Georgia O'Keeffe, A Private Friendship, Part II Nancy Hopkins Reily,2014-12-01 The time is 1946 From Georgia O Keeffe s old hacienda sitting on a bluff in Abiquiu New Mexico she could see my aunt and uncle Helen and Winfield Morten s property across the Chama River Georgia had begun the restoration of her property The Mortens in the final stages of purchasing land along the Chama River had recently completed their restoration of another old hacienda they called Rancho de Abiquiu As one of few Anglos in the Chama River valley Georgia ventured over to Rancho de Abiquiu to introduce herself and a private friendship resulted with the Mortens and their family In this close family circle Georgia revealed herself and proved that beneath her bare face there was more to her than just an artist of legendary proportions Nancy Hopkins Reily spent many of her childhood days walking the Abiquiu and Ghost Ranch land She explored the canyons the White Place Echo Amphitheater the mountains and the Chama River by walking the trails worn by earlier moccasined feet In a seamless clear and straightforward narrative of excerpts from their lives Reily presents Georgia in a time window of her age The book features Reily s youthful experiences letters from Georgia glimpses of the family s memorabilia and photographic snapshots all gracefully woven into the forces of the contemporaneous scene that shaped their friendship In addition there are insights into the land s beauty times culture history and the people who surrounded Georgia as well as many minute details that should be remembered and which are often overlooked by others when they speak of Georgia O Keeffe *Georgia O'Keeffe, a Private Friendship* Nancy Hopkins Reily,2007 In a seamless clear and straightforward narrative of excerpts from their lives Reily presents Georgia O Keeffe in a time window of her age The book features Reily s youthful experiences letters from

Georgia and glimpses of the family's memorabilia and photographic snapshots County Business Patterns ,1976 **A**

Contested Art Stephanie Lewthwaite,2015-10-01 When New Mexico became an alternative cultural frontier for avant garde Anglo American writers and artists in the early twentieth century the region was still largely populated by Spanish speaking Hispanos Anglos who came in search of new personal and aesthetic freedoms found inspiration for their modernist ventures in Hispano art forms Yet when these arrivistes elevated a particular model of Spanish colonial art through their preservationist endeavors and the marketplace practicing Hispano artists found themselves working under a new set of patronage relationships and under new aesthetic expectations that tied their art to a static vision of the Spanish colonial past In *A Contested Art* historian Stephanie Lewthwaite examines the complex Hispano response to these aesthetic dictates and suggests that cultural encounters and appropriation produced not only conflict and loss but also new transformations in Hispano art as the artists experimented with colonial art forms and modernist trends in painting photography and sculpture Drawing on native and non native sources of inspiration they generated alternative lines of modernist innovation and mestizo creativity These lines expressed Hispanos cultural and ethnic affiliations with local Native peoples and with Mexico and presented a vision of New Mexico as a place shaped by the fissures of modernity and the dynamics of cultural conflict and exchange A richly illustrated work of cultural history this first book length treatment explores the important yet neglected role Hispano artists played in shaping the world of modernism in twentieth century New Mexico *A Contested Art* places Hispano artists at the center of narratives about modernism while bringing Hispano art into dialogue with the cultural experiences of Mexicans Chicanas/os and Native Americans In doing so it rewrites a chapter in the history of both modernism and Hispano art Published in cooperation with The William P Clements Center for Southwest Studies Southern Methodist University **The Camera as Actor** Amy Cox Hall,2020-11-29 Looking beyond the impact photographs have on the perpetuation and expression of social norms and stereotypes and the influence of the act of taking a photograph this new collection brings together international scholars to examine the camera itself as an actor Bringing the camera back into view this volume furthers our understanding of how and in what ways imaging technology shapes us our lives and the representations out of which we fashion knowledge base our judgments and ultimately act Through a broad range of case studies the authors in this collection make the convincing claim that the camera is much more than a mechanical device brought to life by the photographer This book will be of interest to scholars in photography visual culture anthropology and the history of photography
