Secrecy Democracy And The Third Pillar Of The European Union:

Democratizing the European Union Catherine Hoskyns, 2018-02-06 The European Union's democratic deficit and ways that might be found to resolve it are hot issues in both academic debate and practical politics. *Democratizing the European Union* offers a fresh approach to this subject by bringing together a diverse range of authors who have been actively involved either in analyzing the activities of the European Union or participating in them. The contributors go beyond a primarily institutional approach by highlighting issues having to do with values, participation and exclusion. Collectively, this volume also transcends the limitations of abstract theory. Embracing a range of perspectives and including discussions of major contemporary challenges such as enlargement and economic and monetary union, this book contains a detailed analysis of the response of New Labour to the democratization debate. The contributions include Sue Cohen 'Social Solidarity in the Delors Period', Sverker Gustavsson 'Reconciling Suprastatism and Accountability: A View from Sweden', Stefano Fella 'A Europe of the Peoples', New Labour and *Democratizing the EU*, John Lambert and Catherine Hoskyns 'How Democratic is the European Parliament?', Valerio Lintner 'Controlling Monetary Union', Mary Kaldor 'Eastern Enlargement and Democracy', Richard Kuper 'Democratization: A Constitutionalizing Process' and Catherine Hoskyns 'Democratizing the EU: Evidence and Argument'. *Democratizing the European Union* is essential reading for all those with an interest in the EU and broader questions of democracy. It is also particularly useful for students of European Studies and practitioners involved in EU policymaking and lobbying.

The European Union Alex Roney, Stanley A. Budd, 1998 This comprehensively updated edition of *European Union* aims to provide readers with a thorough understanding of every aspect of the EU from its origins, aims and achievements to current and likely developments.

Secrecy in European Politics Berthold Rittberger, Klaus H. Goetz, 2020-06-04 Secrecy is a prevalent feature of politics within and among liberal democratic states as well as in the relations between states and international organisations. However, surprisingly little research in political science has explored the effects of secrecy on policy making, the evolution of the regulatory frameworks that govern the use of secrecy and the tensions between secrecy and transparency. This fascinating volume examines secrecy in European politics across a range of EU and national settings and policy domains, exploring the technological, social and political developments which appear to signal the end of privacy and the rapid expansion of political secrecy in European multi-level settings. Consequently, the tensions between democratic accountability with its transparency requirements and political secrecy, which is typically justified on grounds of effectiveness of state action, have become more marked and more politicised. Engaging with these developments, the authors focus on actors' motivations in secret politics, institutional perspectives that highlight contestation over secrecy norms and organisational perspectives that emphasise the diversity of secrecy cultures. This book will be of great interest to students, researchers and professionals of political science and law. It was originally published as a special issue of the journal *West European Politics*.

The Market or the Public Domain Daniel Drache, 2005-07-08 Examining the powerful idea of the

return reconstitution and redeployment of the public domain in a post Seattle and post Washington consensus world order this innovative book is the most forward looking and comprehensive examination of the need to rethink the tenants of global free trade In the past two decades countries have focused on broadening and guaranteeing market access and as the pendulum swings back for the market the issue of investing in the public domain becomes a priority The authors believe that devising new institutions of governance for a globalizing world requires fundamental change nationally and internationally They argue that new public spaces places and services are required to strengthen democracy and create sanctuaries in society where the market mechanism cannot reach The public domain is an incipient concept that enables states to reduce the intrusiveness of markets and at the same time develop a strong national performance to reduce the inequality and social exclusion in an increasingly volatile global economy This original volume boasts an impressive list of international contributors who have demonstrated innovation and leadership in their fields It will strongly appeal to advanced students academics and policy makers involved in the field of global governance and international political economy

Cambridge Yearbook of European Legal Studies, Vol 11, 2008-2009 Catherine Barnard,Okeoghene Odudu,2009-12-18 The Cambridge Yearbook of European Legal Studies provides a forum for the scrutiny of significant issues in EU Law the law of the European Convention on Human Rights and Comparative Law with a European dimension and particularly those issues which have come to the fore during the year preceding publication The contributions appearing in the collection are commissioned by the Centre for European Legal Studies CELS Cambridge a research centre in the Law Faculty of the University of Cambridge specialising in European legal issues The papers presented are at the cutting edge of the fields which they address and reflect the views of recognised experts drawn from the University world legal practice and the institutions of both the EU and its Member States Inclusion of the comparative dimension brings a fresh perspective to the study of European law and highlights the effects of globalisation of the law more generally and the resulting cross fertilisation of norms and ideas that has occurred among previously sovereign and separate legal orders The Cambridge Yearbook of European Legal Studies is an invaluable resource for those wishing to keep pace with legal developments in the fast moving world of European integration

The EU and Human Rights Philip Alston,Mara R. Bustelo,James Heenan,1999 For all its achievements in integrating Europe the EU lacks a human rights policy which is coherent balanced and professionally administered Whether in relation to access to

Community justice sex equality race and disability discrimination or policing or in its external policies from Kosovo to China the Union needs new principles procedures and institutions to design and implement an effective set of human rights policies The introduction of a single currency the problems of racism and xenophobia the need for a humane refugee policy the growing powers of the EU in many fields and the Unions imminent eastward expansion all make it urgent to adopt such policies In this volume the leading experts in the field including individuals from every EU country provide an insightful critique of current policies and detailed recommendations for the future The volume includes comprehensive analyses of the competencies of the EU in human rights access to justice the Third Pillar

The European Union and British Democracy J. Mather, 2000-09-08 This book examines evolving trends in democracy at EU and UK levels pointing out the primary shortcomings of both It examines the relationship between the democratic practices of the EU and the UK explaining the paradox of the way in which the EU despite the poor quality of its own democracy has enabled devolved decision making in a novel multilayer polity The book also considers future prospects for converged Western European democracy in the light of the Labour government's popularising agenda

Gender Mainstreaming in the EU Sonia Mazey, 2001 In 1996 the European Union formally adopted the equality strategy of gender mainstreaming This strategy seeks to achieve equality between men and women by integrating a gender perspective into all public policies in order to ensure that the often different needs of women and men are taken into account This dossier examines the impact of gender mainstreaming upon EU policy making procedures and key EU policies The discussion is divided into three parts Part One clarifies the concept of gender mainstreaming highlighting the theoretical justification for and policy making implications of this approach Part Two explains how and why gender mainstreaming came to be adopted by the EU Part Three evaluates the impact of gender mainstreaming upon the EU policy making process up to the time of publication

The Emergence of EU Criminal Law Sarah J Summers, Christian Schwarzenegger, Gian Ege, Finlay Young, 2014-12-01 Criminal law can no longer be neatly categorised as the product and responsibility of domestic law That this is true is emphasised by the ever increasing amount of legislation stemming from the European Union EU which impacts both directly and indirectly on the criminal law The involvement of the EU institutions in the substantive criminal laws of its Member States is of considerable legal and political significance This book deals with the emerging EU framework for creating harmonising and ensuring the application of EU criminal law This book aims to highlight some of the consequences of EU involvement in the criminal law by examining the provisions which have been adopted in the field of information and communications technology It provides an overview of the criminal law competence of the EU and evaluates the impact of these developments on the criminal laws of the Member States It then goes on to consider the EU legislation which requires Member States to regulate matters such as data protection e security intellectual property and various types of illegal content through the criminal law is analysed In the course of this evaluation particular consideration is given to issues such as the basis on which the EU institutions establish

the need for criminal sanctions the liability of service providers and the extent to which the Member States have adhered to or departed from the legislation in the course of implementation The Politics of EU Police Cooperation John D.

Occhipinti,2003 Will the European Union soon have a policing agency similar to the US Federal Bureau of Investigation John Occhipinti traces the evolution of the European Police Office Europol bringing to life themes key to the study of European integration such as the tension between supranationalism and intergovernmentalism concerns over the democratic deficit in the EU and the impact of enlargement *Democratic Decision-making in the EU* Anne Elizabeth Stie,2015-03-05 This book

examines the democratic legitimacy of the European Union EU and evaluates the democratic credentials of the EU s main decision making procedure It finds that though there is potential for democratic decision making in the EU the actual process is dominated by technocrats and secret meetings The book assesses and discusses the conditions for democratic input in decision making with five empirical chapters each addressing the ordinary legislative procedure from different dimensions democratic deliberative forums inclusion openness power neutralising mechanisms and decision making capacity The analytical framework provides for an in depth assessment of the ordinary legislative procedure s potential democratic qualities and examines whether it fulfils democratic criteria how the procedure works in practice and whether it has the necessary democratic clout The author provides both a theoretical discussion and an empirical assessment of what role the principle of democracy could play in the EU Filling a gap in EU legislative studies and contributing to the debate on the European democratic deficit Democratic Decision making in the EU will be of interest to students and scholars of European Union politics legislative studies and deliberative democracy *The EU, Ethnic Minorities and Migrants in the Workplace*

John Wrench,1998 Concise yet comprehensive the Dossiers present accessible analyses of EU policies institutions and related themes Written by experts in the field and commissioned by the University of North London the European Dossiers are an ideal resource for teachers and an invaluable source of information for anyone with an interest in the EU Published five times per year the Dossiers are available through an annual subscription or as individual titles Since Maastricht the category of European Union citizenship has existed for all nationals of member states but not all enjoy the equal rights this supposedly confers John Wrench examines the way in which legal and racial discrimination interact in the labour market and considers what the EU could and should do *The Democratic Quality of European Security and Defence Policy* Evangelos

Fanoulis,2017-04-21 This book is a systematic effort to empirically approach the democratic deficit of CSDP to understand its social construction and propose ways to remedy it **West European Terrorism and Counter-Terrorism** P.

Chalk,1996-09-18 The book examines the dynamic of West European terrorism and counter terrorism as it has evolved since the late 1960s It assesses past present and future terrorist trends and analyzes the internal security policies that have been initiated by the member states of the European Union EU both singularly and collectively to combat terrorism in Western Europe Throughout the book the theme of liberal democratic legitimacy and accountability is stressed something that is

brought particularly to bear on the latest EU internal security provision the Maastricht Third Pillar

Legal Convergence in the Enlarged Europe of the New Millennium Paul Torremans, 2000-01-01 Three years ago the Faculty of Law and Administration of the University of Silesia and the Faculty of Law of the University of Leicester embarked on a joint research and academic co operation programme with the support of the British Council in Warsaw The programme resulted in the organisation of two academic conferences one in Leicester and one in Katowice This book is the tangible result of these conferences The content of the book reflects the wide ranging nature of the collaboration between the two Faculties Environmental law public international law intellectual and cultural property law are the main areas that are covered but certain issues of constitutional law European law social law company law and legal education are also addressed The main strength of this book is found in its breadth of coverage and the detailed examination of key issues such as the rights of minorities the transboundary movement of waste in Europe and the environmental problems which it creates the theft and illegal exportation of cultural property and the convergence of the droit d auteur and copyright traditions

The Democratisation of EU International Relations Through EU Law Juan Santos Vara, Soledad Rodríguez Sánchez-Tabernero, 2018-07-27 Since the entry into force of the Treaty of Lisbon key improvements have occurred in the democratisation of EU international relations through the increased powers of the European Parliament Nevertheless a comprehensive legal analysis of the new developments in democratic control of EU external action has not yet been performed This book aims to improve the understanding of the set of mechanisms through which democratic control is exerted over EU external action in times of profound transformations of the legal and political architecture of the European integration process It analyses the role of the Court of Justice in the democratisation of international relations through EU law and further provides a legal overview of the role of the European Parliament in the conduct of the EU s international relations In those areas where the powers of the Parliament have greatly increased the book aims to raise questions as to whether this enhanced position has contributed to a more consistent external action At the same time the book aims to contribute to the debate on judicial activism in connection with the democratisation of EU external action It offers the reader a detailed and topical analysis of the recent developments in democratic control of external action which are of relevance in the daily practice of EU external relations lawyers including the topic of mixed agreements This text will be of key interest to scholars and students working on EU external relations law EU institutional law European Union studies politics international relations and more broadly to policy makers and practitioners particularly to those with an interest on the European Parliament and the Court of Justice of the European Union
