**Secret of the Emerald Star** Phyllis A. Whitney, 1967      *Secret of the Emerald Star* Jason Farrell, Michael de Weever, 2024-10-09

**Apocalypse Secrets** John Able, 2022-06-21  
*Apocalypse Secrets* Baha i Interpretation of the Book of Revelation with 60 illustrations is a fresh provocative Parallel Interpretation of the Apocalypse or Book of Revelation. The author John Able MD is a retired intensive care physician. He uses Baha i Writings that interpret parts of the Apocalypse to decode it as a global tale of three millennia now passing through four centuries of the events of religious end times. It is a tale of the struggles of seven Empires and seven Faiths of their materialism and militarism and the resulting mess into which the world is now crescendoing furiously and fast. These events center on the apocalyptic war waging between the Revelation beast of Muslim Militarism that drives the Middle East and the Revelation Babylon of Malignant Materialism that drives the Christian West. The fall of both is inevitable with economic crises spiraling the globe into a paralytic depression now triggered by the COVID 19 pandemic and its aftermath. The good news is that spiritual economics will arise and our painful end times into wonderful beginning times. *Apocalypse Secrets* is a profound and astonishing work in biblical exegesis, a real tour de force as a strikingly original scholarly remarkably holistic comprehensive and rationally consistent interpretation of the Book of Revelation. Able intelligently probes and penetrates many of the great religious mysteries and cogently argues that Revelation extends far beyond its strictly Middle East Christic origin. It transcends religious dogma, bridges religious faiths, and explains nineteen hundred years of troubling events in Christianity and Islam with amazing clarity and prescience. It is amazingly detailed and thorough. The author's stylish rhetoric is colorful and alive, and his book beautifully crafted and researched, making for an engaging enlightening and thought provoking read. In the end, a scholarly Translation Section decodes original Greek and Hebrew sources. Its strikingly lively translation sticks to the intention of the Greek original. It provides an authoritative base for his distinctive Parallel Interpretation. For anyone striving to penetrate the hidden secrets of the Apocalypse, *Apocalypse Secrets* is a must reading. This exceedingly interesting book will influence many future works about the subject and become a template of understanding and peace for all. After they read it, people who are interested in prophecy will never look at the Book of Revelation the same again. Visit [www.apocalypseinfo.com](http://www.apocalypseinfo.com) for more.
