Mrs Zender's mansion is crammed with memorabilia of her long life and there is a story to go with every piece. Soon the boys find themselves caught up in one particular story, a story that links a sketch of a young boy's life, an old man's reminiscence, and a painful secret dating back to the outrages of Nazi Germany. It's a story that will take them to the edge of what they know about heroism and the mystery of the human heart. Two-time Newbery winner E. L. Konigsburg spins a magnificent tale of art, discovery, friendship, history, and truth.

The Outcasts of 19 Schuyler Place E.L. Konigsburg, 2011-06-28 E. L. Konigsburg revisits the town of Epiphany to tell the story of Margaret Rose Kane, Connor's older half-sister. It's about the summer when Margaret Rose turned twelve, the same year that Cabbage Patch dolls were popular, that Sally Ride became the first woman to go into space, that El Niño turned the world upside down. Margaret Rose begins her summer with a miserable experience at camp from which she is rescued by her beloved eccentric uncles. Little does she know that her uncles, in turn, need rescuing themselves from a tyrannical city council determined to tear down her uncles' life work: three spectacularly beautiful towers that her uncles have been building since before Margaret was a baby. A rousing book about intelligence, art, and the fierce preservation of individuality from E. L. Konigsburg.

The View from Saturday E.L. Konigsburg,2010-12-21 From the Newbery Medal winning author of the beloved classic *From the Mixed Up Files of Mrs Basil E Frankweiler* comes four jewel like short stories one for each of the team members of an Academic Bowl team that ask questions and demonstrate surprising answers How had Mrs Olinski chosen her sixth grade Academic Bowl team She had a number of answers But were any of them true How had she really chosen Noah and Nadia and Ethan and Julian And why did they make such a good team It was a surprise to a lot of people when Mrs Olinski s team won the sixth grade Academic Bowl contest at Epiphany Middle School It was an even bigger surprise when they beat the seventh grade and the eighth grade too And when they went on to even greater victories everyone began to ask How did it happen It happened at least partly because Noah had been the best man quite by accident at the wedding of Ethan s grandmother and Nadia s grandfather It happened because Nadia discovered that she could not let a lot of baby turtles die It happened when Ethan could not let Julian face disaster alone And it happened because Julian valued something important in himself and saw in the other three something he also valued Mrs Olinski returning to teaching after having been injured in an automobile accident found that her Academic Bowl team became her answer to finding confidence and success What she did not know at least at first was that her team knew more than she did the answer to why they had been chosen Throwing Shadows E.L. Konigsburg,2011-07-26 Five short stories are told in the first person all crisp and compactly tailored in setting forth their common theme of self awareness Booklist starred review
