The Unequalled Self

CLAIRE TOMALIN

# Samuel Pepys The Unequalled Self

**Wim van Anrooij, Louis P.  
Grijp, Dieuwke Van Der Poel**

### **Samuel Pepys The Unequalled Self:**

Samuel Pepys Claire Tomalin, 2007-12-18 For a decade beginning in 1660 an ambitious young London civil servant kept an astonishingly candid account of his life during one of the most defining periods in British history In Samuel Pepys Claire Tomalin offers us a fully realized and richly nuanced portrait of this man whose inadvertent masterpiece would establish him as the greatest diarist in the English language Against the backdrop of plague civil war and regicide with John Milton composing diplomatic correspondence for Oliver Cromwell Christopher Wren drawing up plans to rebuild London and Isaac Newton advancing the empirical study of the world around us Tomalin weaves a breathtaking account of a figure who has passed on to us much of what we know about seventeenth century London We witness Pepys's early life and education see him advising King Charles II before running to watch the great fire consume London learn about the great events of the day as well as the most intimate personal details that Pepys encrypted in the Diary follow him through his later years as a powerful naval administrator and come to appreciate how Pepys's singular literary enterprise would in many ways prefigure our modern selves With exquisite insight and compassion Samuel Pepys captures the uniquely fascinating figure whose legacy lives on more than three hundred years after his death

### **The Literary Culture of Plague in Early Modern**

**England** Kathleen Miller, 2017-07-06 This book is about the literary culture that emerged during and in the aftermath of the Great Plague of London 1665 Textual transmission impacted upon and simultaneously was impacted by the events of the plague This book examines the role of print and manuscript cultures on representations of the disease through micro histories and case studies of writing from that time interpreting the place of these media and the construction of authorship during the outbreak The macabre history of plague in early modern England largely ended with the Great Plague of London and the miscellany of plague writings that responded to the epidemic forms the subject of this book

### **Pepys's Navy**

J. D. Davies, 2008-11-20 An extensively illustrated reference covering four tumultuous decades that gave birth to the modern Royal Navy Winner of the Samuel Pepys Prize and Latham Medal This reference book describes every aspect of the English navy in the second half of the seventeenth century from the time when the Fleet Royal was taken into Parliamentary control after the defeat of Charles I until the accession of William and Mary in 1689 when the long period of war with the Dutch came to an end This is a crucial era that witnessed the creation of a permanent naval service in essence the birth of today's Royal Navy Samuel Pepys whose thirty years of service did so much to replace the ad hoc processes of the past with systems for construction and administration is one of the most significant players and the navy that was by 1690 ready for a century of global struggle with the French owed much to his tireless work This major reference for historians naval enthusiasts and anyone with an interest in this colorful era of the seventeenth century covers naval administration ship types and shipbuilding naval recruitment and crews seamanship and gunnery shipboard life dockyards and bases the foreign navies of the period the three major wars fought against the Dutch in the Channel and the North Sea Davies writes clearly knows his

subject extremely well organizes the material effectively and covers each topic thoroughly there s some new piece of revelatory detail on pretty much every page If you re at all interested in seventeenth century sailing ships especially English ships this is a truly fascinating and rewarding book Corsairs and Captives *Identity, Intertextuality, and Performance in Early Modern Song Culture* Wim van Anrooij, Louis P. Grijp, Dieuwke Van Der Poel, 2016-03-21 Singing together is a tried and true method of establishing and maintaining a group s identity Identity Intertextuality and Performance in Early Modern Song Culture for the first time explores comparatively the dynamic process of group formation through the production and appropriation of songs in various European countries and regions Drawing on oral handwritten and printed sources with examples ranging from 1450 to 1850 the authors investigate intertextual patterns borrowing of melodies and performance practices as these manifested themselves in a broad spectrum of genres including ballads popular songs hymns and political songs The volume intends to be a point of departure for further comparative studies in European song culture Contributors are Ingrid kesson Mary Ann Constantine Patricia Fumerton Louis Peter Grijp va Guillorel Franz Josef Holznagel Tine de Koninck Christopher Marsh Hubert Meeus Nelleke Moser Dieuwke van der Poel Sophie Reinders David Robb Clara Strijbosch and Anne Marieke van der Wal Hoax Victor Stater, 2022-07-26 The extraordinary story of the Popish Plot and how it shaped the political and religious future of Britain Stater tells a complex and convoluted story with absolute clarity As a work of historical scholarship Hoax is terrific Robert G Ingram National Review Stater s accounts have the compulsively fascinating quality of a true crime podcast Jeffrey Collins Wall Street Journal In 1678 a handful of perjurers claimed that the Catholics of England planned to assassinate the king Men like the Reverend Doctor Titus Oates and Captain William Bedloe parlayed their fantastical tales of Irish ruffians medical poisoners and silver bullets into public adulation and government pensions Their political allies used the fabricated plot as a tool to undermine the ministry of Thomas Lord Danby and replace him themselves The result was the trial and execution of over a dozen innocent Catholics and the imprisonment of many more some of whom died in custody Victor Stater examines the Popish Plot in full arguing that it had a profound and lasting significance on British politics He shows how Charles II emerged from the crisis with credit moderating the tempers of the time and how as the catalyst for the later attempt to deny James II his throne through parliamentary action it led to the birth of two party politics in England **Home and Nation in British Literature from the English to the French** **Revolutions** A. D. Cousins, Geoffrey Payne, 2015-11-05 In a world of conflicting nationalist claims mass displacements and asylum seeking a great many people are looking for home or struggling to establish the nation These were also important preoccupations between the English and the French revolutions a period when Britain was first at war within itself then achieved a confident if precarious equilibrium and finally seemed to have come once more to the edge of overthrow In the century and a half between revolution experienced and revolution observed the impulse to identify or implicitly appropriate home and nation was elemental to British literature This wide ranging study by international scholars provides an innovative

and thorough account of writings that vigorously contested notions and images of the nation and of private domestic space within it tracing the larger patterns of debate while at the same time exploring how particular writers situated themselves within it and gave it shape

**Becoming Shakespeare** Jack Lynch, 2009-05-26 *Becoming Shakespeare* begins where most Shakespeare stories end with his death in 1616 and relates the fascinating story of his unlikely transformation from provincial playwright to universal Bard Unlike later literary giants Shakespeare created no stir when he died Though he d once had a string of hit plays he had been retired in the country for six years and only his family friends and business partners seemed to care that he was gone Within a few years he was nearly forgotten And when London s theaters were shut down in 1642 he seemed destined for oblivion With the Restoration in 1660 though the theaters were open once again and Shakespeare began his long ascent No longer merely one playwright among many he became the transcendent genius at the heart of English culture Fifty years after the Restoration scholars began taking him seriously Fifty years after that he was considered England s greatest genius And by 1800 he was practically divine Jack Lynch vividly chronicles Shakespeare s afterlife from the revival of his plays to the decades when his work was co opted and improved by politicians and other playwrights and culminating with the Bardolatry of the Stratford celebration of Shakespeare s three hundredth birthday in 1864 *Becoming Shakespeare* is not only essential reading for anyone intrigued by Shakespeare but it also offers a consideration of the vagaries of fame

**The New Oxford Book of Literary Anecdotes** John Gross, 2008 An unrivalled collection of literary gossip and intimate sidelights on the lives of the authors This hugely entertaining anthology ranges from Chaucer to the present day with anecdotes that are hilarious touching outrageous sinister inspiring and downright weird

*1,000 Books to Read Before You Die* James Mustich, 2017-03-28 The ultimate literary bucket list The Washington Post If there s a heaven just for readers this is it O The Oprah Magazine Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that s as compulsively readable entertaining surprising and enlightening as the 1 000 plus titles it recommends Covering fiction poetry science and science fiction memoir travel writing biography children s books history and more *1 000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation You have to read this But it s not a proscriptive list of the great works rather it s a celebration of the glorious mosaic that is our literary heritage Flip it open to any page and be transfixed by a fresh take on a very favorite book Or come across a title you always meant to read and never got around to Or like browsing in the best kind of bookshop stumble on a completely unknown author and work and feel that tingle of discovery There are classics of course and unexpected treasures too Lists to help pick and choose like *Offbeat Escapes* or *A Long Climb* but *What a View* And its alphabetical arrangement by author assures that surprises await on almost every turn of the page with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings* Alice Walker next to Izaak Walton There are nuts and bolts too best editions to read other books by the author if you like this you ll

like that recommendations and an interesting endnote of adaptations where appropriate Add it all up and in fact there are more than six thousand titles by nearly four thousand authors mentioned a life changing list for a lifetime of reading 948 pages later you still want more THE WASHINGTON POST *Early Modern English Literature* Jason Scott-Warren,2005-10-07 Providing comprehensive background material on the contexts in which early modern literary texts were produced and consumed this work unlocks the distinctive social practices economic structures and modes of behaviour that give these texts their meaning Bloomsbury Good Reading Guide Nick Rennison,2009-09-27 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum The Observer Library Lin's Biographies, Autobiographies, and Memoirs Linda Maxie,2023-06-15 People are fascinating but finding the best biography autobiography or memoir can be tough with so many to choose from Linda Maxie Library Lin examined hundreds of recommended books about people to offer guidance on which books to select In this survey you will find Forty subject specific chapters of recommended biographies autobiographies and memoirs Classic biographies that have withstood the test of time Recent titles featuring people living impacted by current events Inspiring biographies and memoirs of all sorts Suggestions for further reading Why waste time searching for books to read when you could have hundreds of excellent titles with their summaries at your fingertips Let Library Lin be your guide to artists world leaders athletes actors royalty activists and so many more **The English Virtuoso** Craig Ashley Hanson,2009-05-15 This study aims to overturn 20th century criticism that cast the English virtuosi of the 17th and early 18th centuries as misguided dabblers arguing that they were erudite individuals with solid grounding in the classics deep appreciation for the arts and sincere curiosity about the natural world *The Ashgate Research Companion to Popular Culture in Early Modern England* Andrew Hadfield,Matthew Dimmock,Abigail Shinn,2016-03-23 The Ashgate Research Companion to Popular Culture in Early Modern England is a comprehensive interdisciplinary examination of current research on popular culture in the early modern era For the first time a detailed yet wide ranging consideration of the breadth and scope of early modern popular culture in England is collected in one volume highlighting the interplay of low and high modes of cultural production while also questioning the validity of such terminology The authors examine how popular culture impacted upon people's everyday lives during the period helping to define how individuals and groups experienced the world Issues as disparate as popular reading cultures games food and drink time textiles religious belief and superstition and the function of festivals and rituals are discussed This

research companion will be an essential resource for scholars and students of early modern history and culture *Bound to Please* Michael Dirda, 2005 A showcase of one hundred of the world's most significant books offers the author's introductory essays on such writers as James Boswell, Colette and Joseph Roth and includes explorations of a range of genres and specific works James II: King in Exile John Callow, 2011-11-30 JAMES II was Britain's last Catholic king The spectacular collapse of his regime in 1688 and the seizure of his throne by his nephew William of Orange are the best known events of his reign But what of his life after this What became of him during his final exile John Callow's groundbreaking study focuses on this hitherto neglected period of his life the twelve years he spent attempting to recover his crown through war diplomacy assassination and subterfuge This is the story of the genesis of Jacobitism of the devotion of the fallen king's followers who shed their blood for him at the battle of the Boyne and the massacre at Glencoe gave up estates and riches to follow him to France and immortalised his name in artworks print and song Yet this first King Over the Water was far more than a figurehead A grim inflexible warlord and a maladroit politician he was also a man of undeniable principle which he pursued regardless of the cost to either himself or his subjects He was an author of considerable talent and a monarch capable of successive reinventions Denied his earthly kingdoms he finally settled upon attaining a heavenly crown and was venerated by the Jacobites as a saint This powerful evocative and original book will appeal to anyone interested in Stuart history politics culture and military studies Charles II (Penguin Monarchs) Clare Jackson, 2016-03-31 Charles II has always been one of the most instantly recognisable British kings both in his physical appearance disseminated through endless portraits prints and pub signs and in his complicated mix of lasciviousness cynicism and luxury His father's execution and his own many years of exile made him a guarded curious unusually self-conscious ruler He lived through some of the most striking events in the national history from the Civil Wars to the Great Plague from the Fire of London to the wars with the Dutch Clare Jackson's marvellous book takes full advantage of its irrepressible subject *The Private Life of the Diary* Sally Bayley, 2016-04-21 Diaries keep secrets harbouring our fantasies and fictional histories They are substitute boyfriends girlfriends spouses and friends But in this age of social media the role of the diary as a private confidante has been replaced by a culture of public self-disclosure The Private Life of the Diary from Pepys to Tweets is an elegantly told story of the evolution and perhaps death of the diary It traces its origins to seventeenth-century naval administrator Samuel Pepys and continues to twentieth-century diarist Virginia Woolf who recorded everything from her personal confessions about her irritation with her servants to her memories of Armistice Day and the solar eclipse of 1927 Sally Bayley explores how diaries can sometimes record our lives as we live them but that we often indulge our fondness for self-dramatization like the teenaged Sylvia Plath who proclaimed herself The Girl Who Would be God This book is an examination of the importance of writing and self-reflection as a means of forging identity It mourns the loss of the diary as an acutely private form of writing And it champions it as a conduit to self-discovery allowing us to ask ourselves the question Who or What am I in relation to the world The Oxford

History of Life-writing Karen Anne Winstead, Alan Stewart, 2018 The Oxford History of Life Writing Volume 1 The Middle Ages explores the richness and variety of life writing in the Middle Ages ranging from Anglo Latin lives of missionaries prelates and princes to high medieval lives of scholars and visionaries to late medieval lives of authors and laypeople The Oxford History of Life Writing: Volume 2. Early Modern Alan Stewart, 2018-05-04 The Oxford History of Life Writing Volume 2 Early Modern explores life writing in England between 1500 and 1700 and argues that this was a period which saw remarkable innovations in biography autobiography and diary keeping that laid the foundations for our modern life writing The challenges wrought by the upheavals and the sixteenth century English Reformation and seventeenth century Civil Wars moulded British and early American life writing in unique and lasting ways While classical and medieval models continued to exercise considerable influence new forms began to challenge them The English Reformation banished the saints lives that dominated the writings of medieval Catholicism only to replace them with new lives of Protestant martyrs Novel forms of self accounting came into existence from the daily moral self accounting dictated by strands of Calvinism to the daily financial self accounting modelled on the new double entry book keeping This volume shows how the most ostensibly private journals were circulated to build godly communities how women found new modes of recording and understanding their disrupted lives how men started to compartmentalize their lives for public and private consumption The volume doesn't intend to present a strict chronological progression from the medieval to the modern nor to suggest the triumphant rise of the fact based historical biography Instead it portrays early modern England as a site of multiple sometimes conflicting possibilities for life writing all of which have something to teach us about how the period understood both the concept of a life and what it mean to write a life

If you ally obsession such a referred **Samuel Pepys The Unequalled Self** book that will pay for you worth, acquire the unquestionably best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.
