Broken Tower Life Of Hart Crane Paul Mariani, 2000-05-02 Few poets have lived as extraordinary and as fascinating a life as Hart Crane who made his meteoric rise in the late 1920s and then flamed out just as suddenly killing himself at the age of 32 I The Broken Tower tells his compelling story 34 photos *Epitaphs for the Journey* Paul Mariani, 2012-05-18 In *Epitaphs for the Journey* New Selected and Revised Poems Paul Mariani revisits forty years of writing poems including revising many of his earlier lyrics to shape his latest volume into a life lived and lived again over the past seven decades The eight sections or cantos each composed of twelve poems cover roughly a decade apiece and contour Mariani's search for answers to the constant interplay of the felt presence of the Mystery we call God as it plays with the modern imagination Mariani's background is Catholic and broadly classic and warmly embraces all aspects of Christianity and Judaism and the world even beyond those The Poima Poetry Series Poems are windows into worlds windows into beauty goodness and truth windows into understandings that won't twist themselves into tidy dogmatic statements windows into experiences We can do more than merely peer into such windows with a little effort we can fling open the casements and leap over the sills into the heart of these worlds We are also led into familiar places of hurt confusion and disappointment but we arrive in the poet's company Poetry is a partnership between poet and reader seeking together to gain something of value to get at something important Ephesians 2:10 says We are God's workmanship poima in Greek the thing that has been made the masterpiece the poem The Poima Poetry Series presents the work of gifted poets who take Christian faith seriously and demonstrate in whose image we have been made through their creativity and craftsmanship These poets are recent participants in the ancient tradition of David Asaph Isaiah and John the Revelator The thread can be followed through the centuries through the diverse poetic visions of Dante

texture of her language too She was a traveler reporting back from England and Greece from California and Maine and from her native Midwest An Iowa transplant to New York the descendant of pioneers she wrote of prairies and subways of the movements of wildflowers people and ideas and of the widespread modern experience of uprootedness Here is a treasure of Amy Clampitt s verse for those who are reading her for the first time as well as for those who have long admired her
