Second Peter And Jude An Expositional Commentary:

Second Peter and Jude D. Edmond Hiebert, 1989 Second Peter and Jude have been called the dark corner of the New Testament writes D Edmond Hiebert in the preface to this volume his latest work He suggests that the label dark results from the mistaken notion that these epistles deal with obsolete issues or that they contain so many things hard to be understood He insists however that Second Peter and Jude are of abiding spiritual importance for our own troubled and turbulent days In a clear concise style Dr Hiebert attempts to cast light into this dark corner With balanced scholarly research Dr Hiebert not only interprets particular phrases and verses in 2 Peter and Jude but he also strives to relate these smaller components to the overall message of each epistle The author also explores the relationship of 2 Peter and Jude to each other Always there is the practical emphasis on how these epistles relate to modern believers Back cover *Jude and 2 Peter (Baker Exegetical Commentary on the New Testament)* Gene Green, 2008-11-01 In this new addition to the award winning BECNT series respected New Testament scholar and biblical interpretation expert Gene Green offers a substantive yet highly accessible commentary on the books of Jude and 2 Peter With extensive research and thoughtful chapter by chapter exegesis Green leads readers through the sociological historical and theological aspects of these New Testament books As with all BECNT volumes Jude and 2 Peter features the author's detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication and pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers The user friendly design includes shaded chapter introductions summarizing the key themes of each thought unit **James, 1-2 Peter, Jude, Revelation** Robert Mulholland, Grant Osborne, 2016-09-26 The Cornerstone Biblical Commentary series provides up to date evangelical scholarship on the Old and New Testaments Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text The commentary series has been structured to help readers understand the meaning of Scripture passage by passage through the entire Bible The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts That's why we call it The Truth Made Clear About the authors of this volume Grant R Osborne PhD University of Aberdeen is Professor of New Testament at Trinity Evangelical Divinity School He has authored and edited numerous books including The Hermeneutical Spiral and many commentaries on the New Testament M Robert Mulholland Jr ThD Harvard Divinity School is vice president of Asbury Seminary and an expert in New Testament and Christian Origins and spiritual formation His several books include The Deeper Journey and contributions to the Dictionary of Jesus and the Gospels He is also a frequent speaker at Bible and spiritual renewal conferences **Exalting**

Jesus in 2 Peter, Jude James Shaddix, 2018-09-01 Exalting Jesus in 2 Peter and Jude is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation It s not academic but rather presents an easy reading practical and friendly commentary The authors of Exalting Jesus in 2 Peter and Jude are Danny Akin and Jim Shaddixx A Structural Commentary on the So-Called Antilegomena Kalina Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter s author with its correct or incorrect interpretation Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction a positive attitude signifying salvation and a negative attitude signifying annihilation This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching Part 1 of the commentary 2 Pet 1 2 focuses on the misinterpretation of this teaching by false teachers and their followers Their eschatological scepticism is ridiculed and their grim fate described As the starting point for this description and Peter s whole line of argumentation 2 Pet 2 3b is taken the thesis is that God s inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed Part 2 of the commentary 2 Pet 3 focuses on the proper interpretation of this teaching and on laying out the principles of the letter author s hermeneutics This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events In explaining the principles of his hermeneutic the letter s author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition The starting point of Peter s line of argumentation was taken to be 2 Pet 3 5 7 with its thesis of God s creative and destructive word and God s sovereign will regarding the preservation of creation and the appointment of the time of judgement This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1 2

The MacArthur New Testament Commentary Set of 31 volumes John F MacArthur, 2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 Luke 18 24 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages

illuminating the biblical text in practical and relevant ways *A Biblical-Theological Introduction to the New Testament* Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight *Dictionary of the Later New Testament & Its Developments* Ralph P. Martin, Peter H. Davids, 2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament Acts Hebrews the General Epistles and Revelation Expert contributors present more information than any other single work dealing exclusively with the theology literature background and scholarship of the later New Testament and the apostolic church **New Testament Philology** Melton Bennett Winstead, 2018-04-17 This work is dedicated to David Alan Black a New Testament scholar who has contributed to the love of the Koine Greek language as it pertains to New Testament studies in numerous ways as a professor author missionary and editor The goal of this book is to demonstrate for students the value of continued research in the Greek New Testament The essays demonstrate how research is currently being done utilizing such tools as grammatical studies discourse analysis textual criticism verbal aspect and other linguistic analyses The chapters include studies on exegesis verbal aspect prepositional compounds relevance theory and scripture memorization This book demonstrates the explanatory power of an in depth usage of New Testament Greek It is recommended for those who have had at least one year of Greek **The Bible Exposition Commentary** Warren W. Wiersbe, 2003 Volume 6 of the Bible Exposition Commentary 6 volume set **A Study of Petrine Christology from Key Texts in 2 Peter** Kelly Adair Seely, 2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father *Revisiting the Corruption of the New Testament* Daniel B. Wallace, How much did the theological arguments of the church affect the copying of the New Testament text Focusing on issues of textual criticism this inaugural volume of the

Text and Canon of the New Testament series offers some answers to that question and responds to some of Bart Ehrman's views about the transmission of the New Testament text. Revisiting the Corruption of the New Testament will be a valuable resource for those working in textual criticism, patristics and New Testament apocryphal literature. **The Inerrant Word** John MacArthur, 2016-03-16 The Bible stands at the heart of the Christian faith but now more than ever many question its historical reliability and relevance for life today. In what may become the definitive contemporary evangelical resource on this foundational topic John MacArthur and a host of pastors, biblical scholars, historians and theologians defend the doctrine of biblical inerrancy from their various disciplines. With contributions from evangelical leaders such as Kevin DeYoung, R. Albert Mohler Jr, R. C. Sproul, John Frame and Mark Dever, this comprehensive volume makes the case that God's Word is without error and therefore completely reliable. The contributors explore key Scripture passages, precedents for inerrancy in church history, theological responses to common challenges and pastoral applications of the doctrine to everyday life. The Essence of the New Testament Elmer L. Towns, Ben Gutierrez, 2016-11 The Essence of the New Testament surveys all of the books in the New Testament from Matthew to Revelation. The Layperson's Library Robert A. Yost, 2020-12-30 In the spirit of Cyril Barber's classic work from the 1970s The Minister's Library and the author's 2017 book The Pastor's Library, Robert Yost provides the same expert guidance now for a lay audience. Finally, laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading. From general reference works such as Bible atlases and concordances, commentaries, devotional works and theological studies to Christian biography and fiction, this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses. Overwhelmed by the proliferation of Christian books on the shelves, this handy guide is the book for you. **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church** Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths, untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework. Many today with an interest in the end times face a problem: they have forgotten the past. Knowing the history of eschatology is key to understanding its importance, how we interpret our faith and our outlook on God and humanity. So why do so many overlook it and what can we do to correct this? The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second-century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers. It makes a case for a contemporary Irenaean premillennial eschatology, arguing that it is a reliable framework for a biblically defensible, theologically balanced and historically informed eschatology. The Fathers on the Future includes these key features: Restores historical perspective, Recovers the forgotten roots of early Christian eschatology, emphasizing the teachings of Irenaeus of Lyons and other church fathers, Biblically grounded framework, Offers a well-supported case for a biblically defensible premillennial eschatology, balancing theology and history, Clarifies and corrects complex aspects of early

eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *A Voyage Around the Second Letter of Peter* Terrance Callan,2020-03-17 A collection of twelve previously published academic essays on the Second Letter of Peter The essays illuminate selected features of this somewhat mysterious and rather neglected part of the New Testament They invite further exploration of these features and of others not yet illuminated *A Guide to Biblical Commentaries and Reference Works* John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *Commentary on the New Testament: James, 1-2 Peter, 1-3 John, Jude* Heinrich August Wilhelm Meyer,1887 **The Significance of Parallels Between 2 Peter and Other Early Christian Literature** Michael J. Gilmour,2002 Gilmour uses 2 Peter as a test case to raise questions about the use of literary parallels in historical reconstruction Paperback edition is available from the Society of Biblical Literature www.sbl-site.org
