Secret Alliance A Study Of The Danish Resistance Movement 1940-1945:

Secret Alliance Jørgen Hæstrup, 1976 **Secret Alliance** , 1985 *The Resistance in Western Europe, 1940-1945* Olivier Wieviorka, 2019-09-03 In just three months in 1940 Denmark Norway Belgium the Netherlands Luxembourg and France fell to the Nazis The German occupation of Western Europe had begun but a brave few rose up in defiance National resistance has long been celebrated in remembrances of World War II depicted as making significant contributions to the defeat of Nazi Germany However the so called army of shadows drew heavily on the support of London and Washington a fact often forgotten in postwar Europe *The Resistance in Western Europe 1940-1945* is a sweeping analytical history of the underground anti Nazi forces during World War II Examining clandestine organizations in Norway Denmark the Netherlands Belgium France and Italy Olivier Wieviorka sheds new light on the factors that shaped the resistance and its place in the grand scheme of Anglo American military strategy While national actors played a leading role in fomenting resistance British and American intelligence services and propaganda as well as financial material and logistical support were crucial to its activities and growth Wieviorka illuminates the policies of governments in exile and resistance actors regarding cooperation with the British and Americans pointing to the persistence of national self interest and long standing historical tensions Drawing on a wide range of archival sources and bringing together the political diplomatic and military dimensions of the conflict this book is the first account of the resistance on a continental scale and from a trans European perspective

Secret Alliance Jørgen Hæstrup, 1976 Resistance Fighter Jørgen Kieler, 2007 Writing in lively tones with a wit that reveals his indomitable spirit the author paints a vivid picture of the resistance movement in Denmark with detailed descriptions of many of the Holger Danske group s daring sabotage operations Refusing to Crumble Michael Burgan, 2010 A look at the Danish resistance to the Nazis during World War II **The World War Two Reader** Gordon Martel, 2004 This comprehensive reader provides an overview of research in the study of the Second World War and includes chapters by some of the best known and most innovative scholars working today It gives attention to the fighting of the war throughout the world International Bibliography Of Jewish Affairs, 1976-1977 Elizabeth E. Eppler, 2019-04-03 This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume A History of Denmark Knud J. V. Jespersen, 2018-09-08 In this introductory guide Knud Jespersen traces the process of disintegration and reduction that helped to form the modern Danish state and the historical roots of Denmark s international position Beginning with the Reformation in the sixteenth

century Jespersen explains how the Denmark of today was shaped by wars territorial losses domestic upheavals new methods of production and changes in thought Focusing on the interplay between history politics and economics this illuminating text offers an insider's view of Danish identity formation over the last centuries This engaging textbook is an ideal resource for undergraduate and postgraduate students taking courses on Danish Scandinavian or Nordic History Concise and accessible it will also appeal to anyone interested in gaining a clear understanding of the development of Denmark Fighting for Freedom, 1990 *Nonviolent Action* Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject Historical Dictionary of Denmark Alastair H. Thomas, 2016-07-26 Denmark has a millennium long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century Modern Denmark leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of Historical Dictionary of Denmark contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark *Forging Democracy* Geoff Eley, 2002-04-11 Democracy in Europe has been a recent phenomenon Only in the wake of World War II were democratic frameworks secured and even then it was decades before democracy truly blanketed the continent Neither given nor granted democracy requires conflict often violent confrontations and challenges to the established political order In Europe Geoff Eley convincingly shows democracy did not evolve organically out of a natural consensus the achievement of prosperity or the negative cement of the

Cold War Rather it was painstakingly crafted continually expanded and doggedly defended by varying constellations of socialist feminist Communist and other radical movements that originally blossomed in the later nineteenth century Parties of the Left championed democracy in the revolutionary crisis after World War I salvaged it against the threat of fascism and renewed its growth after 1945 They organized civil societies rooted in egalitarian ideals which came to form the very fiber of Europe's current democratic traditions The trajectories of European democracy and the history of the European Left are thus inextricably bound together Geoff Eley has given us the first truly comprehensive history of the European Left its successes and failures its high watermarks and its low tides its accomplishments insufficiencies and excesses and most importantly its formative lasting influence on the European political landscape At a time when the Left's influence and legitimacy are frequently called into question **Forging Democracy** passionately upholds its vital contribution

Resisters, Rescuers, and Refugees John J. Michalczyk, 1997-09 Fifty years after World War II critical issues of this international conflict still haunt our society today in business war crimes trials and international relations This text focuses on the historical issues of Christian rescue of Jews resistance to Nazi oppression and the plight of the refugee in light of current problems facing us The essays in this book from nationally and internationally known scholars reveal that the Holocaust was not only a Jewish tragedy but an epic human tragedy as well one that has indelibly scarred the collective soul of twentieth century society As these scholars and witnesses provide insights into the historical context of World War II and the Holocaust they also assist us in regulating the future behavior of ourselves our country and our world

Encyclopedia of Nordic Crime Fiction Mitzi M. Brunsdale, 2016-04-27 Since the late 1960s the novels of Sjöwall and Wahlöö's Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit

The Laws of War J.H.W. Verzijl, 2024-12-30 **Proxy Wars** Eli Berman, David A. Lake, 2019-03-15 The most common image of world politics involves states negotiating cooperating or sometimes fighting with one another billiard balls in motion on a global pool table Yet working through local proxies or agents through what Eli Berman and David A Lake call a strategy of indirect control has always been a central tool of foreign policy Understanding how countries motivate local allies to act in sometimes costly ways and when and how that strategy succeeds is essential to effective foreign policy in today's world In this splendid collection Berman and Lake apply a variant of principal agent theory in which the alignment of interests or objectives between a powerful state and a local proxy is

central Through analysis of nine detailed cases Proxy Wars finds that when principals use rewards and punishments tailored to the agent s domestic politics proxies typically comply with their wishes when the threat to the principal or the costs to the agent increase the principal responds with higher powered incentives and the proxy responds with greater effort if interests diverge too much the principal must either take direct action or admit that indirect control is unworkable Covering events from Denmark under the Nazis to the Korean War to contemporary Afghanistan and much in between the chapters in Proxy Wars engage many disciplines and will suit classes taught in political science economics international relations security studies and much more

The Top Books of the Year Secret Alliance A Study Of The Danish Resistance Movement 19401945 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Secret Alliance A Study Of The Danish Resistance Movement 19401945 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Secret Alliance A Study Of The Danish Resistance Movement 19401945 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Secret Alliance A Study Of The Danish Resistance Movement 19401945 : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
