Afoot and Afield: Inland Empire Money David, Money Jennifer, 2010-03-12 The Inland Empire, the area east of Los Angeles and located primarily in San Bernardino and Riverside counties, is known as Southern California's big backyard. And with its mountain foothill valley and desert recreational opportunities, it's a hiker's paradise. Afoot Afield: Inland Empire describes nearly 200 noteworthy hikes ranging from easy to very strenuous in this first comprehensive hiking guide to the length and breadth of Inland Empire. These hikes explore Southern California's three tallest mountains, the stark beauty of the high desert including Joshua Tree National Park and Mojave National Preserve, as well as trails that wind through urban and regional parks. Each hike is shown on custom-created maps that also include GPS waypoints; the maps alone are worth the price of the book. *Map San Bernardino Mountains* Wilderness Press, 2016-05-10 This completely updated full-color recreation map covers the San Bernardino, Santa Rosa, and San Jacinto mountains, including Lake Arrowhead, Big Bear Lake, San Gorgonio Wilderness, and San Jacinto State Park. The map is a suggested companion to John Robinson's classic guide, *San Bernardino Mountain Trails*.
