Hannah Arendt on marriage as a fundamental right Camille Paglia's skepticism Representing the full range of perspectives and the most cogent and arresting arguments Same Sex Marriage is essential to a balanced understanding of the most pressing cultural question we face today **The Challenge of Same-Sex Marriage** Mark Strasser, 1999-09-30 In November 1998 the Hawaii and Alaska electorates voted to amend their state constitutions so that same sex marriages would not have to be recognized Rather than end the controversy surrounding same sex marriages the passage of these amendments will only spur more litigation because the referenda themselves implicate constitutional guarantees and because amending a state constitution cannot lessen federal constitutional protections Since same sex marriages promote many of the same individual and state interests that opposite sex marriages do states will be unable to justify their same sex marriage bans if those rationales are closely examined When challenged the recent constitutional amendments in Hawaii and Alaska may well be held unconstitutional by the state supreme courts on federal constitutional grounds although ultimately the United States Supreme Court will likely be asked to resolve the relevant issues Suppose that state same sex marriage bans are held not to violate federal constitutional guarantees but that one state nonetheless recognizes such unions The other states will be permitted to refuse to recognize marriages celebrated in that state only if certain conditions have been met Contrary view notwithstanding the law of nature exception will not apply in this case Further even the Defense of Marriage Act will likely not afford states the right to refuse to recognize any and all same sex marriages validly celebrated in sister states Debating Same-Sex Marriage John Corvino, Maggie Gallagher, 2012-06-01 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon Debating Same Sex Marriage provides an indispensable roadmap to the ongoing debate Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions What is marriage for Is sexual difference essential to it Why does the government sanction it What are the implications of same sex marriage for children's welfare for religious freedom and for our understanding of marriage itself While the authors disagree on many points they share the following conviction Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate

**Homosexuality and Religion** Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Encyclopedia of Gender and Society Jodi O'Brien, 2009 Provides timely comparative analysis

The Battle over Marriage Leigh Moscovitz, 2013-11-15 Over the past decade the controversial issue of gay marriage has emerged as a primary battle in the culture wars and a definitive social issue of our time The subject moved to the forefront of mainstream public debate in 2004 when San Francisco Mayor

Gavin Newsom began authorizing same sex marriage licenses and it has remained in the forefront through three presidential campaigns and numerous state ballot initiatives In this thorough analysis Leigh Moscovitz examines how prominent news outlets presented this issue from 2003 to 2012 a time when intense news coverage focused unprecedented attention on gay and lesbian life During this time LGBT rights leaders sought to harness the power of media to advocate for marriage equality and to reform their community s public image Building on in depth interviews with activists and a comprehensive longitudinal study of news stories Moscovitz investigates these leaders aims and how their frames tactics and messages evolved over time In the end media coverage of the gay marriage debate both aided and undermined the cause Media exposure gave activists a platform to discuss gay and lesbian families But it also triggered an upsurge in opposing responses and pressured activists to depict gay life in a way calculated to appeal to heterosexual audiences Ultimately The Battle over Marriage reveals both the promises and the limitations of commercial media as a route to social change

*The same-sex unions revolution in Western democracies* Kelly Kollman, 2016-05-16 This book examines same sex unions policy SSU developments in eighteen western democracies and seeks to explain why the overwhelming majority of these countries has implemented a national law to recognise gay and lesbian couples since 1989 Drawing on extensive interview and document analysis the book illustrates the ways in which SSU policy debates and outcomes have been catalysed by international norm diffusion and social learning The second part of the study analyses these processes in greater depth using two comparative case studies Germany and the Netherlands the United States and Canada to identify how the norm influences domestic policy debates as well as which factors determine how much power it can exert in different national environments The case study analysis also reveals why western democracies have implemented different models of recognition marriage vs registered partnership vs unregistered cohabitant

Same-sex Marriage Pro And Con: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year.

**The Must-Read :** Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

**Uncover the Best :** Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

**Same-sex Marriage Pro And Con :** Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

**The Secret History** is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
