Samuel Johnson And Biographical Thinking:

Samuel Johnson and Biographical Thinking Catherine Neal Parke, 1991 Catherine N Parke offers new readings of Johnson's major prose writings the familiar and the not so familiar Through an inquiry into the centrality of biography in his thinking she examines Johnson's ideas about education portrays his habits of mind and explores his creative temperament

Domestick Privacies: Samuel Johnson and the Art of Biography David Wheeler, 1987 Biography was Samuel Johnson's favorite among literary genres and his *Lives of the Poets* is often regarded as the capstone of his career The central place of biography in his oeuvre is explored in this collection of nine original essays by leading Johnson scholars Varied in their focus and approach the essays range from a philosophical overview of Johnson's notion of the relation between life and art to a detailed reading of the *Life of Milton* to a speculation on the value of the *Lives* in the classroom Emerging clearly in the essays are the dual concerns artistic and intellectual

The Cambridge Companion to Samuel Johnson Greg Clingham, 1997-10-16 The Cambridge Companion to Samuel Johnson first published in 1997 provides an introduction to the works and intellectual life of one of the most challenging and wide ranging writers in English literary history Compiler of the first great English dictionary editor of Shakespeare biographer and critic of the English poets author both of the influential journal *Rambler* and the popular fiction *Rasselas* and one of the most engaging conversationalists in literary culture Johnson is here illuminatingly discussed from a different point of view Essays on his main works are complemented by thematic discussion of his views on the experience of women in the eighteenth century politics imperialism religion and travel as well as by chapters covering his life conversation letters and critical reception Useful reference features include a chronology and guide to further reading The keynote to the volume is the seamlessness of Johnson's life and writing and the extraordinary humane intelligence he brought to all his activities Accessibly written by a distinguished group of international scholars this volume supplies a stimulating range of approaches making Johnson newly relevant for our time

Samuel Johnson Lawrence Lipking, 2009-07-01 He was a servant to the public a writer for hire He was a hero an author adding to the glory of his nation But can a writer be both hack and hero The career of Samuel Johnson recounted here by Lawrence Lipking proves that the two can be one And it further proves in its enduring interest for readers that academic fashions today may be a bit hasty in pronouncing the death of the author A book about the life of an author about how an author is made not born Lipking's *Samuel Johnson* is the story of the man as he lived and lives in his work Tracing Johnson's rocky climb from anonymity to fame in the course of which he came to stand for both the greatness of English literature and the good sense of the common reader the book shows how this life transformed the very nature of authorship Beginning with the defiant letter to Chesterfield that made Johnson a celebrity *Samuel Johnson* offers fresh readings of all the writer's major works viewed through the lens of two ongoing preoccupations the urge to do great deeds and the sense that bold expectations are doomed to disappointment Johnson steers between the twin perils of ambition and despondency Mounting a challenge to the

emerging industry that glorified and capitalized on Shakespeare he stresses instead the playwright's power to cure the illusions of everyday life All Johnson's works reveal his extraordinary sympathy with ordinary people In his groundbreaking Dictionary in his poems and essays and in *The Lives of the English Poets* we see Johnson becoming the key figure in the culture of literacy that reaches from his day to our own *The Life of Samuel Johnson ... With Copious Notes and Biographical Illustrations, by Malone, Etc* James Boswell, 1829 *Domestick Privacies* David Wheeler, 1987-08-03 Biography was Samuel Johnson's favorite among literary genres and his *Lives of the Poets* is often regarded as the capstone of his career The central place of biography in his oeuvre is explored in this collection of nine original essays by leading Johnson scholars Varied in their focus and approach the essays range from a philosophical overview of Johnson's notion of the relation between life and art to a detailed reading of the *Life of Milton* to a speculation on the value of the *Lives* in the classroom Emerging clearly in the essays are the dual concerns artistic and intellectual that can be pursued in Johnson's biographical writings On the one hand they are complex creative works that reward literary analysis traditional and modern On the other with their wide range they offer a special insight into Johnson's eighteenth century world the state of biography at the time the tradition of English poetry literary criticism and its philosophical values and of course Johnson himself with his powers and failings *Domestick Privacies* thus offers important new perspectives not only to professed Johnsonians but to all who study biography criticism and the eighteenth century **Samuel Johnson After 300 Years** Greg Clingham, Philip Smallwood, 2009-05-28 To mark the tercentenary of Samuel Johnson's birth in 2009 the specially commissioned essays contained here review his scholarly reputation An international team of experts reflects authoritatively on the various dimensions of literary historical critical and ethical life touched by Johnson's extraordinary achievement The volume distinctively casts its net widely and combines consistently innovative thinking on Johnson's historical role with a fresh sense of present criticism Chapters cover subjects as diverse as Johnson's moral philosophy his legal thought his influence on Jane Austen and the question of the Johnson canon The contributors examine the larger theoretical and scholarly contexts in which it is now possible to situate his work and from which it may often be necessary to differentiate it All the contributors have a distinguished record of scholarship in eighteenth century studies Johnson scholarship and cultural history and theory

Constructing American Lives Scott E. Casper, 2018-07-25 Nineteenth century American authors critics and readers believed that biography had the power to shape individuals characters and to help define the nation s identity In an age predating radio and television biography was not simply a genre of writing says Scott Casper it was the medium that allowed people to learn about public figures and peer into the lives of strangers In this pioneering study Casper examines how Americans wrote published and read biographies and how their conceptions of the genre changed over the course of a century Campaign biographies memoirs of pious women patriotic narratives of eminent statesmen mug books that collected the lives of ordinary midwestern farmers all were labeled biography however disparate their contents and the contexts of their creation publication and dissemination Analyzing debates over how these diverse biographies should be written and read Casper reveals larger disputes over the meaning of character the definition of American history and the place of American literary practices in a transatlantic world of letters As much a personal experience as a literary genre biography helped Americans imagine their own lives as well as the ones about which they wrote and read

Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms

The Oxford Handbook of Samuel Johnson Jack Lynch, 2022-09-08 No major author worked in more genres than Samuel Johnson essays poetry fiction criticism biography scholarly editing lexicography translation sermons journalism His works are more extensive than those of any other canonical English writer and no earlier writer s life was documented as thoroughly by contemporaries Because it s so difficult to know him thoroughly people have made do with surrogates and simplifications But Johnson was much more complicated than the popular image of Dr Johnson suggests socially conservative but also one of the most radical abolitionists of his age a firm believer in social hierarchy but an outspoken supporter of women intellectuals an uncompromising Christian moralist but also a penetrating critic of family structures Labels fit him poorly In The Oxford Handbook of Samuel Johnson an international team of thirty six scholars offers the most comprehensive examination ever attempted of one of the most complex figures in English literature The book s first section examines Johnson s life and the texts of his works the second organized by genre explores all his major works and many of his minor ones the third organized by topic covers the subjects

that were most important to him as a writer as a thinker and as a moralist Systems Failure Andrew Franta, 2019-04-16

How eighteenth century writers stretched systems designed to explain social relations to their breaking point showing the flaws in their design The Enlightenment has long been understood and often understood itself as an age of systems In 1759 Jean Le Rond d'Alembert one of the architects of the Encyclopédie claimed that the true system of the world has been recognized developed and perfected In *Systems Failure* Andrew Franta challenges this view by exploring the fascination with failure and obsession with unpredictable social forces in a range of English authors from Samuel Johnson to Jane Austen Franta argues that attempts to extend the Enlightenment's systematic spirit to the social world prompted many prominent authors to reject the idea that knowledge is synonymous with system In readings of texts ranging from novels by Sterne Smollett Godwin and Austen to Johnson's literary biographies and De Quincey's periodical essays Franta shows how writers repeatedly take up civil and cultural institutions designed to rationalize society only to reveal the weaknesses that inevitably undermine their organizational and explanatory power Diverging from influential accounts of the rise of the novel *Systems Failure* audaciously reveals that in addition to representing individual experience and social reality the novel was also a vehicle for thinking about how the social world resists attempts to explain or comprehend it Franta contends that to appreciate the power of systems in the literature of the long eighteenth century we must pay attention to how often they fail and how many of them are created for the express purpose of failing In this unraveling literature arrives at its most penetrating insights about the structure of social life *Textual Vision* Timothy Erwin, 2015-03-06

A stylish critique of literary attitudes towards painting *Textual Vision* explores the simultaneous rhetorical formation and empirical fragmentation of visual reading in enlightenment Britain Beginning with an engaging treatment of Pope's Rape of the Lock Timothy Erwin takes the reader on a guided tour of the pointed allusion apt illustration or the subtle appeal to the mind's eye within a wide array of genres and texts before bringing his linked case studies to a surprising close with the fiction of Jane Austen At once carefully researched theoretically informed and highly imaginative *Textual Vision* situates textual vision at the cultural crossroads of ancient pictura poesis doctrine and modernist aesthetics It provides reliable interpretive poles for reading enlightenment imagery offers vivid new readings of familiar works and promises to invigorate the study of Restoration and eighteenth century visual culture *Boswell* Irma S. Lustig, 2021-11-21

These eleven original essays by well known eighteenth century scholars five of them editors of James Boswell's journal or letters commemorate the bicentenary of Boswell's death on May 19 1795 The volume illuminates both the life and the work of one of the most important literary figures of the age and contributes significantly to the scholarship on this rich period In the introduction Irma S. Lustig sets the tone for the volume She reveals that the essays examining Boswell as Citizen of the World are deliberately paired with those that analyze his artistic skills to emphasize that Boswell's sophistication as a writer is inseparable from his cosmopolitanism The essays in Part I focus on the relationship of the Enlightenment at home and abroad to Boswell's

personal development Marlies K Danziger restores to significant life the continental philosophers and theologians Boswell consulted in his search for religious certainty Peter Perreten examines Boswell's enraptured study of Italian antiquity and his responses to the European landscape Richard B Sher and Perreten document the personal and aesthetic influence of Henry Home Lord Kames Scottish jurist and leading Enlightenment figure on Boswell Michael Fry discusses Boswell's relationship with Henry Dundas political manager for Scotland and Thomas Crawford examines Boswell's long standing interest in the volatile political issues of the period including the French Revolution through his correspondence with William Johnson Temple In evaluation Boswell's performance as Laird of Auchinleck John Strawhorn documents his efforts to improve the estate by use of new agricultural methods The essays in Part II study aspects of Boswell's artistry in *Life of Johnson* the magnum opus that set a standard for biography Carey McIntosh examines Boswell's use of rhetoric and William P Yarrow offers a close scrutiny of metaphor Isobel Grundy invokes Virginia Woolf in demonstrating Boswell's acceptance of uncertainty as a biographer John B Radner reveals Boswell's self assertive strategies in his visit with Johnson at Ashbourne in September 1777 and finally Lustig examines as a subplot of the biography Johnson's patient efforts to win the friendship of Margaret Montgomerie Boswell An appendix by Hitoshi Suwabe serves scholars by providing the most exact account to date of Boswell's meetings with Johnson

Samuel Johnson: A Biography John Wain, 2017-09-12 John Wain presents a major biography of England's greatest man of letters He describes how Johnson often mixed with people who were desperate human wrecks some of whom were close friends to the end of his life he filled house with people who were not successes in the eyes of the world yet at the same time he conversed on equal and better than equal terms with the most important and brilliant people of that time

Johnson in Japan Kimiyo Ogawa, Mika Suzuki, 2020-10-16 The study and reception of Samuel Johnson's work has long been embedded in Japanese literary culture The essays in this collection reflect that history and influence underscoring the richness of Johnson scholarship in Japan while exploring broader conditions in Japanese academia today In examining Johnson's works such as the *Rambler* 1750-52 *Rasselas* 1759 *Lives of the Most Eminent English Poets* 1779-81 and *Journey to the Western Islands of Scotland* 1775 the contributors all members of the half century old Johnson Society of Japan also engage with the work of other important English writers namely Shakespeare Mary Shelley Jane Austen and Matthew Arnold and later Japanese writers including Natsume Soseki 1867-1916 If the state of Johnson studies in Japan is unfamiliar to Western academics this volume offers a unique opportunity to appreciate Johnson's centrality to Japanese education and intellectual life and to reassess how he may be perceived in a different cultural context Published by Bucknell University Press Distributed worldwide by Rutgers University Press

Editing Lives Jesse G. Swan, 2013-12-12 Central to all post Renaissance scholarship textual studies continues to evolve both in its techniques and methods as well as in the illumination it affords all other areas of modern knowledge The life of our fellow human beings and how we know and tell lives is one such

area of modern knowledge that is foundationally affected by theories and practices of textual creation transmission and apprehension This collection of new essays and studies by internationally acclaimed scholars along with a select few who are less acclaimed but of distinct promise provides a view into the contemporary state of scholarship in textual and biographical studies The collection also means to be of especial interest to scholars of the British eighteenth century by concentrating its evidence and argument on topics and subjects important to contemporary eighteenth century studies The volume is inspired by the extensive contributions to the fields by the late O M Brack Jr

Reconsidering Biography Martine Watson Brownley, 2012 Although Sir John Hawkins's *Life of Johnson* has long been an essential source for readers interested in Samuel Johnson for over two hundred years now Hawkins's biography has been systematically misread misinterpreted and misunderstood *Reconsidering Biography* opens a long needed critical debate on Hawkins's achievement as a biographer and in the process argues for important changes in prevailing scholarly views of Hawkins Johnson and English biography itself
