battles of our time O'Connor's tie-breaking opinions on issues such as abortion rights affirmative action the death penalty and religious freedom will have a lasting effect far into the future O'Connor also cast one of the five votes that cut off the Florida recounts and allowed George W. Bush to take the White House in the 2000 contested presidential election With an eye to the American people and a keen sense of public attitudes she worked behind the scenes to shape the law and transform the legal standards by which future cases will be decided From O'Connor's isolated upbringing on the Lazy B ranch in Arizona through her time as a state legislator to her rise as a justice along the way confronting her own personal challenges and crises including breast cancer Biskupic presents a vivid astute depiction of the justice and of the woman beneath the black robe In so doing Sandra Day O'Connor also provides an unprecedented look inside the exclusive famously secretive High Court
