Salvation A Clear Doctrinal Analysis:

Salvation Lewis Sperry Chafer, 2015-11-25 Lewis Sperry Chafer 1871-1952 was an American theologian who founded the Dallas Theological Seminary. Chafer was mentored by C. I. Scofield and became a key figure for Christian Dispensationalism in the early 20th century. Approaching the World's Religions, Volume 2 Robert Boyd, 2017-06-20 Evangelical theology strives to be evangelical, conservative, and contemporary. In a world in which everyone is Christian, evangelical theology provides a balanced position between fundamentalism and liberalism. While theological debates within the family will occur, to be evangelical is a breath of fresh air for many. However, we do not live in such a world. We do find ourselves living in a secular global society. It is secular because no religious organization dictates how we live our lives. It is global for at least two reasons. First, our technology brings us immediately in contact with those faraway places. Second, and of more importance, we can simply step outside our front doors and encounter our neighborhoods that reflect a global pluralism. This raises the question: how shall we then live? The intent of *An Evangelical Theology of Religions* is to suggest a direction for evangelicals to think about the secular global society in which they live in a way that is not only conservative but also evangelical and contemporary. The final essay strives to address the evangelical aspect of our tradition that places an emphasis on the Great Commission and the law of love.

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it. Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s; disputes that the majority of the original protagonists on both sides were Presbyterians; and that soteriology rather than eschatology was the original bone of contention between them. This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies. The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches. And then as the debate traveled southward, the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards. Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified, particularly those that have persisted most stubbornly to the present day. Perhaps most surprising of all, the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques. Why has this development gone almost unnoticed? This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today.

Growing Deep in the Christian Life, 1987-03-26 *The Covenantal Kingdom* Ralph Smith, 1996 Doctrine of the Eons Paige-Patrick J. D. Samuels, 2019-06-13 The Doctrine of the Eons: God's Immutable Plan is an account of how God will bring about the salvation and reconciliation of

all mankind Each chapter provides a theological account of how this will be accomplished including dispelling common myths about God and focusing on the meaning of the word immutable This leads to a discussion of the Hebrew and Greek definitions of eon and eternal and we discover that neither the Old nor the New Testament uses the word eternal Eternal tends to refer to an indefinite amount of time whereas eon is more definite the latter term is primarily used when the Bible talks about the end times Finally the doctrine of universal salvation is presented arguing that God will have all men be saved and that he will eventually reconcile all creation *Religious Books and Serials in Print 1978-1979* R.R. Bowker Company. Department of Bibliography,1978-11 *A Manual of Introduction to the New Testament* Bernhard Weiss,1896 [A Companion to Paul in the Reformation](#) R. Beeley,2008-06-27 Gregory of Nazianzus a 4th century bishop of Constantinople receives relatively little attention from modern Western scholars yet he is one of the most influential theologians in the history of Christian doctrine As an advocate for the conceptual understanding of the Trinity Gregory set precedents for the way his fellow and future Christians would perceive and worship God Christopher A Beeley presents the first comprehensive study in modern Western scholarship of Gregory s doctrine of the Trinity in the full range of his theological and practical vision of the Christian life **The Federal Theology of Jonathan Edwards** Gilsun Ryu,2021-07-07 The Christ centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy but he has been overlooked as an exegete Gilsun Ryu s The Federal Theology of Jonathan Edwards explores how exegesis drove Edwards s focus on the headship of Christ as second Adam and likewise formed a foundation for his broader theological reasoning and writing especially on Christ and the covenants Edwards s distinctive emphases on exegesis redemptive history and the harmony of Scripture distinguish him from his Reformed forebears Ryu s study will help readers appreciate Edwards s contribution as an exegetically informed Reformed theologian [The Oxford Handbook of the Protestant Reformations](#) Ulinka Rublack,2017 This Handbook takes a broad overview of the Protestant Reformations seeing them as movements which stretched far beyond their European beginnings Written by a team of international scholars of history and theology the contributions offer up to date perspectives on Reformation ideas and the lasting historical impact of Protestantism **Richard Hooker and his Early Doctrine of Justification** Corneliu C. Simut,2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of reason in the early theology of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker s doctrine of justification as reflected in his Learned Discourse of Justification which is the most important work of his early theology

Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melanchthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker s career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker s patrons and Thomas Cartwright and Walter Travers Hooker s Puritan opponents

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward *Doctrine, Dynamic and Difference* Pieter de Witte,2012-03-29 An analysis of the Lutheran Roman Catholic Joint Declaration on Justification with a special focus on the method of Differentiated Consensus [Outline of Christian Doctrine](#) Wilfried Harle,2015-04-14 In this book Wilfried Hrle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology Outline of Christian Doctrine however is not merely a translation of Hrle s classic German text Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English speaking readers Biblically rooted contextually sensitive alert to philosophical issues and relevant with respect to debates about the world as we know it today Hrle s Outline of Christian Doctrine An Evangelical Dogmatics is an ideal contemporary theology book for both class use and individual study *Charismatic Christianity* Helen Collins,2023-09-26 What is the essence of charismatic Christianity a renewal movement that stresses the Holy Spirit s work the church s use of spiritual gifts and the significance of the supernatural Helen Collins gives a novel summary explanation drawn from the spiritual gifts Through Scripture and doctrinal reflection she shows that charismatic spirituality is a coherent reasonable and rich tradition with much to offer Collins demonstrates how practicing spiritual gifts embodies a distinctive theology making these practices carriers of doctrine Using the Acts 2 narrative she summarizes seven key emphases and associated practices expectancy prophecy enchantment miracles encounter healing expression testimony equality tongues empowerment evangelism and enjoyment worship The result is a fresh introduction that is biblical theologically robust and practical helping charismatic students to learn more about themselves and others to understand the movement and what it has to contribute to global theological discussions
