Cotham, 2022-12-20 Drawing insights from a long career in the two professions of full time church pulpit ministry and various university professorships Perry Cotham invites us to understand ancient biblical themes in a refreshingly new and relevant way Some themes are deeply theological and biblical and others are highly practical Dr Cotham challenges our thinking even if readers may not agree with all his insights and conclusions *The Sacred Secret of Human Life through Jesus Christ* Paul Kofi Peprah, Adam who had enjoyed

perfect life its continuance conditioned on obedience to Jehovah Gen 2 17 now experienced in himself the workings of sin and its fruitage spiritual death He was cut off from God and true spirituality nevertheless his life vigor was strong living for 930 years before physical death overtook him He lost eternal life for himself and offspring Gen 3 17 22 23 5 5 The apostle John quotes Jesus Christ as saying God so loved the world that He gave his one and only Son Jesus Christ that whoever believes in him will not perish but have eternal life John 3 16 And Jesus Christ said This is eternal life their knowing you the only true God and the one whom you have sent Jesus Christ John 17 3      **Everyday Religion** James Edward Freeman,1920

Everyday Religion Or The Common Sense Teaching of the Bible Hannah Whitall Smith,1893      The Best Kept Secret of Christian Mission John Dickson,2010 This book comes out of years of reflection failures and some successes in the task of reaching out to others with the gospel Many Christians think of the task of mission as an entirely verbal activity when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him and only a few of them involve speaking Without diminishing or downplaying the importance of speaking the gospel John Dickson shows that on the other hand downplaying the range of activities that promote Christ to the world has its own set of problems It can make those who are not confident about speaking of anything let alone Jesus feel inadequate and self conscious in the task of reaching out to others Equally it can make those who do have a flair for speaking feel as though they are fulfilling Christ s mission just by talking But the reality is that the Lord wants our whole life not just our lips in the task of bringing the gospel to the world Every facet of our lives can be used by God to promote the news of his power and mercy In this practical guide to the biblical art of sharing your faith John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus While not all Christians are called and gifted to become evangelists we are all called to promote the gospel through a wide range of activities prayer financial partnership good deeds godly lives public worship daily conversation etc with and without our lips As readers engage with this book grapple with its arguments and hear the stories of people coming to faith they will be inspired to see the whole of life as significant for bringing the gospel to the world and they will be liberated out of guilt and self consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ

*EARLY CHRISTIANITY* Edward D. Andrews,2025-03-12 How did the ancient world shape the rise of Christianity What political forces social customs and philosophical ideas influenced the spread of the gospel To truly understand the New Testament one must explore the historical and cultural environment in which it was written *Early Christianity Exploring Backgrounds Historical Settings and Cultures* takes readers on a deep and comprehensive journey through the world of the first century From the turbulent history of Judea under Babylonian Persian Greek and Roman rule to the daily lives of people in the Roman Empire this book uncovers the political social and religious realities that formed the backdrop for Jesus ministry and the early church This volume explores the intricate web of philosophies pagan religious practices and Jewish

sects that shaped the intellectual and spiritual climate of the time It examines the Roman military economic systems law citizenship and cultural norms that influenced the experiences of early Christians It also delves into the significant archaeological discoveries that confirm the historical accuracy of the New Testament Meticulously researched and rich with historical insights Early Christianity is an essential resource for anyone seeking a deeper understanding of the biblical world Whether you are a student historian or devoted Bible reader this book will equip you with the knowledge to better grasp the context of Christianity s beginnings and its enduring impact on history *Best Kept Secret in Christianity* Jack A.
