## **Sans Souci And Other Stories:**

**Sans Souci** Dionne Brand, 2023-04-25 The breathtaking debut short story collection first published in 1989 from one of Canada's most original and influential writers. Newly available in a special reissue edition from Knopf Canada. This is political art at its searing best. *The Women's Review of Books*. Since her the appearance of her novel *In Another Place Not Here* which was a New York Times Notable Book in 1998 award winning author Dionne Brand has become one of the most revered figures in Canadian fiction. *Sans Souci* is Brand's bold fiction debut collecting eleven stories that breathe life and language into the lives of women in the Caribbean and the Black diaspora often dealing with the process and aftermath of transit and arrival. Brand's fiction dissects sexual violence, racial prejudice and war while attending to the full spectrum of experiences of those who live in the shadow of a shared colonial past, experiences encompassing both joy and sorrow, release and constraint. Now available for the first time in more than a decade, *Sans Souci and Other Stories* is a foundational work from one of our most cherished literary artists and thinkers.

*The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre. It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood, Mavis Gallant, Alice Munro, Carol Shields and many others. Yet in contrast to the stature and popularity of the genre and the writers who partake in it, surprisingly little literary criticism and theory has been devoted to the Canadian short story. This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well-known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century. A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada, the US and Great Britain via representative examples completes it. The collection is geared both to specialists in and to students of Canadian literature. For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story. Reingard M. Nischik is professor and chair of American Literature at the University of Constance, Germany.

*The Gayety & Other Stories* Thomas McCavour, *The Gayety Other Stories* is a fourth collection of short stories by Thomas McCavour. *The Gayety* is a story about two singers modelled after the lives of Nelson Eddy and Jeanette MacDonald. *Robo* is a story about artificial intelligence and robots. *Milly and Sandy* is about a mother-daughter relationship. *Bones Among the Dunes* is a story about hostage-taking. *Dudley George* is a true story about a dispute over indigenous land. *Love Triangle Lost* is about infidelity and its reward. *Eight Ball* is a lesbian love story. *The 6th Sense* is a story about a clairvoyant boy who foresaw the destruction of Hiroshima, Nagasaki and the end of World War II. *The Star* is a story about a tree ornament that relates what it has seen. *G Men G Strings* is a murder story. *Yes I Remember It Well* is about an Alzheimer victim who becomes an inspirational speaker. *A Twin's Tale* is a story about a mother that seduces her twin daughter's

Nischik,2007-10-25 In the last thirty years of the twentieth century Canadian federal governments offered varying degrees of support for literary and other artistic endeavour A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad Translating Canada examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers novelists and poets playwrights and children s authors literary and social critics Above all the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values The chapters in this collection will be of value to students teachers and scholars in a number of fields Informed lay readers too will appreciate the authors insights into the different ways in which translation
