Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O'Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author's life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith's *Strange Fruit* international publishing sensations like Margaret Mitchell's *Gone With the Wind* and crowning artistic

achievements including Jean Toomer's *Cane*. The literary culture of the state is also covered with information on the Georgia Review and other journals, the Georgia Center for the Book which promotes authors and reading, and the Townsend Prize given in recognition of the year's best fiction. This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage.

**Contemporary American Women Fiction Writers** Laurie Champion, Rhonda Austin, 2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction, particularly in the decades since World War II. Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self-expression. This reference highlights American women writers who continue to build upon the formerly male-dominated canon. Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II. Each entry is written by an expert contributor and includes a DBLA brief biography, a DBLA discussion of major works and themes, a DBLA survey of the writer's critical reception, and a DBLA bibliography of primary and secondary sources.

**Steven Spielberg's Children** Linda Ruth Williams, 2025 Steven Spielberg's *Children* is the first book to investigate children's childhood and Spielberg's employment of child actors together and in depth. Through lively readings of both the celebrated performances he elicits from his young stars as well as less-discussed roles, this book shows children to be key players in the director's articulation of childhood since the 1970s.

**Blues Legacies and Black Feminism** Angela Y. Davis, 2011-10-05 From one of this country's most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens. Angela Davis provides the historical, social, and political contexts with which to reinterpret the performances and lyrics of Gertrude Ma Rainey, Bessie Smith, and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture. The works of Rainey, Smith, and Holiday have been largely misunderstood by critics. Overlooked Davis shows has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social, moral, and sexual values outside the constraints imposed by middle-class respectability. Through meticulous transcriptions of all the extant lyrics of Rainey and Smith published here in their entirety for the first time, Davis demonstrates how the roots of the blues extend beyond a musical tradition to serve as a consciousness-raising vehicle for American social memory. A stunning indispensable contribution to American history as boldly insightful as the women Davis praises.

**Blues Legacies and Black Feminism** is a triumph.

**The Advocate**, 1996-04-02 The Advocate is a lesbian, gay, bisexual, transgender, LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**Mother Reader** Moyra Davey, 2011-01-04 The intersection of motherhood and creative life is explored in these writings on mothering that turn the spotlight from the child to the mother herself. Here, in memoirs, testimonials, diaries, essays, and fiction, mothers describe first-hand the changes brought to their lives by pregnancy, childbirth, and mothering. Many of the writers articulate difficult and

socially unsanctioned maternal anger and ambivalence In Mother Reader motherhood is scrutinized for all its painful and illuminating subtleties and addressed with unconventional wisdom and candor What emerges is a sense of a community of writers speaking to and about each other out of a common experience and a compilation of extraordinary literature never before assembled in a single volume *The World Has Changed* Alice Walker, 2010-04-20 The National Book Award and Pulitzer Prize winning author's fascinating and far reaching conversations with acclaimed writers and thought leaders Spanning more than three decades this collection of fascinating discussions between Alice Walker and renowned writers leaders and teachers explores the changes that Walker has experienced in the world as well as the change she herself has brought to it Compelling literary and cultural figures such as Gloria Steinem Pema Chodron and Howard Zinn represent a different stage in Walker's artistic and spiritual development Yet they also offer an unprecedented look at her career and political growth Noted literary scholar Rudolph Byrd sets Walker's work into context with an introductory essay as well as with a comprehensive annotated bibliography of her writings Read as separate pieces these conversations offer vivid glimpses of Walker's energetic personality Taken together they offer a sense of her marvelous engagement with her world Kirkus Reviews
