Second Chances 1st Edition:

Once Upon a Second Chance Marian Vere, 2012-11-06 Julia's life seemed to be falling perfectly into place. She had burgeoning job prospects in the finance industry, an exciting life in New York City, and a wonderful fiancé Nick Kerkley, who she was totally in love with. Nick, however, while being completely devoted to Julia, did not have the career potential or financial stability to be worthy of someone like her. Or at least that's what she came to convince herself. Hesitantly, Julia ended the relationship, forcing herself to believe it would all be for the best. Little did she know that one decision would lead both their lives to spiral away from each other, only to converge again. What happens to your fairytale when you let someone else wave the magic wand? Will your dreams of love and enchantment still come true, or will your happily ever after pass by without you? Once Upon a Second Chance is a contemporary retelling of Jane Austen's *Persuasion*.

The Rancher's Second Chance Maddie James, Parker Ranches Inc Book 1 This western romance novel is your introduction to the Parker Ranches Inc cowboy romance series. A reluctant rancher. A lonely librarian. A family in shambles. Can the rancher risk a second chance at love? When John Rankin's wife dies, leaving him with two children to raise, he wonders how he can take care of a family and run a working cattle ranch too. Annie's domain was home, hearth, and the kids. Her dying put a hole in his day-to-day existence like nothing he'd ever before experienced, not only in his rancher lifestyle but also in his heart. As the months roll on, his heart is only one of his problems when eleven-year-old Callie rebels. Missing her mom and unsure how her life is unfolding, Callie pushes back at every turn, and John is unsure how to help her. Then his friend and farm manager Buck McGinnis suggests John seek the counsel of a woman for advice dealing with a moody pre-teen female. He wants to introduce John to his friend Abby Cooper. John is reluctant but eventually caves to Buck's advice. Suddenly, life becomes more complicated. The Parker Ranches Inc series launches with the novella *The Rancher's Second Chance*, establishing the historical perspective of the original Parker Ranch, the patriarch of the present-day family John Rankin, and his second chance at love and healing his family. The Parker Ranches Inc series is a contemporary western romance series written by award-winning and bestselling romance author Maddie James. Linked by strong family relationships, these stories take place in multiple ranch settings in Montana: Rankin's Rock Creek Ranch, The Branded Filly Ranch, South Dakota Sweet Grass Ranch, Texas, and Kentucky Remington Ranches. The Parker and Rankin families, Montana ranchers for generations, anchor the series and lay the foundation for stories to come. As families grow, forming new ranch partnerships, you'll also meet the MacKay and Remington families, among others. Parker Ranches Inc books are romance stories with happily ever after endings. Some are sweet, most are steamy, and a few are romantically erotic. These novels and novellas always feature cowboy heroes and the women who love them, often with complicated relationships and external challenges. Welcome to the world of Parker Ranches Incorporated.

These Kids Kysa Nygreen,2013-05-07 Few would deny that getting ahead is a legitimate goal of learning but the phrase implies a cruel hierarchy a student does not simply get ahead but gets ahead of others In *These Kids* Kysa Nygreen turns a critical eye on this paradox Offering the voices and viewpoints of students at a last chance high school in California she tells the story of students who have in fact been left behind Detailing a youth led participatory action research project that she coordinated Nygreen uncovers deep barriers to educational success that are embedded within educational discourse itself Struggling students internalize descriptions of themselves as at risk low achieving or troubled and by adopting the very language of educators they also adopt its constraints and presumption of failure Showing how current educational discourse does not ultimately provide an adequate vision of change for students at the bottom of the educational hierarchy she levies a powerful argument that social justice in education is impossible today precisely because of how we talk about it
