Sir Samuel Walker Griffith

Samuel Walker Griffith:

The Life of the Right Honourable Sir Samuel Walker Griffith ... Austin Douglas Graham, 1939 By reason of the time limit for the moment placed upon me I have decided to confine the consideration of my subject to the following matters I propose briefly to refer to his birth in Wales and emigration to Australia and to his early and university education and then at more length to his visit as has himself recorded it to the old world as the holder of the Mort Travelling Scholarship Thereafter I shall speak of his call to the Bar of Queensland and his successes there and so will come to the commencement of his political career At that point I shall discuss the conditions of the Colony of Queensland at the time of his first election and their effect upon his political appearance I must deal at some length with his political life and in particular I shall attempt to show how far he succeeded and where he failed in the two main issues of his fighting creed the defeat of the power of the Squattocracy and a White Australia I shall naturally make reference necessarily but regrettably short to the benefits he conferred upon this state by his non contentious legislation in the matters of law reform and education Time will not permit I fear of my paying the full mead of praise which his efforts toward the Federation of the Australian States deserve but I propose to speak at length of his career as Chief Justice first of Queensland and then of Australia Introductory page 2 **Sir Samuel Walker Griffith Papers**, 1882 Collection of 10 letters received by Sir Samuel Griffith **OM91-07 Sir Samuel Walker Griffith Papers** Sir Samuel Walker Griffith, 1882 Papers of Sir Samuel Walker Griffith *Samuel Walker Griffith R. Public Service Board,1902 *The Queensland Caesar* Denver Beanland,2013 This new book provides a fresh analysis of Queensland during the colonial era It provides new insights into Queenslands past Sir Thomas McIlwraith thundered across Queensland s political and business landscape for 30 years The three times Premier took bold and audacious actions and had the energy and motivation to drive not only the colony s economic development but also his own business enterprises The biography analyses McIlwraith s progressive beliefs in economic development European settlement railways responsible government nationalism federation republicanism defence and foreign policy issues that are as relevant today as they were in the colonial era The publication narrates the history of one of Queensland great political figures charting the trials and tribulations of arguably one of the most significant Scotsmen to come to the Antipodes Modern day historians have presented McIlwraith as a larger than life conservative entrepreneur rather than a classical laissez faire liberal who strived to make Queensland the premier colony of Australia
