eleven essays in *Emmett Till in Literary Memory and Imagination* examine how the narrative of the Till lynching continues to haunt racial consciousness and to resonate in our collective imagination. The trial and acquittal of Till's murderers became in the words of one historian the first great media event of the civil rights movement and since then the lynching has assumed a central place in literary memory. The international group of contributors to this volume explores how the Emmett Till story has been fashioned and refashioned in fiction, poetry, drama, and autobiography by writers as diverse as William Bradford Huie, James Baldwin, Langston Hughes, Gwendolyn Brooks, Audre Lorde, Anne Moody, Nicolás Guillén, Aimé Césaire, Bebe Moore Campbell, and Lewis Nordan. They suggest the presence of an Emmett Till narrative deeply embedded in post-1955 literature, an overarching recurrent plot that builds on recognizable elements and is as legible as the lynching narrative or the passing narrative. Writers have fashioned Till's story in many ways, and the annotated bibliography that ends the volume discusses more than 130 works that memorialize the lynching, calling attention to the full extent of Till's presence in literary memory.

Breaking new ground in civil rights studies and the discussion of race in America, *Emmett Till in Literary Memory and Imagination* eloquently attests to the special power and artistic resonance of one young man's murder. ***PRACTICE MAKES PREGNANT*** Lois Faye Dyer, 2011-08-16 For the first time in her life, shy secretary Allison Baker threw caution to the wind. No sooner did she enter the party than suave attorney Jorge Perez whispered sweet compliments in her ear. Breathless Allison was captivated by her handsome admirer but anxious about the aftermath of their fireworks. Weeks later she made a stunning discovery. Though stubborn and proud, Jorge moved mountains to find his disappearing damsel after their special night. And then he was humbled by Allison's two-word declaration: "I'm pregnant." Of course Jorge had to marry her for their baby's sake. As for love, could he admit to his new wife the tender feelings brewing in his soul. ***Distant Hearts*** Jaclyn Weldon White, 2004 Graduate student Jill Barnes is running out of time to produce a thesis while still struggling to come to terms with her mother's recent death. When a collection of papers belonging to a prominent 19th-century statesman becomes available for study, Barnes leaves her home and travels to Barnett County in middle Georgia to take advantage of the opportunity. The collection is everything she'd hoped for, but Jill finds herself less and less able to concentrate on the task at hand. Grief over her mother's death is increasingly intruding into her thoughts, and Barnett County is not the bucolic rural community Jill assumed it would be. The county is divided, and violence breaks out. In the midst of it all, Jill finds a Civil War diary among the statesman's papers that captures her life. In the diary, she discovers a young woman's life and loss that mirrors her own. This first novel is about searching for answers to life's most basic questions and finding answers in the most unlikely places. ***Counting on a Cowboy*** Karen Sandler, 2012-02-15 COMING HOME TO A COWBOY Rugged rancher Tom Jarret would move mountains for his precious daughter.
