transforms biblical journeys into pilgrimages Instead just as it was for people of Scripture our footsteps are set in the right direction when we discover that God is our companion on the journey *Pilgrim Spirituality* Rodney Aist,2022-04-13 A pilgrim themed spirituality for Christian formation Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other *Practicing Pilgrimage* Brett Webb-Mitchell,2016-11-09 Practicing Pilgrimage On Being and Becoming God s Pilgrim People explores both the theological cultural and spiritual roots of Christian pilgrimage and is a how to book on doing pilgrimage in our suburban backyards city streets rural roads churches retreat centers and our everyday life Brett Webb Mitchell takes the ancient practice of Christian pilgrimage and applies it to our contemporary lives embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% *What I Learned on Pilgrimage: Travels with the Lord Through the World* Rev. Christoph Barth, 1991-04-30 This is a print on demand book and is therefore non returnable God s dynamic initiative is the main theme of biblical testimony says Christoph Barth Here he expounds the message of the Old Testament in a manner that is faithful to the Old Testament itself as an account of the mighty acts of God rather than a series of abstract doctrines A theology of the Old Testament is not simply a study of God however Old Testament theology also encompasses teaching about the world and humanity about life and death about origin nature and destiny And Old Testament theology must also take into account the New Testament which confirms what is announced in Israel s Scripture and thus is part of it Barth elucidates the importance of the Old Testament for the New Testament and hence for Christians surveys God s redemptive acts as recorded in the confessional summaries of history in the Old and New Testaments and offers contemporary applications of these biblical themes Working his way through the Old Testament Barth treats nine key topics each of which deals with one of the divine acts that are the essential subject matter of Israel s Scripture creation election of the patriarchs exodus wilderness wandering Sinai revelation gift of Canaan election of David kingship election of Jerusalem and sending of prophets He has divided each of the nine chapters into sections on one main aspect of the topic considering theological anthropological soteriological and eschatological points as well Throughout his examination of each theme Barth pays special attention to its scriptural context God With Us is an excellent textbook for introductory or survey courses in the Old Testament each section begins with a thesis statement summarizing its contents and details are treated in small print sections Barth originally wrote his Old Testament theology in Indonesian and later rewrote the entire book in English Geoffrey Bromiley has condensed the original four volumes in this edition
