Gwenda'S Home Baking: Country Style Gwenda Davis, Wilma Martin, 2014-02-03 About ten years ago Mum gave me two of her old exercise books which contained a lot of handwritten recipes she had collected since 1953 I transcribed these to preserve them for posterity as the ink was fading and was difficult to read I remember using these books as a teenager on the farm baking on weekends to fill the cookie jar and make some cakes for the farm hands As a lover of good home baking Mums recipes have always been there to produce some of those nostalgic smells of freshly baked cakes and biscuits I loved baking for my kids when they were growing up and they always preferred Mums baked cakes and biscuits over anything bought from the supermarkets Mum has seen it all whilst on the farm Shes been through droughts and floods good and bad times and has had her share of adversities She is a survivor of breast cancer and is currently cancer free She has been an inspiration to all of us growing up and this is one way of giving a little of that back I have three sisters and we all cannot stress enough to all women to keep vigilant with self examination and mammograms as early detection will equal early intervention and good outcomes I use a lot of these recipes for fundraisers
