Sam's Fight for Justice Betty Ann Herron, 2003-04-11 This is a true story about a coach that had a seventh grade student name Sam perform twenty naked push ups over the floor drain in front of his entire gym class in the locker room Sam from that point on would be teased and called the naked push up boy everyone in the school that had heard about him having to do the naked push ups in his gym class started calling him the perverted naked push up boy this name would follow him to this very day After coming home and telling his father and I what happen we were both shocked and hurt that anyone would punish our child or any child with such a perverted and humiliating act his father and I approached the school the next day hoping to have the coach punished by the school and to gain our son s dignity back by having the coach apologize to our son in front of his entire gym class saying that he had used bad judgment on Sam and that no other child would have to perform such an act again Jim and I were shocked and angered even more when we found out the school was already aware that the coach enforced naked types of punishments on his students by complaints from other parents the school s Principal informed Jim and I that the coach was protected under the teacher s union contract I am writing my Son s Story because the Coach is protected under a Teachers Union Contract but what a bout a Contract that Protects my Son and his Right s to a Safe Education

Letters to Sam Dr. Dan Gottlieb, 2009-10-13 When his grandson was born Daniel Gottlieb began to write a series of heartfelt letters that he hoped Sam would read later in life He planned to cover all the important topics dealing with your parents handling bullies falling in love coping with death and what motivated him was the fear that he might not live long enough to see Sam reach adulthood You see Daniel Gottlieb is a quadriplegic the result of a near fatal automobile accident that occurred two decades ago and he knows enough not to take anything for granted Then when Sam was only 14 months old he was diagnosed with Pervasive Develop mental Disability a form of autism and suddenly everything changed Now the grandfather and grandson were bound by something more a disability and Daniel Gottlieb s special understanding of what that means became invaluable This lovingly written emotionally gripping book offers unique and universal insights into what it means to be human

VAMPIRE HUSBAND and THE AMERICAN JUSTICE Paru Shiva, 2014-05 This book is about a woman who had come to America from Kashmir India She had no knowledge about American culture or American Justice System She was married in India and her husband brought her to America In America her husband started abusing her Being culturally abound she kept taking abuse on daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries Abuse got worst to the extent that one day her husband tried to kill her She gained her consciousness after couple of hours when her husband decided to dump her body in the park Somehow in the morning she managed to escape with her two children She went to a woman s shelter where she lived for six months In the shelter they insisted that she had to go to the court to get restraining order for her safety In that process her children were taken by the court and were given to that abusive man from whom they had a narrow escape She was forced to pay child support when

she had not taken even a one cent from her home or from her husband after she left Her two children were given to their father because she was going to school Judge punished her and her two children for trying to establish their life Her Children suffered the most because of the Justice System I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to American Justice System because his father has kept him in fear Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear stress and extreme tension His father didn't let him complete his education If he had encouraged my son to complete his education then he wouldn't be able to control my son's life That is tearing my heart every day And second reason is that I want to help a Battered Woman and their children by telling them my story I was a very private person but that didn't help me Every battered woman of this country should know that when a man hit his wife is not love It is a danger sign figure out on time about safety zones for self and for children My story will guide them to be strong enough to help their children

Gayles, 2023-02-21 This volume examines the use of Black popular culture to engage, reflect and parse social justice, arguing that Black popular culture is more than merely entertainment. Moving beyond a focus on identifying and categorizing cultural forms, the authors examine Black popular culture to understand how it engages social justice with attention to anti-Black racism. Black Popular Culture and Social Justice takes a systematic look at the role of music, comic books, literature, film, television, and public art in shaping attitudes and fighting oppression. Examining the ways in which artists, scholars, and activists have engaged, discussed, promoted, or supported social justice on issues of criminal justice reform, racism, sexism, LGBTQIA rights, voting rights, and human rights, the book offers unique insights into the use of Black popular culture as an agent for change. This timely and insightful book will be of interest to students and scholars of race and media, popular culture, gender studies, sociology, political science, and social justice.

American Justice James Neff, 2017-10-03 Three shocking tales of violence, intrigue, and the search for truth from a two-time Edgar Award finalist and Ann Rule's favorite true crime writer. In this riveting collection, prize-winning investigative journalist James Neff examines the Dr. Sam Sheppard murder mystery, the terrifying pursuit of a serial rapist in Cleveland, Ohio, and the spectacular rise and fall of Teamster boss Jackie Presser. The Wrong Man. In 1954, in suburban Cleveland, Dr. Sam Sheppard's wife Marilyn was beaten to death in their home. Investigators, the press, the public, and the courts worked in lockstep to convict Sheppard. Sentenced to life in prison, he served nearly a decade before he was acquitted in a retrial. Culled from DNA evidence, testimony that was never heard in court, prison diaries, and interviews with key players, The Wrong Man makes a convincing case for Sheppard's innocence and reveals the identity of the true killer. Gripping and meticulously researched. A first-degree murder mystery. People Unfinished. Murder From 1983 to 1988, serial rapist Ronnie Shelton preyed on the women of Cleveland. Dubbed the West Side Rapist, he spied on his victims, stalked them, and brutally assaulted them in their homes. Arrested at least fifteen times for other crimes, Shelton slipped through the cracks of the justice system so often it seemed he'd never be caught until his courageous victims united to put him behind bars. A finalist for the Edgar Award. Unfinished Murder is based on more than 150 interviews with the survivors, the police, psychiatrists, and Shelton himself, who was sentenced to 3 1/2 years in prison, the longest in Ohio state history. Mobbed Up. As the president of America's largest labor union, Jackie Presser navigated a dangerous balancing act with the Teamsters, the Mafia, and the Justice Department. At the same time, he was taking orders from New York mob boss Fat Tony Salerno. Presser was serving as the FBI's top informant on organized crime. Drawing on thousands of pages of classified files, Neff follows the trail of greed

and hubris all the way to the Nixon and Reagan White Houses where Presser was treated as a valued friend A damning tale A portrait of pervasive corruption that should concern anyone who cares about the way this country works Los Angeles Times
