Salvete A First Course In Latin:

Salvete! Book 1 Ed Phinney, Mary Catherine Phinney, Stan Farrow, 1995-04-28 A First Course in Latin is an introductory Latin course in two highly illustrated large format books complete with a detailed teacher's guide. It will provide pupils with enough Latin to enable them to take up the Cambridge Latin Course with ease. To this end the vocabulary and grammar are being tailored to match Unit 1 of the Cambridge Latin Course. It will also provide detailed information and project work on the Roman World which will be of interest to all learners regardless of whether they will continue with Latin. The storyline in the course is therefore mainly carried in the English background text and not in the Latin. The content and structure of the course provide inexperienced teachers, most of whom will not be Classics graduates, with a guided programme of basic work in the language and culture of the Roman Empire in the first century A.D. *Salvete!* Ed Phinney, Mary Catherine

Christian Kopff, 2014-05-27 The Devil

Knows Latin is a provocative and illuminating examination of contemporary American culture. Its range is broad and fascinating. Whether discussing the importance of Greek and Latin syntax to our society, examining current trends in literary theory, education and politics, or applying a classical perspective to contemporary films. Christian Kopff, Professor of Classics at the University of Colorado, is at home and on the mark. He outlines the perils and possibilities for America in the coming decades with learning and verve, demonstrating that the highway to a creative and free future begins as a Roman road.
