Deppe, 2015-10-22 What sets *The Theological Intentions of Mark's Literary Devices* apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day **Rethinking Jonah** Thomas J. Green, Max Turner, 1999-01-20 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church In the past two decades some scholars have taken an increasingly gloomy attitude toward the possibility of knowing anything of substance about Jesus from the Gospels or at the opposite extreme have sometimes made outlandish claims about him Others like the contributors to this volume have begun moving the discussion into fresh areas of creative responsible inquiry The Passion

Sovereignty R. J. Rushdoony, The word sovereignty means one who is above all It is the supreme and highest power The Christian defines the Sovereign Lord as unlimited independent with original authority For fallen man sovereignty belongs to the state because the state is the source of law Since the Christian can have no other gods Ex 20 3 history is defined appropriately by Augustine as a conflict between the City of Man and the City of God As in all conflicts we must choose this day whom we will serve Calvinists often limit the doctrine of sovereignty to a systematic theological definition of God Much more work is needed in developing the implications of sovereignty for the Kingdom of God and its application in terms of the law word of God In this posthumously published volume R J Rushdoony examines the comprehensive implications of God s sovereignty with a clear eye to critiquing the various places where man posits sovereignty especially the sovereign state This is a must read for anyone seeking to understand the crises of our times *The Messenger* Karl Evanzz, 2011-09-07 Here eagerly anticipated is the definitive biography of Elijah Muhammad n Elija Poole a sharecropper s son with a fourth grade education who became one of the most controversial Americans of the twentieth century the founder and Prophet of the Nation of Islam a movement dedicated to black separatism and self empowerment Though Muhammad s main argument that white people were innately evil devils he called them ran counter to the precepts of orthodox Islam he was the chief influence in the conversion of nearly four million African Americans to Islam touching in the process the lives of figures ranging from Muhammad Ali and Jesse Jackson to Malcolm X and Louis Farrakhan But in his desperate grasp for power Muhammad also amassed a huge personal fortune at the expense of his followers He was a party to ritualistic homicides had illicit affairs galore and was quick to betray his friends and charges most notably Malcolm X In brief he violated every ideal and principle that he espoused With the cooperation of some of Elijah Muhammad s children and former apostles and with access to

previously unreleased FBI files Karl Evanzz gives us an unprecedented account of the life of the man whose philosophy continues long after his death to shape race relations in America **Jerusalem, the Holy City** James D. Purvis, 1988 This volume contains 4 475 entries furthering the author's work of providing a comprehensive bibliography of modern research on the city of Jerusalem Vol 2 supplements vol 1 1988 not only by providing new titles but also by including additional information on titles that appeared in vol 1 including notices of reviews As with vol 1 40 chapters are arranged under eight major headings general studies Jerusalem during the Biblical period Jerusalem during the Second Temple period Roman Jerusalem Jewish Jerusalem Christian Jerusalem as a Muslim city and in modern times Annotation copyrighted by Book News Inc Portland OR **The Weekend that Changed the World** Peter Walker, 2000-01-01 This Book answers key questions that surround Jesus death and argues that the events of that fateful weekend in Jerusalem changed the world forever Layer upon layer of detail draws the reader into the frightening hours leading up to Jesus death The volume traces the movements of all involved in his tragic execution and follows the story to the empty tomb examining the improbability that anyone could be raised from death Walker discusses at length the location of Jesus burial drawing on the evidence of the Gospels archaeology and church history and focuses on the two likely sites the Garden Tomb and the church of the Holy Sepulchre Walker also explores the impact of Jesus resurrection on Christians then and now noting how the message of the Garden Tomb has been a source of inspiration to millions of people from all over the World He Is Not Here For He Is Risen

Surprised by God Kindalee Pfremmer De Long, 2009-10-16 Scholars have long noted the prevalence of praise of God in Luke Acts This monograph offers the first comprehensive analysis of this important feature of Luke's narrative It focuses on twenty six scenes in which praise occurs studied in light of ancient Jewish and Greco Roman discourse about praise of deity and in comparison with how praise appears in the narratives of Tobit and Joseph and Aseneth The book argues that praise of God functions as a literary motif in all three narratives serving to mark important moments in each plot particularly in relation to the themes of healing conversion and revelation In Luke Acts specifically the plot presents the long expected visitation of God which arrives in the person of Jesus bringing glory to the people of Israel and revelation to the Gentiles The motif of praise of God aligns closely with the plot's structure communicating to the reader that varied and often surprising events in the story such as healings in Luke and conversions in Acts together comprise the plan of God The praise motif thus demonstrates the author's efforts to combine disparate source material into carefully constructed historiography The Catholic Biblical Quarterly Wendell Stephen Reilly, 1988 Includes various reports of the Association *Blood and Silk* Carol McKay, 2010-10 FASCINATING NOVEL EXPLORES JESUS AND MARY'S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL SOCIAL POLITICAL AND HISTORICAL CONTEXTS Mary Magdalene and Jesus of Nazareth's mysterious legendary connection can only be realized by revisiting their story through its Greco Roman Mediterranean cultural context Early theologians censored details about theater literature dress cuisine wedding rituals glass manufacturing silk trade

politics and architecture of Mary Magdalene's time when they did not fit dogma and doctrine Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay's meticulous reconstruction of a formerly forgotten way of life Blood and Silk The Hidden Love Story of Mary Magdalene and Jesus of Nazareth is a novel fifteen years in the making Paul, Covenant Killer Timothy L Parrott, 2021-11-17 Paul is one of the more interesting and least understood characters in history quite bluntly a man who changed history not just of the Christian community but the Jewish community as well Paul was a rising star in the Jewish culture and openly admits to being the chief persecutor and prosecuting those of this upstart movement While applying the legal system within the Jewish culture to all those now anathema to the Jewish culture he finds himself not just defending this new movement but laying the groundwork for the behavior customs and legality of the Christ movement and organization Once a defender of the Jewish faith he now becomes a greater and stauncher defender of the Christian faith even to the point of death in martyrdom as a political prisoner a prosecuting attorney within the Jewish legal system now working as the principal legal and as the author claims prime legal counsel for the new Ekklesia His letters are not so much about theology but legality He was born to have a foot in the Jewish legal system and a foot in the world's then dominating legal system only to serve as the first legal counsel and attorney general of the coming new legal system this is Paul the lawyer this is Paul the covenant killer **Charisma and Christian Life**, 2000 **Bible Review**, 2000
