JoAnna Nicholson, 2001-06-01 *Weekly World News*, 1995-10-17 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979. The novel is marked by Shute's characteristic prose which strikes a delicate balance between straightforward storytelling and layered thematic exploration. As reader follows the protagonist a haunting sense of urgency permeates the tale shedding light on the moral quandaries that arise in times of war and the sacrifice required for the greater good. Shute's acute attention to detail not only builds a realistic portrayal of wartime aviation but also reflects the anxieties of a society on the brink of uncertainty and conflict. Nevil Shute an accomplished aeronautical engineer and novelist drew upon his own experiences in aviation and his keen understanding of human nature to craft this compelling narrative. His background not only informs the technical aspects of the story but also imbues it with an authenticity that resonates with readers. Shute's acute observations of humanity's resilience in times of crisis often mirror his own life experiences during the tumult of the war echoing the complexities of loyalty and morality. *Most Secret* is highly recommended for readers interested in historical fiction that delves into the psychological depths of wartime decisions. Shute's nuanced character development and engrossing plot twist invite contemplation on the ethics of espionage and the clandestine operations that define conflicts. This title is essential for those wanting to gain insight into the intricate landscape of human motivations amidst the chaos of war. *A Dark and Secret Magic* Wallis Kinney, 2024-10-08 A USA TODAY BESTSELLER A warm spellbinding tale about a witch and the secrets her coven has been keeping from her with echoes of the classic Hades and Persephone story in the tradition of *Practical Magic* and *Witch of Wild Things*. Hecate Goodwin Kate to her friends has curated the perfect life as a hedge witch living in a secluded cottage with only a black cat for company. She spends her days foraging herbs from the Ipswich forest gardening and creating tinctures to sell at the apothecary she owns. Most evenings pass without her speaking to another human being an arrangement she quite prefers. Kate's solitude is thrown into disarray when her older sister Miranda reaches out and asks her to host their coven's annual Halloween gathering. The day marks the beginning of the new year for witches and is also Kate's birthday. The pressure from her coven to make the evening memorable mounts as the event draws near. To complicate things further a handsome man from Kate's past turns up at her cottage asking for sanctuary. It is Kate's duty as a hedge witch to honor this request much to her dismay. Matthew Cypher is no ordinary lost soul he's a practitioner of forbidden magic who's tricked Kate once before and her guard is up. As she juggles Matthew's arrival and the preparations for Halloween Kate comes across an old tome shrouded in dark magic. She is horrified when she realizes the blood red inscription is written in familiar handwriting her recently deceased mother's.

Afraid to even touch the dark magic her mother secretly studied Kate can turn only to Matthew for help Her idealized memory of her mother begins to distort and as she and Matthew grow closer Kate has to reevaluate whom she can really trust A Dark and Secret Magic is a celebration of the Halloween season and a love letter to anyone who drinks pumpkin spice in August and carries the spirit of a witch inside their heart all year long Secret Agent Under Fire Geri
