**The Secret Policeman's Third Ball** Terence Blacker, 1987

**The Band** , The Routledge Handbook of the Global 1980s Jonathan Davis, 2025-08-18 The 1980s was a decade of enormous global change. Upheaval from the top of governments to the bottom of societies saw a new world order begin to emerge. A new form of capitalism redefined global economics on both the right and left as market forces were unleashed. The ideological conflict of the previous four decades petered out as superpower relations improved. A more interconnected world introduced new consumer products and forms of popular culture to societies across the globe. And protest movements saw new battles fought and new alliances forged in an increasingly interdependent world. The Routledge Handbook of the Global 1980s brings together specialists from across the world to examine how the decade was shaped by these changes to politics, economics, culture, societies and protest movements. The Handbook is divided into five parts focusing on the global environment, globalisation and neoliberalism, politics and society, culture and society, and the closing stages of the global Cold War. By taking an international approach to the history of the 1980s, this book offers a wide-ranging and important new perspective of this hugely transformative decade. It will appeal to students and scholars alike, as well as all those interested in the political, social, economic and cultural shifts of the 1980s.

J'adore raconter des histoires. Je crois que j'aime tout simplement parler. Alors c'est toujours un plaisir pour moi de répondre aux sempiternelles questions de mes amis : comment j'ai commencé à jouer de la guitare, comment j'ai décidé de partir pour Londres, comment Sting, Stewart et moi nous nous sommes rencontrés, pourquoi nous nous sommes séparés, comment ça se passait à Londres en 1977, Wayne County était-il un homme ou une femme qui faisait partie de la bande, comment sont nés les Flying Padovani, s'il y avait beaucoup de concerts où sortait-on le soir, comment Pete Farndon est-il mort, pourquoi un jour tout s'est arrêté. Oui, c'est vrai, j'ai pas mal de choses à raconter sur ces années. D'autant que presque tous les livres sur les groupes ou sur le Londres des années new wave que j'ai pu lire ici ou là ne sont pas vraiment exacts. Normal, la plupart de ceux qui les crivent n'y étaient pas. Et puis ils le font d'un point de vue extérieur car ils connaissent déjà la suite et la fin des histoires. Ce n'est pas pareil.
