My Life Story Pramila Dugel,2019-05-30 Life is a journey Long for some and short for others Nevertheless we select our own paths to reach our destination In doing so we are forced to stop at various junctions becoming emotionally sensationally and spiritually involved with what we encounter As the duration of the journey progresses we age with time The subconscious mind projects past images in sequences or by association making life surreal Like actors on stage we perform aware of our entrances and exits Every performance is a prologue to what might be or what might have been
