Second Spring:

Second Spring Sandhya Jane, 2015-01-11 This is Avantika's heartfelt journey through love and life. As a smart successful thirty-eight year old single mother, Avantika seemingly has it all: a great career as a seasoned banking professional, respect and admiration from her peers as an able leader, fulfillment as a mother, and so many other things besides. What is it then that drives her towards Rohan, a man six years her junior? He's a man who ideally would not occupy much room in Avantika's otherwise sorted mind space. She has told herself she has no time for love. Then why does she make the choices she makes? Is it the sameness and banality of everyday existence? Is it the emotional vacuum? A need to relive life? A feeling that life as she is truly lived and felt is passing her by? However, as she struggles with her feelings, Avantika and Rohan part ways only to meet again. To what end? Why does Rohan want her back and why now? So many questions. Very few answers. Avantika's journey is as spiritual as it is emotional. Can love give second chances? Join Avantika in the twists and turns of her story through her ponderings over the mysteries and vagaries of the word love, the complexities of human relationships, and the reassessment of all the values she has held dear.

Children of the Second Spring John Furnival, 2005 Father Nugent founded many Institutions for the poor and needy in his native town of Liverpool and was instrumental in the scheme to take orphaned children to the New World to find a new home. He spearheaded the campaign to Save the Child from the temptations and dangers of the streets and he provided shelter to the marginalized and despised. He worked ecumenically with his colleagues from other churches in a town that was largely Protestant and made education and the reform of the young his special concern for over fifty years. Much of what he pioneered still bears fruit today and his work and name are perpetuated by the Nugent Care Society he founded in 1881 originally the Liverpool Catholic Children's Protection Society. This book is a timely reminder of Father James Nugent's work and his significance for us today both for the Church and for society as a whole setting his life in the context of his era which contained the seeds of so much that has borne fruit in our time. It is an encouragement to priests and potential priests in the mission of the Church today.
