Secrecy Or Ruin On The Rock:

Secret Avengers; or, the Rock of Glotzden. A romance, 1815

Secresy; or, Ruin on the Rock E. Fenwick, 2022-07-20

Eliza Fenwick's *Secresy or Ruin on the Rock* is a work richly woven with themes of confinement and the pursuit of liberty both physical and emotional. Fenwick's narrative is one of gripping suspense and gothic sensibilities deftly situating itself within the tradition of 18th century romantic novels. Through the plight of the young Sibella Valmont we navigate the narrow corridors and shadowy corners of a grand yet oppressive castle. The prose is characterized by its detailed descriptive passages and the evocative exploration of its protagonist's internal struggles with an undertone that compellingly critiques the social structures of the time. In exploring the author's background one can detect the imprints of Fenwick's own experiences and a profound understanding of social injustices and gender dynamics which inform this narrative. Her acute awareness of the constraints faced by women possibly gleaned from her time within the circles of radical thinkers infuses the novel with an authenticity that transcends its period setting revealing a more timeless examination of autonomy and authority. Reading *Secresy or Ruin on the Rock* is to immerse oneself in a multifaceted tale of suspense, emotion and enlightenment. As much as it is an engrossing story, the book serves as a mirror reflecting the greater societal issues of Fenwick's time which still resonate today. It is a compelling read for those interested in Gothic romance, social commentary and women's literature.

Secrets of the Rock Anne Rouen, 2023-12-01

Secrets of the Rock picks up from award winning novel *Winter at Medora Downs* a decade later. Anne Rouen is an award winning author of Historical Fiction and Australian Outback Romantic Suspense novels with twelve Global Ebook Awards including five Gold Medals and the Dan Poynter Legacy Award in 2023. After both her best friends found true love and moved on, Jo realised it was time she made the life changing decision to resign from her thankless job and lonely life in Sydney and move to the far reaches of Western Queensland. Following in the footsteps of her friend Sarah at Medora Downs, Jo takes up the job of governess on a neighbouring Outback station, Emerald Hills, and is delighted to discover her charge is a bright, gifted eight-year-old named William. It's not only William who steals Jo's heart; the rugged beauty of the Outback landscape captivates her, and she soon discovers a secret hideaway at Rainbow Rock, perfect to put her love of painting into practice and William's genius of geology to the test. There's only one problem: Jo and William aren't the only ones in on the secrets of the rock. It holds many stories for many people, some beautiful, some frightening, and it doesn't take long before both its splendour and chaos rain down on Emerald Hills. It is then that Jo finds herself enmeshed in the workings of an underground drug cartel, and at the same time, the magic of a surprise romance. Not realising how dangerously entwined both secrets are, will the *Secrets of the Rock* bring true love or cost Jo her

Transforming Tragedy, Identity, and Community Lilla Crisafulli, Tilottama Rajan, Diego Saglia, 2013-10-31 The volume explores the interrelated topics of transnational identity in all its ambiguity and complexity and the new ways of imagining community or Gemeinschaft as distinct from society or Gesellschaft that this broader climate made possible in the Romantic period The period crystallized even if it did not inaugurate an unprecedented interest in travel and exploration as well as in the dissemination of the knowledge thus acquired through print media and learned societies This dissemination expanded but also unmoored both epistemic and national boundaries It thus led to what Antoine Berman in his study of translation tellingly calls the experience of the foreign as a zone of differences between and within selves of which translation was the material expression and symptom As several essays in the collection suggest it is this mental travel that distinguishes the Romantic probing of transitional zones from that of earlier periods when travel and exploration were more purely under the sign of trade and commerce and thus of appropriation and colonization The renegotiation of national and cultural boundaries also raises the question of what kinds of community are possible in this environment A group of essays therefore explores the period s alternative communities and the ways in which it tested the limits of the very concept of community Finally the volume also explores the interrelationship between notions of identity and community by turning to Romantic theatre Concentrating on the stage as monitor and mirror of contemporary ideological developments a dedicated section of this book looks at the evolution of the tragic in European Romanticisms and how its inherent conflicts became vehicles for contrasting representations of individual and communal identities This book was published as a special issue of European Romantic Review
