*Discerning Welcome* Ellen Clark Clemot,2022-03-22 Gold Medal Winner Illumination Award 2023 Welcoming the undocumented resident refugee into the life of the polis is a challenge for some communities and a moral imperative for others This books provides a Christian ethic for church leaders congregants and their churches to discern a way of welcoming their neighbors who are refugees residing in the US without authorization Grounded in political theology and the Presbyterian Reformed faith tradition the ethical debates presented here and the legal overview of US immigration and alienage laws applicable to the undocumented resident lead to practices of worship witness and welcome for churches that can be tailored to different contexts When Jesus challenged the sharp lawyer to love his neighbor as himself the lawyer asked Jesus who is my neighbor Jesus responded by telling him the parable of the Good Samaritan Then Jesus asked the lawyer who was a neighbor to the man who fell into the hands of the robbers And the crestfallen lawyer answered the one who showed him mercy Jesus told him to go and do likewise This book assists faith communities to find mercy for those undocumented refugee neighbors who many would condemn It points a path towards doing the likewise of mercy in ethically defensible ways

The Prophet Amos Speaks to America Bruce G. Epperly,2022-10-21 The prophet Amos is known for fiery messages directed at the elites of the northern kingdom of Israel in ancient times Can this prophet also speak to us in America today This book looks at the message that Amos proclaimed and applies it to parallel situations in modern America Issues such as the worship of wealth greed privilege and elites living off the labor of others are more similar in these two times and places than one might initially assume How can we respond as people of faith to the evils of our own time Are we responsible to notice and take action Is taking such action part of our faith If we listen to the prophet Amos the answer is a resounding yes God cares about the weak the oppressed and the downtrodden and looks to those with the means to help implement change We are truly asked to take responsibility for the well being of our neighbor Christians would be especially challenged by this

book and the message of the prophet Amos because so much of that message was also proclaimed by Jesus who based judgment on how one treated the least rather than those who are great With study and thought questions with each chapter and an abundance of suggestions for practical action this book is a great tool to use in a church wide study combined with a call to action     Proposed Southern California Lease Offering, February, 1984 ,1983     **Southern California OCS (Outer Continental Shelf) Oil and Gas Lease Sale, 1984** ,1983     **Athenaeum and Literary Chronicle** ,1911     Ancient Building in South Syria and Palestine George R.
