The Oxford Handbook of the British Musical Robert Gordon, Olaf Jubin, 2016-11-21 The Oxford Handbook of the British Musical provides a comprehensive academic survey of British musical theatre offering both a historical account of the musical's development from 1728 and a range of in depth critical analyses of the unique forms and features of British musicals which explore the aesthetic values and sociocultural meanings of a tradition that initially gave rise to the American musical and later challenged its modern pre eminence After a consideration of how John Gay's *The Beggar's Opera* 1728 created a prototype for eighteenth century ballad opera the book focuses on the use of song in early nineteenth century theatre followed by a sociocultural analysis of the comic operas of Gilbert and Sullivan it then examines Edwardian and interwar musical comedies and revues as well as the impact of Rodgers and Hammerstein on the West End before analysing the new forms of the postwar British musical from *The Boy Friend* 1953 to *Oliver* 1960 One section of the book examines the contributions of key twentieth century figures including Noel Coward Ivor Novello Tim Rice Andrew Lloyd Webber director Joan Littlewood and producer Cameron Macintosh while a number of essays discuss both mainstream and alternative musicals of the 1960s and 1970s and the influence of the pop industry on the creation of concept recordings such as *Jesus Christ Superstar* 1970 and *Les Misérables* 1980 There is a consideration of jukebox musicals such as *Mamma Mia* 1999 while essays on overtly political shows such as *Billy Elliot* 2005 are complemented by those on experimental musicals like *Jerry Springer the Opera* 2003 and *London Road* 2011 and on the burgeoning of Black and Asian British musicals in both the West End and subsidized venues The Oxford Handbook of the British Musical demonstrates not only the unique qualities of British musical theatre but also the vitality and variety of British musicals today

The Translator on Stage Geraldine Brodie, 2017-12-28 In today's theatre productions of plays that originated in another language are frequently distinguished by two characteristics the authorship of the English text by a well known local theatre specialist and the absence of the term translation generally in favour of adaptation or version The Translator on Stage investigates the creative processes that bring translated plays to the mainstream stage exploring the commissioning translation and development procedures that end with a performed play Through a sample of eight plays that span two thousand years and six languages including *Festen* Don Carlos *Hedda* Gabler and *The UN Inspector*

and that were all staged within a three month period Geraldine Brodie brings in a wide range of theatre practitioners to discuss their roles in the translation process and the motivations that govern London theatre translation activities The Translator on Stage is informed by specially conducted interviews with the productions producers artistic directors directors literary managers playwrights and specialist translators including Michael Grandage Rufus Norris David Eldridge Juan Mayorga David Johnston and Mike Poulton It sheds new light not only on theatrical translation procedures but also on the place of translation in society today David Mamet's Glengarry Glen Ross Leslie Kane,1999-11 The twelve original and two classic essays present provocative and timely thinking on Mamet's play and screenplay and offer a dialectic on performance and structure The commentaries take diverse critical approaches to such subjects as feminism pernicious nostalgia ethnicity the mythological land motif the discourse of anxiety gendered language and Mamet's vision of America providing insights and perspectives on the theatricality originality and universality of the work Also includes an interview with Sam Mendes No index Annotation copyright by Book News Inc Portland OR *Behind the Doors of Notorious Covent Garden* Elizabeth Sharland,2009-11-16 Covent Garden the cultural heart of London is notorious for its history ghosts and the Old Market Discover the special places unique to this area It would be interesting to read about the latest fashionable shops popular pubs and hotels that existed in Covent Garden a hundred years ago but there is no accurate record as far as I know This book therefore may be of interest in 100 years hence when we are all gone There are biographies of the people who lived and worked here of course and some of the restaurants and theatres they visited are still in existence but in 100 years time they may be all gone too While doing research for this book I came across the writings of theatre people who had lived and worked in Covent Garden when I was a student and who had inspired me although they were a little before my time They have a chapter in this book Clemence Dane Winifred Ashton Alan Dent Angus McBean James Agate all wrote about the area and their stories make fascinating reading *British Black and Asian Shakespeareans* Jami Rogers,2022-03-24 Shakespeare is at the heart of the British theatrical tradition but the contribution of Ira Aldridge and the Shakespearean performers of African African Caribbean south Asian and east Asian heritage who came after him is not widely known Telling the story for the first time of how Shakespearean theatre in Britain was integrated from the 1960s to the 21st century this is a timely and important account of that contribution Drawing extensively on empirical evidence from the British Black and Asian Shakespeare Performance Database and featuring interviews with nearly forty performers and directors the book chronicles important productions that led to ground breaking castings of Black and Asian actors in substantial Shakespearean roles including Zakes Mokae Cry Freedom as one of three black witches in William Gaskill's 1966 production of Macbeth at the Royal Court Theatre Norman Beaton as Angelo in Michael Rudman's 1981 production of Measure for Measure at the National Theatre the first majority Black Shakespearean cast at the theatre Josette Simon as Isabella in Measure for Measure at the Royal Shakespeare Company in 1987 Adrian Lester in the title role of Nicholas Hytner's 2003 production of Henry V

Affair of the Heart Michael Billington, 2021-09-23 The best theatrical read of the year British Theatre Guide A book of selected theatre reviews from 1992 to 2020 from one of the foremost authorities on British theatre Each chapter starts with a brief commentary on the developments of that era and the social political and cultural context within which British theatre was being produced Key obituaries and letters in response to reviews written are also included providing a rich collection of curated archival material Following on from his first collection *One Night Stands* Michael Billington's chronicle offers a rich authoritative insight into British theatre over the last 3 decades from his unique professional perspective It begins with Tony Kushner's UK premiere of *Angels in America* at the National Theatre in 1992 and culminates with Inua Ellams's celebrated adaptation of Chekhov's *Three Sisters* at the same venue almost 30 years later En route we're exposed to the fallibility of theatre criticism through his much regretted original criticism of Sarah Kane's *Blasted* and its role in identifying major talents at the first opportunity Having recently retired from his 48 year position as the Guardian newspaper's drama critic during which time he wrote around 10 000 theatre reviews Michael Billington was Britain's longest serving theatre critic Through his work he was present at an eye watering number of premieres during this time and witnessed first hand the exciting developments in British theatre over the past 30 years and the substantial pressures it faced never more so than today

Playing Under the Piano Hugh Bonneville, 2022-11-08 A The Times UK and Sunday Times Best Book of the Year A moving laugh out loud memoir from one of today's best loved British actors whose credits include *Downton Abbey* *Notting Hill* and *Paddington* From getting his big break as Third Shepherd in the school nativity play to mistaking a Hollywood star for a real estate agent Hugh Bonneville creates a brilliantly vivid picture of a career on stage and screen What is it like working with Judi Dench and Julia Roberts or playing Robert De Niro's right leg or not being Gary Oldman twice A wickedly funny storyteller Bonneville also writes with poignancy about his father's dementia and of his mother whose life in the secret service emerged only after her death Whether telling stories of working with divas Dames or a bear with a penchant for marmalade this account of his life as an actor is richly entertaining

The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to

musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb s collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre The Cambridge Companion to the Musical William A. Everett, Paul R. Laird, 2017-09-21 An expanded and updated edition of this acclaimed wide ranging survey of musical theatre in New York London and elsewhere

Fings Ain't Wot They Used T' Be: The Lionel Bart Story David Stafford, Caroline Stafford, 2011-12-12. Lionel Bart was a writer and composer of British pop music and musicals best known for creating the book music and lyrics for *Oliver*. He also wrote the famous songs *Living Doll*, *Cliff Richard* and *From Russia With Love* by Matt Munroe. He was unable to read music.
