E. Rogers, 1881     *Secret Sins* Jasmine Cresswell, 1997 Secret Sins by Jasmine Cresswell released on Dec 25 1996 is available now for purchase     **The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)** C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky     *The National Preacher and Village Pulpit* ,1838     *The National Preacher Or Original Monthly Sermons from Living Ministers* ,1839     The American National Preacher ,1838     **Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations)** Thomas Aquinas, 2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work

that Aquinas had completed before he began working on the Summa Theologica. It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ. To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God. Approximately one half of the Summa Theologica then examines the nature and purpose of man. Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man. Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail. His examination includes questions of how angels act on bodies, the union of body and soul, the cause and remedies of anger, cursing, and the comparison of one sin with another. Aquinas is attempting to offer a truly universal and rational view of all existence. Thomas Aquinas O.P. 1225-1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus, Doctor Communis, and Doctor Universalis. He was the foremost classical proponent of natural theology and the father of Thomism. His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas, particularly in the areas of ethics, natural law, metaphysics, and political theory.

*Men's sins, an address* Richard Reader Harris, 1899

*Puritan Insights on the Psalms* David J. McKinley, 2025-06-23

The Puritans loved the Psalms because these sacred writings inform the mind, warm the heart, and shape conduct. Drawing from Charles Spurgeon's Treasury of David, David J. McKinley uses excerpts from over ninety Puritans and other Reformed writers in *Puritan Insights on the Psalms*. These insights are woven into each of the daily meditations which cover the entire Psalms in one year. Just as Spurgeon highly valued the Puritans, *Puritan Insights* provides an opportunity to also appreciate the depth of their understanding of the Psalms. With their insights, these daily meditations unfold the importance of the Psalms, songs, and prayers, and encourage readers to lift their voices with praises and laments to God. Each daily meditation includes an appropriate thematic prayer to use and amplify in readers' lives. Allow the Puritans and other writers to cultivate increased affection for God. Listen to the wisdom of these spiritual giants to know and experience the truth for daily living.
