

30 Secrets to Exhibiting Success

1. On average 75% of visitors to an exhibition are there to buy or plan to buy in the future.
2. Exhibiting is the most cost-effective way of getting your products and services in front of customers.
3. Exhibiting is the only medium, which allows you to interact with potential customers, using all the 5 senses.
4. Decide why you are exhibiting and what you wish to achieve. Have some specific, measurable targets in mind. E.g. Get 300 qualified sales leads or conduct 50 research interviews.
5. Design your stand to help deliver your objectives.
6. Have one person in charge of every aspect of the exhibition.
7. 80% of stand success is down to staff, so train them.
8. If you can invite people, do. If you don't your competition will.
9. Formulate a plan to categorise leads for follow up.
10. At the show, let people know you are there, advertise.
11. Don't ask closed questions.
12. Keep your conversations with clients short and concise.
13. Turn off your mobile phone.
14. Focus, get all the details you can from your prospect.
15. Make a rota, so everyone knows where he or she is and what he or she is doing, when.
16. Make eye contact and smile.
17. Listen to your prospect and sell benefits not features. E.g. this is good for you because...
18. Go for it! Have staff whose presence says "Hi, how are you?"
19. You and your staff need to look fresh and feel fresh.
20. Use all 5 senses to attract people to your stand.
21. Have daily team debriefs.
22. Classify all leads.
23. Don't eat whilst on the stand.
24. Don't get into conversations about products you do not know, ask another team member to help/demonstrate.
25. Remember why you are there, stay focused on your objectives.
26. Talk less listen more.
27. Conduct a show debrief with the stand team.
28. Follow up leads, you will need to contact them at least 6 times.
29. Make use of all the information you have gathered.
30. Book early for next year.

15 lakhs After completion of my post graduation I joined as a Business planning and Control Executive with Michlin at Singapore and worked for 2 years It s me who asked my father to write this book to help students whatever be the stream of education they choose I agree with him that spending millions of rupees on education is a luxury not every one can afford When a parent is able to invest a simple ten minutes a day and enthuse the child to do better as a Chartered Accountant I can assure that it would be the best investment one could ever ask for THE SECRET OF SUCCESS: How to Achieve Power, Success & Mental Influence (Complete William Walker Atkinson Collection) William Walker Atkinson,2017-07-06 This eBook edition of THE SECRET OF SUCCESS How to Achieve Power Success Mental Influence Complete William Walker Atkinson Collection has been formatted to the highest digital standards and adjusted for readability on all devices The time tested advices in this collection would surely help those who are searching for that little something in their lives to attain the ultimate success power and lasting influence on others around them William Walker Atkinson 1862 1932 was a prolific writer His works treat themes related to the mental world occultism divination psychic reality and mankind s nature They constitute a basis for what Atkinson called New Psychology or New Thought Secrets of Successful Web Sites David Siegel,1997 Project management on the World Wide Web **The Secret of Success: How to Achieve Power, Success & Mental Influence** William Walker Atkinson,2023-12-08 In The Secret of Success How to Achieve Power Success Mental Influence William Walker Atkinson presents a compelling discourse on the art of personal development and success Through a blend of metaphysical principles and practical advice Atkinson employs a didactic literary style characterized by clarity and directness designed to enlighten and empower readers The book reflects the early 20th century Movement known as New Thought drawing on the interplay between mind and reality illustrating how the cultivation of a positive mental attitude can lead to tangible results in one s personal and professional life William Walker Atkinson a pivotal figure in the New Thought movement was deeply influenced by his own struggles with health and fortune His extensive writings and teachings were aimed at demystifying success principles and making them accessible to the everyday reader Atkinson s background as a lawyer turned writer also enabled him to articulate complex ideas with precision and affability demonstrating his keen understanding of human psychology and motivational strategies This book is highly recommended for anyone seeking to unlock their potential and achieve their aspirations Atkinson s insights are timeless making The Secret of Success not only a guide to personal achievement but also a source of inspiration for those aiming to foster a mindset conducive to success The Secret Of Success Allen, **Secret of Success in Wall Street** Tumbridge, Valentine, & co., New York,1875 **Hands-On Exhibitions** Tim Caulton,2006-04-14 The development of interactive displays has transformed the traditional museum world in the last decade Visitors are no longer satisfied by simply gazing at worthy displays in glass cases they expect to have hands on experience of the objects and be actively involved with the exhibits learning informally and being entertained simultaneously Hands on museums and science centres provide the most remarkable example of how museums

are redefining their roles in society improving access to real objects and real phenomena so that they can be enjoyed by more people In recent years museums have been thrust into intense competition for the public s time and money with all branches of the leisure industry from commercial theme parks to retail shopping and home entertainment This has upset the traditional stability of the museum and their visitors A hands on approach encourages a broader visitor base which in turn helps to bring in additional revenue at a time of declining public subsidy Tim Caulton investigates how to create and operate effective exhibitions which achieve their educational objectives through hands on access He concludes that the continuing success of hands on museums and science centres hinges on attaining the very best practice in exhibition design and evaluation and in all aspects of operations including marketing and financial and human resource management Hands On Exhibitions provides a practical guide to best practice which will be indispensable to all museum professionals and students of museum studies
