Samuel Taylor Coleridge In Malta And Italy:

Samuel Taylor Coleridge in Malta and Italy Donald Sultana, 1969 **The Life of Samuel Taylor Coleridge** Rosemary Ashton, 1998-01-06 Rosemary Ashton explores the many facets of Samuel Taylor Coleridge's complex personality by turns poet critic thinker enchanting companion feckless husband fabled conversationalist and guilt ridden opium addict *Samuel Taylor Coleridge and the Fine Arts* Morton D. Paley, 2008-07-10 In a fascinating account of picture collections in the early 19th century through the eyes of a great English poet Morton Paley tells the story of Coleridge's initiation into art in England and his further exploration in Rome He describes the collections Coleridge saw and his thoughts about the arts and about specific works **The Notebooks of Samuel Taylor Coleridge** Samuel Taylor Coleridge, 1957 This final volume of Bollingen Series L covers the material Coleridge wrote in his notebooks between January 1827 and his death in 1834 In these years Coleridge made use of the notebooks for his most sustained and far reaching inquiries very little of which resulted in publication in any form during his lifetime Twenty eight notebooks are here published in their entirety for the first time entries dated 1827 or later from several more notebooks also appear in this volume Following previous practice for the edition notes appear in a companion volume Coleridge's intellectual interests were wide encompassing not only literature and philosophy but the political crises of his time scientific and medical breakthroughs and contemporary developments in psychology archaeology philology biblical criticism and the visual arts In these years he met and conversed with eminent writers scholars scientists churchmen politicians physicians and artists He planned a major work on Logic still unpublished at his death and an outline of Christian doctrine also unfinished though his work toward this project contributed to *On the Constitution of the Church and State* 1830 and the revised *Aids to Reflection* 1831 The reader of these notebooks has the opportunity to see what one of the most admired minds of the English speaking world thought on several issues such as race and empire science and medicine democracy particularly in reaction to the Reform Bills introduced in 1831 and 1832 and the authority of the Bible when he wrote without fear of public disapprobation or controversy **Samuel Taylor Coleridge** W. Christie, 2006-10-13 The most sustained criticism and ambitious theory that had ever been attempted in English the *Biographia* was Coleridge's major statement to a literary culture in which he sought to define and defend all imaginative life This book offers a reading of Coleridge in the context of that culture and the institutions that comprised it **The Collected Works of Samuel Taylor Coleridge, Volume 14** Samuel Taylor Coleridge, 2019-08-06 Volume 2 of 2 Coleridge's nephew son in law and first editor Henry Nelson Coleridge began at the end of 1822 a record of Coleridge's remarks as a way of preparing an anthology of the interests and thought of the great poet and critic His manuscripts gathered to form the major text of his new edition include passages on relatives friends and various censorable topics omitted from the *Table Talk* of 1835 and unpublished until now These two volumes also contain talk recorded by other listeners from 1798 until Coleridge's death in 1834 Some of these records have not been previously published some are published from manuscripts that differ

from versions previously known Also included are previously unpublished remarks by Wordsworth Along with a bibliography of earlier editions of Table Talk and other useful appendixes Carl Woodring's edition reprints the second edition 1836 which differs from the manuscripts more extensively than the edition of 1835 This is the first fully annotated edition of a work that long remained more popular in the United Kingdom than any of the works in prose published by Coleridge himself The two volumes make a convenient encyclopedia of his ideas and interests Carl Woodring is George Edward Woodberry Professor of Literature Emeritus at Columbia University Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Collected Works of Samuel Taylor Coleridge* Samuel Taylor Coleridge, 2019 **Malta, Britain, and the European Powers, 1793-1815** Desmond Gregory, 1996 This book describes how the island of Malta became a protectorate of the British Crown during the wars against Napoleon after the failures of the Knights of Saint John republican France the Two Sicilies and finally imperial Russia to fill the role of its best defender Author Desmond Gregory also explains why most though not all Maltese people welcomed the protection of Britain the supreme naval power in the Mediterranean after the battle of Aboukir Bay

The Oxford Handbook of Samuel Taylor Coleridge Frederick Burwick, 2012-02-24 A practical and comprehensive reference work the Oxford Handbook provides the best single volume source of original scholarship on all aspects of Coleridge's diverse writings Thirty seven chapters bringing together the wisdom of experts from across the world present an authoritative in depth and up to date assessment of a major author of British Romanticism The book is divided into sections on Biography Prose Works Poetic Works Sources and Influences and Reception The Coleridge scholar today has ready access to a range of materials previously available only in library archives on both sides of the Atlantic The Bollingen edition of the Collected Works of Samuel Taylor Coleridge forty years in production was completed in 2002 The Coleridge Notebooks 1957 2002 were also produced during this same period five volumes of text with an additional five companion volumes of notes The Clarendon Press of Oxford published the letters in six volumes 1956 1971 To take full advantage of the convenient access and new insight provided by these volumes the Oxford Handbook examines the entire range and complexity of Coleridge's career It analyzes the many aspects of Coleridge's literary critical philosophical and theological pursuits and it furnishes both students and advanced scholars with the proper tools for assimilating and illuminating Coleridge's rich and varied accomplishments as well as offering an authoritative guide to the most up to date thinking about his achievements *The Poetical and Dramatic Works of S. T. Coleridge* Samuel Taylor Coleridge, 1861 **Coleridge's Submerged Politics** Patrick J. Keane, 1994 Part II argues that imagery and plot developments in *The Ancient Mariner* reflect

political events between November 1797 and March 1798 the months when Coleridge was writing and revising his poem and contributing anti Pittite verses and essays to the widely read opposition newspaper the Morning Post

Coleridge and Liberal Religious Thought Graham Neville,2010-02-28 Few figures who were active in the English Romantic Movement are as fascinating as Samuel Taylor Coleridge 1772 1834 Aside from his own visionary verse Coleridge is famous for his colourful friendships with fellow poets Wordsworth and Southey and above all for his well documented drug taking and creative use of opium But it is less widely appreciated that he was also a key figure in Anglican thought whose writings are continually referred to by modern Anglican theologians Coleridge s journey from the Unitarianism of his father towards a later commitment to Anglican Trinitarianism of a type he had rejected in his youth involved a rigorous philosophical process of imaginative liberal thinking Over the last 200 years that thinking has provided Anglicanism with many valedictory tools as well as a measure of robust self belief Offering a major contribution both to religious history and the history of ideas Graham Neville here charts the particular liberal tradition in British religious thought which stems directly from Coleridge He shows why Coleridge s thought remains so significant and traces the ways in which his subject s theological ideas profoundly influenced later British writers and scholars like F D Maurice F J A Hort F W Robertson B F Westcott John Oman and Thomas Erskine once called the Scottish Coleridge Dr Neville further relates the pioneering ideas of Coleridge to current developments in theology and scientific method

A Coleridge Companion John Spencer Hill,1984-06-07 [The Poetical Works of S.T. Coleridge](#) Samuel Taylor Coleridge,1875

The Correspondence of Washington Allston Nathalia Wright,2014-07-15 Washington Allston 1779 1843 the first major American artist trained in Europe produced important paintings explored sculpture and architecture and published poetry and art criticism On his return to America he became influential in the cultural and intellectual life of New England Allston knew everyone and corresponded with many of the leading figures of his day including Wordsworth Longfellow Irving Sully and Morse Nathalia Wright s edition is the most comprehensive work to date on Allston bringing together all known letters by and to him and describing his principal activities in years for which correspondence is lacking Allston holds an important place in the history of American culture and European art and has long deserved such a volume which offers a fascinating view of the world of arts and letters during the early American flowering

Continental Crosscurrents J. B. Bullen,2005-08-25 Continental Crosscurrents is a series of case studies reflecting British attitudes to continental art during the nineteenth and the early twentieth centuries It stresses the way in which the British went to the continent in their search for origins or their pursuit of sources of purity and originality This cult of the primitive took many forms it involved a reassessment of medieval German and Italian art and offered new ways of interpreting Venetian painting it opened up new readings of architectural history and the discovery of the Romanesque it generated a debate about the value of returning to religious subjects in art and it raised the question of the relationship between modern art and Byzantine art in the early twentieth century J B Bullen s original study presents

some exciting findings Few critics have noticed how much in advance of his time was Coleridge s passion for medieval art Ruskin s debt in the Stones of Venice to Victor Hugo s Notre Dame de Paris has hardly been noted and Browning s involvement with the debate on the morality of Christian art is explored more extensively than previously Three chapters are devoted to the role of British criticism in identifying the Romanesque style in architecture and differentiating it from the Gothic They trace the concept as it arose in criticism at the beginning of the nineteenth century its employment in the remarkable buildings of Edmund Sharpe and Sara Losh and the way in which it reached a climax in Waterhouse s enigmatic choice of Romanesque for the Natural History Museum in London The collection concludes with two continental episodes from the history of modernism One is the explosive British reaction to the primitivism of Gauguin the other involves the identifying of one of the characters in D H Lawrence s novel Women in Love Curious evidence suggests that the malevolent figure of Loerke was based on a German sculptor whom Lawrence met in Italy before the First World War

Portraits of Coleridge Morton D. Paley,1999 What do the portraits of a great poet tell us about his life his image of himself and the ideas of him held by his friends and his public Portraits of Coleridge attempts to answer this question with respect to the author of The Rime of the Ancient Mariner and Kubla Khan It also provides a critical and scholarly study of the portraits as works of art considering the place of each in the career of the artist who produced it All the life portraits are discussed in detail catalogued and wherever there is an extant photograph reproduced As many verbal descriptions by contemporaries as possible are reprinted for the sake of comparison A concluding essay on posthumous portraits of Coleridge considers how they reflect changes in the public s attitude toward their subject Both a contribution to the biography of Coleridge and an essay in the history of literary and artistic taste this book is for readers interested in English poetry in Romantic portraiture and in the relationship between literature and the visual arts

The Warm South Robert Holland,2018-10-02 An evocative exploration of the impact of the Mediterranean on British culture ranging from the mid eighteenth century to today Ever since the age of the Grand Tour in the eighteenth century the Mediterranean has had a significant pull for Britons including many painters and poets who sought from it the inspiration beauty and fulfillment that evaded them at home Referred to as Magick Land by one traveler dreams about the Mediterranean and responses to it went on to shape the culture of a nation Written by one of the world s leading historians of the Mediterranean this book charts how a new sensibility arose from British engagement with the Mediterranean ancient and modern Ranging from Byron s poetry to Damien Hirst s installations Robert Holland shows that while idealized visions and aspirations often met with disillusionment and frustration the Mediterranean also offered a notably insular society the chance to enrich itself through an imagined world of color carnival and sensual self discovery

Coleridge Katharine Cooke,2016-06-17 First published in 1979 this book provides thorough a guide through Coleridge s diverse body of work looking not just his poetry but also his literary criticism and theories plays political journalism and theory and writings on religion and philosophy The author is careful to avoid emphasising one aspect

of his work over another and consequently the whole emerges as a richer more complete body of thought less esoteric and more concerned with the world It challenges the notion of the damaged archangel showing he was a successful playwright long standing contributor to one of the foremost papers of the day and a literary figure of note in touch with leading thinkers and writers *Dante and Italy in British Romanticism* F. Burwick, 2011-09-26 From the artistic practice of improvisation to the politics of nationalism the essays in this volume break new ground and significantly extend our understanding of the relations between British and Italian culture in its analysis of the reception of Dante and Italian literature in British Romanticism

If you ally habit such a referred **Samuel Taylor Coleridge In Malta And Italy** ebook that will present you worth, acquire the extremely best seller from us currently from several preferred authors. If you want to witty books, lots of novels, tale, jokes, and more fictions collections are plus launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections Samuel Taylor Coleridge In Malta And Italy that we will utterly offer. It is not nearly the costs. Its virtually what you infatuation currently. This Samuel Taylor Coleridge In Malta And Italy, as one of the most effective sellers here will certainly be in the midst of the best options to review.
