Secret Service Man:

I Am a Secret Service Agent Dan Emmett, Charles Maynard, 2024-05-01 Adapted from *Within Arm's Length* for a younger audience a rare inside look at the Secret Service from an agent who protected three US presidents Ever wonder what it would be like to have a job where your life was on the line Where at any time you might be asked to make the ultimate sacrifice in the line of duty Dan Emmett was eight years old when President John F Kennedy was assassinated From that moment forward he knew he wanted to become a Secret Service agent one of an elite group of highly trained men and women dedicated to preserving the life of the president of the United States at any cost Armed with single minded determination and a never quit attitude he did just that Selected over thousands of other highly qualified applicants he was eventually chosen as one of the best of the best and provided protection worldwide for presidents George H W Bush Bill Clinton and George W Bush *I Am a Secret Service Agent* depicts the crucial duties and challenges of this extraordinary job from conducting presidential advances to driving the president in a bulletproof limousine to flying with him on Air Force One With fascinating anecdotes Emmett weaves keen insight into his account of the unique culture and history of the Secret *I Am a Secret Service Agent* is a must read for young adults interested in a career in federal law enforcement Praise for *I Am a Secret Service Agent* This firsthand introduction to the Secret Service is a valuable addition for those interested in law enforcement School Library Journal

Within Arm's Length Dan Emmett, 2012 Narrates the story of Dae Emmett's journey in this coveted job from the application process to his retirement as assistant to the special agent in charge on the elite Presidential Protective Division

Secrets of the Secret Service Gary J. Byrne, Grant M. Schmidt, 2018-01-02 From the author of the 1 New York Times bestseller *CRISIS OF CHARACTER* comes an explosive new expos of the Secret Service The United States Secret Service is tasked with protecting our Presidents their families and the complex in which they live and work Given this important mission world stability rests upon the shoulders of its agents In his new book former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency's history and today's security failings that he believes put Americans at risk The American public knows the stories of Secret Service heroism but they don't know about the hidden legacy of problems that have plagued the agency ever since its creation Gary Byrne says that decades of catastrophic public failures near misses and bureaucratic and cultural rot threaten to erode this critical organization from the inside out Today as it works to protect President Trump the Secret Service stands at a crossroads and the time needed to choose the right course is running out Agents and officers are leaving the Secret Service in droves or they're being overworked to the point where they lose focus on the job Management makes decisions based on politics not the welfare of their employees Byrne believes that this means danger for the men and women of the Secret Service danger for the President they protect and danger for the nation In this book he shares what he has witnessed and learned about the Secret Service with the hope that the problems of this most important agency can be fixed before it's too late

Not in Your Lifetime Anthony Summers,2013-10-01 Updated with the latest evidence Pulitzer Prize finalist Anthony Summers s essential acclaimed account of President Kennedy s assassination Almost sixty years after the assassination of John F Kennedy most Americans still think they have not been told the truth about his death Chief Justice Earl Warren who chaired the first inquiry said some things that involve security might not be released in the lifetime of the then public Millions of pages of assassination records were made public since the late 1990s As of 2022 however more than thirteen thousand declassified documents most of them from CIA records still contain redactions President Biden ordered that all documents be released in December of 2022 unless he sanctions continued secrecy Anthony Summers s account of the murder mystery that haunts America is one of the finest books on the assassination An awesome work with the power of a plea as from Zola for justice Los Angeles Times The closest we have to that literary chimera a definitive work on the events in Dallas The Boston Globe

The High Gravity Pressure-Fed Monster Ted Shipley,2025-03-27 With it all being do or die the monster of a man haunts the lands Losing his chances with the love of his life a high school kid goes crazy and becomes a serial killer Running around the country causing mayhem and havoc toward all that gets in his way he meets with multiple women seduces them then ends their lives in unique ways With swift thinking and perseverance he becomes a commercial diver living in the Pacific Northwest While working for the union while committing all these crimes of murder toward men and women he eventually gets deep news about himself while running away from the officials of the law The High Gravity Pressure Fed Monster is a long series of diabolical plot twists that course throughout the story For those seeking a wild ride on words it is crafted as a poetic muse that will excite all attention for many viewers reading this story About the author Ted Shipley lives in Portland Oregon A man in his 30s he has worked on multiple projects as a construction worker He was first a commercial diver who worked on oil rigs in the Gulf of Mexico and later returned to the Northwest to work on anything that needed to be implemented underwater He also worked as an iron worker erecting steel beams and connecting them in place

at great heights Ted has had a lot of near miss accidents with his career and is lucky to be alive Ted's hobbies are working writing listening to music and speaking to his peers He is interested in politics and law rules in our country and world He graduated high school at a small town school near Newport Oregon with English being his highest graded class After attending community college he took Writing 115 and 121 and realized he needed to publish his story JFK and the Unspeakable James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK NOW IN PAPERBACK with a reading group guide and a new afterword by the author At the height of the Cold War JFK risked committing the greatest crime in human history starting a nuclear war Horrified by the specter of nuclear annihilation Kennedy gradually turned away from his long held Cold Warrior beliefs and toward a policy of lasting peace But to the military and intelligence agencies in the United States who were committed to winning the Cold War at any cost Kennedy's change of heart was a direct threat to their power and influence Once these dark Unspeakable forces recognized that Kennedy's interests were in direct opposition to their own they tagged him as a dangerous traitor plotted his assassination and orchestrated the subsequent cover up Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis along on the strange journey of Lee Harvey Oswald and his shadowy handlers and to the winding road in Dallas where an ambush awaited the President's motorcade As Douglass convincingly documents at every step along the way these forces of the Unspeakable were present moving people like pawns on a chessboard to promote a dangerous and deadly agenda **Protecting the Presidential Candidates** Mel Ayton, 2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between

the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president s day is your day one agent said Nobody sees the president the way an agent does *Congressional Record* United States.
