Secret World Of Pandas:

The Last Panda George B. Schaller, 1994-09-14 Dependent on a shrinking supply of bamboo hunted mercilessly for its pelt and hostage to profiteering schemes once in captivity the panda is on the brink of extinction Here acclaimed naturalist George Schaller uses his great evocative powers and the insight gained by four and a half years in the forests of the Wolong and Tangjiahe panda reserves to document the plight of these mysterious creatures and to awaken the human compassion urgently needed to save them No scientist is better at letting the rest of us in on just how the natural world works no poet sees the world with greater clarity or writes about it with more grace Anyone who genuinely cares for wildlife cannot help being grateful to Schaller both for his efforts to understand the panda and for the candor with which he reports what has gone so badly wrong in the struggle to save it from extinction Geoffrey C Ward New York Times Book Review Schaller's book is a unique mix of natural history and the politics of conservation and it makes for compelling reading Having been in giant panda country myself I found some of the descriptions of the animals and habitats breathtaking Schaller describes the daily routines and personalities of the giant pandas he studied as well as their fates thereafter as though they were his blood relatives Schaller's brilliant presentation of the complexities of conservation makes his book a milestone for the conservation movement Devra G Kleiman Washington Post Book World George Schaller's most soulful work written in journal style with many asides about a creature who evolved only two to three million years ago about the same time as humans Here conservation biology confronts an evil that grinds against hope and shatters the planet's diversity Written with hope Whole Earth Catalog A nicely crafted blend of wildlife observation and political cultural analysis The Last Panda is a sad chronicle of our failure so far to stem the decline of the animal that may be the most beloved on the planet Donald Dale Jackson

The Lady and the Panda Vicki Croke, 2009-03-25

Here is the astonishing true story of Ruth Harkness the Manhattan bohemian socialite who against all but impossible odds trekked to Tibet in 1936 to capture the most mysterious animal of the day a bear that had for countless centuries lived in secret in the labyrinth of lonely cold mountains In *The Lady and the Panda* Vicki Constantine Croke gives us the remarkable account of Ruth Harkness and her extraordinary journey and restores Harkness to her rightful place along with Sacajawea Nellie Bly and Amelia Earhart as one of the great woman adventurers of all time Ruth was the toast of 1930s New York a dress designer newly married to a wealthy adventurer Bill Harkness Just weeks after their wedding however Bill decamped for China in hopes of becoming the first Westerner to capture a giant panda an expedition on which many had embarked and failed miserably Bill was also to fail in his quest dying horribly alone in China and leaving his widow heartbroken and adrift And so Ruth made the fateful decision to adopt her husband's dream as her own and set off on the adventure of a lifetime It was not easy Indeed everything was against Ruth Harkness In decadent Shanghai the exclusive fraternity of white male explorers patronized her scorned her and joked about her softness her lack of experience and money But Ruth ignored them organizing outfitting and leading a bare bones campaign into the majestic but treacherous hinterlands where China borders Tibet As her partner she chose Quentin Young a twenty two year old Chinese explorer as unconventional as she was who would join her in a romance as torrid as it was taboo Traveling across some of the toughest terrain in the world nearly impenetrable bamboo forests slick and perilous mountain slopes and boulder strewn passages the team raced against a traitorous rival and was constantly threatened by hordes of bandits and hostile natives The voyage took months to complete and cost Ruth everything she had But when almost miraculously she returned from her journey with a baby panda named Su Lin in her arms the story became an international sensation and made the front pages of newspapers around the world No animal in history had gotten such attention And Ruth Harkness became a hero Drawing extensively on American and Chinese sources including diaries scores of interviews and previously unseen intimate letters from Ruth Harkness Vicki Constantine Croke has fashioned a captivating and richly textured narrative about a woman ahead of her time Part Myrna Loy part Jane Goodall by turns wisecracking and poetic practical and spiritual Ruth Harkness is a trailblazing figure And her story makes for an unforgettable deeply moving adventure
