

## SEX WITHOUT LOVE

How do they do it, the ones who make love without love? Beautiful as dancers, gliding over each other like ice-skaters over the ice, fingers hooked inside each other's bodies, faces red as steak, wine, wet as the children at birth whose mothers are going to give them away. How do they come to the come to the come to the God come to the still waters, and not love the one who came there with them, light rising slowly as steam off their joined skin? These are the true religious, the purists, the pros, the ones who will not accept a false Messiah, love the priest instead of the God. They do not mistake the lover for their own pleasure, they are like great runners: they know they are alone with the road surface, the cold, the wind, the fit of their shoes, their overall cardiovascular health – just factors, like the partner in the bed, and not the truth, which is the single body alone in the universe against its own best time.

## **Sex Without Love:**

**Why do women have sex without love?** Alice Meyer, 2018-07-10 In fact everything is simple women simply adopted some rules of modern dynamic reality It used to be a long and languid sigh expecting a favorite postal pigeon Now all the processes have accelerated simply incredibly Therefore it became convenient for some women to enjoy themselves in a short way You do not need to picture anybody you can not be obedient innocent and weak if in fact you are completely different

**Sex Without Love** Russell Vannoy, 1980 Here in a break from traditional philosophical views of sex and love Russell Vannoy presents a radical defense of sexual enjoyment without love Vannoy argues that truly humanistic and fulfilling sex is found only when it is enjoyed for its own sake and it is divorced from traditional forms of love The book contains insightful analyses of the philosophies of Sartre Freud Schopenhauer Reich Nagel de Sade and others back cover

**Why Women Have Sex** Cindy M. Meston, David M. Buss, 2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture shifting Kinsey Report from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection When University of Texas at Austin clinical psychologist Cindy M Meston and evolutionary psychologist David M Buss joined forces to investigate the underlying sexual motivations of women what they found astonished them Through the voices of real women Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep seated psychology and biology that often unwittingly drive women's desires sometimes in pursuit of health or pleasure or sometimes for darker disturbing reasons that a woman may not fully recognize Drawing on more than a thousand intensive interviews conducted solely for the book as well as their pioneering research on physiological response and evolutionary emotions *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality They delve into the use of sex as a defensive tactic against a mate's infidelity protection as a ploy to boost self confidence status as a barter for gifts or household chores resource acquisition or as a cure for a migraine headache medication *Why Women Have Sex* stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's and her partner's awareness of her relationship to sex and her sexuality

**Good Sex** Raymond A. Belliotti, 1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy

**Without Love** LDouglas JC, 2016-05-19 This book is a collaboration between a self described modern day Neanderthal man and a woman who just happens to be in a relationship with her own Neanderthal The authors were interested to look at the concept of love from a more traditional perspective that doesn't seem to be as popular these days and to combine their very different life and love experiences into something tangible

**Woozie (Grandmother) Wisdom (About Life, Sex, and Love)** Lynn Hubschman, 2019-03-19 This is volume 2 of my award winning original Woozie Wisdom The first

one had fabulous responses and reviews My hope is that it will be a fun way of learning how to have great relationships My blog has thousands of followers and this is a compilation of essays from that It covers every aspect of life that we all share and puts information to people to understand and use in their everyday lives No one has a perfect life and all wonderful relationships so this book helps get over the hurdles and avoid problems No school teaches what we need to know especially about that sensitive area of sexuality Everyone wants to love and be loved This book offers insight about how to achieve that Enjoy **TRUTH FOR HUMAN EXISTENCE AND HAPPINESS** PAUL SITES; DANNY SITES,2010-07-23 This book is a response to postmodernists who take the position that there is no foundation for truth there are only stories We posit two types of truth truth about existence created by scientists which serves as a foundation of truth for existence Truth about existence describes human nature a major component being the human sense of self Following George Herbert Mead the self is not an entity it is process It is not substantiative it is functional There are two phases to the self the I phase and the Me phase The I phase has its roots in biology so when the needs of the self are not being gratified individuals suffer When individuals suffer life is without meaning individuals despair It is human needs and their inherent tie to suffering that points the way to truth for human existence and happiness Because other people value what they need needs and their corresponding values serve as the foundation for truth about existence upon which truth for human existence is constructed

*Sex, Love, and Friendship*,2022-07-18 This collection joins together sixty essays on the philosophy of love and sex Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition Topics addressed include ethical and political issues AIDS abortion homosexual rights and pornography conceptual matters the nature essence or definition of love friendship sexual desire and perversion the study of classical and historical figures Plato Aristotle Spinoza Kant and Kierkegaard and issues in feminist theory sexual objectification the social construction of female sexuality reproductive and marital arrangements Authors include Jerome Shaffer Sandra Harding Michael Ruse Richard Mohr Russell Vannoy Claudia Card M C Dillon Gene Fendt Steven Emmanuel T F Morris Timo Airaksinen and Sylvia Walsh The editor who is the author of Pornography 1986 The Structure of Love 1990 and Sexual Investigations 1996 has also contributed six pieces and an Introduction At the Dawn of the Sexual Revolution Ira L. Reiss,Albert Ellis,2002 History of the American sexual revolution as depicted through the correspondence between Ira Reiss and Albert Ellis two leading social scientists and pioneers of the revolution **Sex and the intelligent women** Manfred F. DeMartino,2013-12-11 *Let's Talk about Sex* Sam Gitchel,Lorri Foster,2005 Here is information for parents using the guide at the back of the book on how to approach that Big Ttak in a way that is comfortable and positive It is the ideal starting point for the parent who wants to communicate sexuality information that is frank and clear and with the feelings and values they wish to convey *Shakespeare, Sex, and Love* Stanley Wells,2010-04-08 How does Shakespeare s treatment of human sexuality relate to the sexual conventions and language of his times Pre eminent Shakespearean critic Stanley Wells draws on

historical and anecdotal sources to present an illuminating account of sexual behaviour in Shakespeare's time particularly in Stratford upon Avon and London. He demonstrates what we know or can deduce of the sex lives of Shakespeare and members of his family. He also provides a fascinating account of depictions of sexuality in the poetry of the period and suggests that at the time Shakespeare was writing most of his non-dramatic verse a group of poets catered especially for readers with homoerotic tastes. The second part of *Shakespeare Sex and Love* focuses on the variety of ways in which Shakespeare treats sexuality in his plays and at how he relates sexuality to love. Wells shows that Shakespeare's attitude to sex developed over the course of his writing career and devotes whole chapters to *The Fun of Sex* to how he raises laughter out of the matter of sex in both the language and the plotting of some of his comedies, portrayals of sexual desire to *Romeo and Juliet* as the play in which Shakespeare focuses most centrally on issues relating to sex, love and the relationship between them to sexual jealousy traced through four major plays *Sexual Experience* and *Whores and Saints*. A final chapter *Just Good Friends* examines Shakespeare's rendering of same gender relationships.

**The Literature of Love** Mary Ward, 2009-05-14 Critical introductions to a range of literary topics and genres. *The Literature of Love* is designed to introduce students to one of the central themes in literature. Focusing first on different types and aspects of love (physical, emotional, spiritual) it then offers a chronological coverage aiming to illustrate ways in which attitudes to the representation of love in literature have evolved from Chaucer to the present time. Other sections of the book examine particular genres such as the love sonnet, the love letter and romantic fiction and the differing reception of this literature over time is also considered. The book includes extracts from a range of authors.

**The English in Love** Claire Langhamer, 2013-08-22 Love has a history. It has meant different things to different people at different moments and has served different purposes. This book tells the story of love at a crucial point, a moment when the emotional landscape changed dramatically for large numbers of people. It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles. To the casual observer this era was a golden age of marriage. More people married than ever before. They did so at increasingly younger ages. And there was a revolution in our idea of what marriage meant. Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment, love, sex and personal fulfilment. And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction. Romantic love, particularly when tied to sexual satisfaction, ultimately proved an unreliable foundation upon which to build marriages. fatally it had the potential to evaporate over time and under pressure. Scratching beneath the surface of the apparent golden age of marriage, Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period. It is a tale of quiet emotional instability, persistent subversion and unsettling change. At its end, the idea of life-long marriage was in serious decline. And as Langhamer shows, this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional

revolution itself      **Love Is Our Final Destination** Charles Clarke, III, 2007-10 The heart of this thought provoking message can help readers uncover their divinely inspired purpose and drift off the shores of fear doubt and disbelief

**Thinking Your Way to Freedom** Susan T. Gardner, 2009-01-16 This is a critical thinking textbook with a difference Rather than focusing exclusively on improving college students academic achievement Gardner seeks to change how students think through issues that are important in their lives beyond school      **Bisexual and Gay Husbands** Fritz Klein, Thomas R Schwartz, 2014-02-04 What happens when married men face their gay bisexual needs This astonishing volume offers an intimate look into the lives and thoughts of bisexual men Already married to women these men are undeniably attracted to other men Their struggle with conflicting needs desires and loyalties is not filtered through theories or evoked in brief interviews It comes straight from their own keyboards The stories told in Bisexual and Gay Husbands are taken from an Internet mailing list which allows people to speak freely and in anonymity yet also encourages the development of a tightly knit community Men at all stages of the coming out process share their experiences their secrets their pain shame anger and hope One man writes I have found the answer to my bisexual needs and am afraid to embrace it I need help and advice to know what to do What you people have done in your lives may hold the key to helping me decide on a course of action I am either going to create a dream come true or hell on earth as I destroy my marriage I can t tell which and of course you can t either But you CAN tell me how you are handling the problems I am facing Bisexual and Gay Husbands includes advice and information on the issues that touch these men most deeply including how do I tell my wife and kids what does it mean to self identify as bisexual or gay what kinds of relationships do I want with men can triads work how do I deal with my children s reaction do I have to leave my wife The insight intelligence and honesty revealed in Bisexual and Gay Husbands make it a riveting read but it also has great clinical and historic value for therapists sex theorists and bisexual men and their families      **Love and Its Objects** C. Maurer, T. Milligan, K. Pacovská, 2014-09-25 This collection of essays on the philosophy of love by leading contributors to the discussion places particular emphasis on the relation between love its character and appropriateness and the objects towards which it is directed romantic and erotic partners persons ourselves strangers non human animals and art      **Ethics and Sex** Igor Primoratz, 2003-09-02 Ethics and Sex presents a systematic study of the nature and moral significance of human sexuality and of the major issues in sexual morality The book is divided into two main parts Part One gives a critical analysis of the key conceptions of human sexuality Part Two discusses the most important issues in sexual morality monogamy adultery prostitution homosexuality paedophilia sexual harassment and rape In this controversial and accessible book the author demonstrates that many of the prohibitions that make up conventional sexual morality cannot withstand critical scrutiny      *Love and Lust* Theodor Reik, 2017-07-05 These selections from Theodor Reik s work concern the love life and sexual activity of men and women Reik establishes the theme of this work in the following way The sex urge hunts for lustful pleasure love is in search of joy and happiness Over a third of this volume

had never been published in book form before it originally appeared half a century ago Its appearance in paperback for the first time is a welcome addition to current debates liberated from ideological and political constraints The first part of the book is so far ahead of its time that it is still current It reveals Reik s departure from Freud s theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of *Masochism in Modern Man* retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author s usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly Many of your impressions about us women are correct No man should read the book A few seconds later she said Or rather every man should read the book As Paul Roazen noted in contrast to some of Freud s other followers Reik was prescient early on in distinguishing self love from narcissism Reik believed that genuine self regard was the ultimate basis for developing the capacity to love At times Reik seems to defend women at times to critique them Yet he writes with sympathy and understanding He challenges other authorities who have written on the subject but he also agrees with many of them *Love and Lust* is civilized writing at its most provocative Reik is authoritative and his book reflects the glow of a rich personali
